Imagine what it would be like to go back in time to the 15th century Venice. And imagine what it would be like to meet your lifelong hero, Michelangelo. And imagine what it would be like if, on first meeting, you spill a tray of pasta and wine on that very same hero. Well, that's what happens to serious young artist Mark Breen. As the result of a drunken bet, Mark knocks out a painting of a toilet bowl. Much to his amazement, he sells it. In short order he's hailed as the new Andy Warhol and becomes an overnight sensation--and a very wealthy man. Soon, images of his toilet bowls are on more t-

shirts, mugs, and calendars than Edvard Munch's The Scream. His friend and mentor, Hugh Connelly, afraid that Mark is in danger of losing his "artistic soul," advises him to go back to Italy and reacquaint himself with the "old masters." In Venice, Mark falls in love with Alexandra, a beautiful art restorer, but it's a one-sided affair. One night, hoping to win her over, he climbs up on a roof to find out who painted her favorite fresco. He falls off the roof and wakes up in 15th century Venice where he meets an innkeeper named Francesca, who looks exactly like Alexandra. And it gets curiouser and curiouser from there. During his stay-which is sometimes zany and sometimes frightening-he meet his hero, Michelangelo, who teaches him the true meaning of art.

Cristian Vega has a talent very few people know about: he's a musician. And he's quite good. The problem he faces is that he has no confidence in himself and is overly concerned about what others think of him, and this fear of rejection has turned Cristian into an introvert. The day after his nineteenth birthday, Cristian receives a call from his girlfriend who tells him that she's met someone else. Confining himself to his bedroom, Cristian has become an emotional wreck and vows to never allow himself to fall in love again. After calling his cousin in an attempt to get his mind off of his ex-girlfriend, Cristian sets in motion a chain of events that will change his life forever. And it all begins with the meeting of a girl... Emma Turner is quite sick of dating the same kind of man-tall, clean-cut and handsome-and every guy she meets seems more interested in trying to impress her than they are in learning anything about her. When Cristian Vega begins attending the same church as her, she finds herself inexplicably drawn to him. None of her friends understands her attraction to Cristian and they are sure to tell her that every chance they get. Emma's problem isn't in getting her friends to accept Cristian, her bigger issue is in getting Cristian to admit his feelings to her before the successes of being a musician tears them apart. THE PATH tells the story of overcoming one's fear of rejection in order to pursue one's dream regardless of what may come.

Brian Crawford was a twenty-year-old hippie, hitch-hiking around the country from the East Village to Haight-Ashbury and various hippie communes and centers in between, sampling every psychedelic experience he could find. One day in Boulder, Colorado, he met a mysterious stranger with something new - peyote, the magic cactus. With his girlfriend Elissa, the bizarre and paranoid Mike just returned from Vietnam, Sara the seductress, and fellow travelers Sean and Chris, he set off in a red 1947 Cadillac ambulance in an odyssey through the southwest in search of the places where peyote was rumored to grow. They found what they were looking for, and more. Busted by Immigration, he and Mike spent a week in a small town jail and met and educated some of the local kids who had only read about the hippie phenomenon. After his release, he joined a hippie commune in Fort Worth. In the process, he learned as much about himself as the strange world of the psychedelic cactus.

This is a New Adult novel recommended for ages 16+. Photographer Sierra Stratton views the world through a lens all her own. She has an uncanny sense about people, something that often causes her trouble. When she meets the sexy and brooding Evan Dorsey, her intuition tells her he's suffering, and she wants to be

the one to help him. Evan isn't open to help from anyone, however. His focus is on his Major League career and making himself as marketable as possible for his upcoming free agency. He plans to ride out the season in Atlanta and then sign with another team, away from the painful memories that haunt him. Someone's eager to send him on his way, too. Between anonymous threats and equipment sabotage, it's clear he's earned himself an enemy along the way. To him, it's one more sign that he's right to move on. But Sierra threatens his conviction. Her contagious smile proves hard to resist, as does her kiss. She tempts him in ways he never anticipated, making him question his plans for the first time. If he's not careful, she might just convince him that he's meant for her.

Gaby LeFevre is a suburban, Midwestern firecracker, growing up in the 80s and 90s and saving the world one homeless person, centenarian, and orphan at a time. Meanwhile, the large cast of compelling characters entertains and the Northwyth legends draw you into their magic.

From New York Times bestseller, Kendall Ryan, comes a sexy new standalone novel. My tempting and very alpha friend Sterling Quinn is someone I consider off-limits. It's not just that we're friends, he's also cocky, confident, and British, which means he's a walking aphrodisiac. But lately he's been giving me the look. You know the one. When he thinks I'm not paying attention, and his gaze lingers for too long. When we start working together, that's when the sexual tension between us gets so thick, I want to hack through it with a machete. I want to make all these deep feelings I've harbored for him disappear, because there's no way this can end well. The lines between business and pleasure become irrevocably blurred, and I'm stuck between a rock and Sterling's very, very hard place. Rather than keep a level head about our growing attraction, Sterling wants to go all in, showing me just how explosive we can be together. But I've been around long enough to know that this British bad boy is more than my heart can handle. I'm not about to be cast aside like yesterday's underwear when he's done having fun. Sterling's never been told no, and he's not about to put his ego aside and play by my rules. But I never thought he'd fight so dirty.

