Girls' Guide to Drawing

Draw 50 Horses

Learn how to draw a collection of beloved horses and pets! Ideal for children who love to doodle, this introductory drawing guide

Get Free Drawing Horses

makes the art of drawing easy. Clear, easy-to-follow instructions use basic shapes and colors to teach children how to draw step by step. In this book, young readers will learn simple ways to draw and color their favorite horse breeds and other beloved pets. Each project features fun, fascinating facts, as well as simple drawing tips to help kids build confidence. With All About Drawing: Horses and Pets, aspiring artists will be drawing their own masterpieces in no time! People who love kids spend a sizeable amount of their adult life obsessing about how their lives would be with kids in it. They wonder

Get Free Drawing Horses

how they can be good parents and be their kids' ultimate companion. They actively or passively prepare for this period of their lives and try to figure out ways to connect with their kids. The kids came with a need to express themselves, and it turns out that drawing is one of these needs. Herein lies the problem; the parent cannot draw. If this is your story, we understand how hard it is for you to confront that wrong notion that you cannot be there for your kids. You do not have to feel this way because you can always get help. Now, that help has come in the form of this drawing book. You do not have to feel

Get Free Drawing Horses

like you are not doing enough for your kids in the area of creative expression because now, you can always bring out this book and guide them on how to use it to fulfill their drawing needs. The best part of this is that you will be doing it together; you learn as they learn and at the same time, you get to connect with them on a deeper level. So yes, you may not have much artistic or drawing skill, but you can help your kids develop theirs, and this book and the drawing guides in it will help you get them there. You and your kids are about to have the most amazing creative experience - one that you will talk

observation of anatomy, form and proportion. Whether you are a complete novice or whether you want to take your horse portraits to the next level, *The Fundamentals of Drawing Horses* will provide a firm grounding from which you can gain the confidence to develop your own style.

Many artists are unsure how to bridge the gap between the many basic 'how to draw' books and the more advanced ones dealing with the esoteric details of composition, perspective and anatomy. *Force: Animal Drawing* is the comprehensive guide to developing artistic animals that are creative, dynamic and anatomical, bridging the gap between foundational art and advanced techniques. Artists and animators alike all find animal inspiration when animating characters- be they human or inhuman. For a unique 'larger than life' character, readers

Get Free Drawing Horses

will learn to apply the unique facets of animal movement, locomotion, expressions, facial features, physical build and personality to their traditional and digital art. Readers will also adapt key industry tricks and techniques to personify animal animations with key characteristics of a human's face.

Explore the practical application of force theories and learn from today's leading character designers with the included artist interviews and an extended video tutorial via www.drawingforce.com.

This newest title in the Drawing Made Easy series makes it possible for aspiring artists to re-create an impressive array of horse and pony drawings.
