

Early Years Letterland

Combines easily decodable words with a few essential high-frequency words. The phonic focus is on short medial vowels: a, e, i, o, u. It is useful for guided or shared reading, independent practice of initial and final phonemes and short medial vowels.

This workbook focuses on the letters T-Z, practising letter shapes and initial letter sounds. Stimulating activities and illustrations should help to make learning to read and write fun.

Presents a pack of products catered for introducing Letterland at the Early Years level.

Story Phonics - making letters come to life

The Phantom Tollbooth

A sturdy book with split pages that gives children hands-on practice in making lots and lots of words. Designed with spiral bound binding, the pages are split into two sets of flip over pages, allowing the children to flip the pages over and discover new words. Flip Flap Phonics is designed to develop skills in blending sounds together to make words and to help children identify rhyming patterns in real and nonsense words. It can also be used as a valuable teaching aid and a focus point for blending sounds and reading words in small groups

This starter pack is designed specifically for nursery and pre-school teachers. Each teaching resource has been carefully selected to help even the youngest children learn the alphabet sounds & shapes, and develop their phonic skills in a fun way.

Contains 60 photocopiable activity sheets featuring lower case a-z, long vowels, and capital and lower case pairs.