It's not all bad, though. His temporary host could not be more accommodating, and the local librarian quickly takes an interest in Ben, as well as the research for his next novel. Though unexpected, his short stay has the potential to be enjoyable. But when he stumbles upon the second murder in Kettering within a week, he realizes his presence in town might actually be life-threatening. Ben soon finds himself torn between leaving as soon as he can and his feelings for the alluring Ellen Hornsby. However, the longer Ben stays in town, the more questions he has. Who is the killer? How are these murders connected to similar crimes committed thirty years before? And why haven't the townspeople done anything? As Ben's list of allies grows, so too does the threat that haunts the people of Kettering. Together, these individuals must set aside their differences and find the killer before the body count climbs any higher, but time is running out. Something is in the woods, something hidden among the shadows that grow ever longer with winter's approach, and it's hunting all of them.

When, at the age of 20, he is offered a place to train with one of England's biggest clubs, he leaves home convinced his dream is within reach. Being warned by his new team mates of the tough rules and hard training routines, Todd is undeterred. But, after experiencing the care and attention men can give to each other, Todd feels awakened. Learning that each player has a special "partner" on the team, who they play and bond with as intimately as lovers, Todd becomes fascinated with the idea. From the New York Times bestselling author of Red, White & Royal Blue comes a new romantic comedy that will stop readers in their tracks... For cynical twenty-three-year-old August, moving to New York City is supposed to prove her right: that things like magic and cinematic love stories don't exist, and the only smart way to go through life is alone. She can't imagine how waiting tables at a 24-hour pancake diner and moving in with too many weird roommates could possibly change that. And there's certainly no chance of her subway commute being anything more than a daily trudge through boredom and electrical failures. But then, there's this gorgeous girl on the train. Jane. Dazzling, charming, mysterious, impossible Jane. Jane with her rough edges and swoopy hair and soft smile, showing up in a leather jacket to save August's day when she needed it most. August's subway crush becomes the best part of her day, but pretty soon, she discovers there's one big problem: Jane doesn't just look like an old school punk rocker. She's literally displaced in time from the 1970s, and August is going to have to use everything she tried to leave in her own past to help her. Maybe it's time to start believing in some things, after all. Casey McQuiston's One Last Stop is a magical, sexy, big-hearted romance where the impossible becomes possible as August does everything in her power to save the girl lost in time. "A dazzling romance, filled with plenty of humor and heart." - Time Magazine, "The 21 Most Anticipated Books of 2021" "Dreamy, other worldly, smart, swoony, thoughtful, hilarious - all in all, exactly what you'd expect from Casey McQuiston!" - Jasmine Guillory, New York Times bestselling author of The Proposal and Party for Two

Sydney West enjoys sampling summer boys, but this year, one refuses to be a one-night stand... Twenty-one-year-old Sydney doesn't believe in relationships. Her parents' toxic divorce has taught her love is nothing but a sinister fairytale. So every summer she parties, hooks up, abandons her lover before dawn, and repeats. That is until she meets gorgeous local surfer Jason King at the beach... When Jason fails to flirt-or even give her a second glance-she decides something must be wrong with him, and it's safer to stay away. But when Sydney and Jason's best friends hook up and become Malibu's hottest couple, they are forced to spend more time together than either of them cares for. Armed with a sharp tongue, Sydney works to keep Jason at bay... In a moment of weakness, Sydney lets her guard down and confides in Jason, realizing he's more than just a hot guy-he's also a friend. And when Sydney's need for a summer boy results in her falling into bed with Jason, despite her better judgment, she runs away from him by morning. The problem is, he won't accept being another one-night stand, and will do anything to prove... Love really does exist.

Designed to empower preachers as they lead congregations to connect their lives to Scripture, Connections features a broad set of interpretive tools that provide commentary and worship aids on the Revised Common Lectionary. This nine-volume series offers creative commentary on each reading in the three-year lectionary cycle by viewing that reading

through the lens of its connections to the rest of Scripture and then seeing the reading through the lenses of culture, film, fiction, ethics, and other aspects of contemporary life. Commentaries on the Psalms make connections to the other readings and to the congregation's experience of worship. This set contains all three volumes for Year A. Connections is published in partnership with Austin Presbyterian Theological Seminary. This eBook set contains Year A, volumes 1, 2, and 3.

Sixteen year old Regan Stone has her life all mapped out. Every choice, from her dual credit classes to the out-of-state university she's selected is deliberate. She even has a no-romance stipulation to avoid dangerous distractions. What Regan didn't anticipate was the sudden change in her best friend, Lane, leaving only glimpses of the boy she grew up with. The bombshell Lane drops on her weeks before he leaves for college compels Reagan to come to terms with her own feelings. This summer may change everything.

What if you had just learned that your days are about to come to an end? Would you quietly accept your destiny, or would you fight this one final battle? And what if the demons of your past disturb the delicate reconciliation you thought you had found? These are the questions facing John Kadel in "If only I could..." a simple story about love. This is not a romance. It is a tale of the true and lasting love each of us dreams about, the undeniable love only some of us find in a lifetime of searching. John Kadel is a stubborn, single old man with a colorful past and questions for which he has no answers. Not long after his doctor hands him a death sentence, John runs into someone from his past. Kyle Blake likes plans. So far, they & rsquo;re pretty simple: Finish her senior year of high school, head off to a good college, find a cute boyfriend, graduate, get a good job, get married, the whole heterosexual shebang. Nothing is going to stand in the way of that plan. Not even Stella Lewis. Stella Lewis also has a plan: Finish her senior year as cheer captain, go to college, finally let herself flirt with (and maybe even date) a girl for the first time and go from there. Fate has other plans for Kyle and Stella when they're paired up in their AP English class and something between them ignites. It's confusing and overwhelming and neither of them know what to do about it. One thing they do know is that their connection can't be ignored. The timing just isn't right. But is there ever a good time for falling in love?
