Duck and Goose learn to work together to take care of a ball, which they think is an egg.

NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Lights! Camera! Moose! MOOSE? Yes, Moose!

When a movie director tries to capture the life of a moose on film, he's in for a big surprise. It turns out the moose has a dream bigger than just being a moose--he wants to be an astronaut and go to the moon. His forest friends step in to help him, and action ensues. Lots of action. Like a lacrosse-playing grandma, a gigantic slingshot into space, and a flying, superhero chipmunk. In this hilarious romp, Richard T. Morris and bestselling illustrator Tom Lichtenheld remind us to dream big and, when we do, to aim for the moon.

Duck & Goose, Let's Dance! (with an original song)

***A shamrock-shaped board book by the author and illustrator of ABCs of Halloween, just in time for Saint Patrick's Day. What good is a pot of gold if you can't remember where you buried it? That is the precise question on the mind of this frustrated little leprechaun, whose mood could not be more glum as a result. He follows rainbows in vain each afternoon and fiddles sad songs alone in his cottage at night. But in the midst of his frantic searches for his pot of gold, he happens upon a big, fluffy dog he names Goldie and then a beautiful cat, Rainbow. What he discovers along the way is something much more precious than gold -- true friendship, what he has really been searching for all along. This sweet tale of friendship and luck is illustrated with the detailed, lush paintings of Patricia Reeder Eubank. Ages 2-5.***
