*The selling, marketing, and business tips you need to succeed eBay is the perfect place to learn the ropes of what it's like running an online business. It provides the tools, technology, and platform a would-be entrepreneur needs to launch their first successful small business. It takes some know-how, however, to get that business off the ground and grow it into a success. In eBay Business All-in-One For Dummies, Marsha Collier shares the expertise she gained as one of eBay's first Power Sellers on how to get ahead, stay ahead, and expand your business onto other platforms when it's time to grow. eBay continues to grow as it connects new individuals with items to sell with would-be buyers every day. ***grow your eBay business. Do you ever wonder how some sellers can grow a strong thriving business, while others barely scrape by? Many times, I've watched two sellers as they are first starting out on eBay. Both sellers offer the exact same products and prices, yet one business skyrockets to the top of the charts selling thousands of items per month. The other business struggles to sell ten or fifteen items per month. They might even have the same basic look to their listings. On the face of it, it doesn't make sense. Why does one eBay seller prosper, while another falls behind? Is it a matter of luck? Does one eBay seller catch all of the breaks, while another is stuck holding doo doo? Believe it or not, many struggling sellers believe this. They think it's all a matter of luck. But, you and I know better. Don't we? Sellers who succeed on eBay play by different rules.***

dollars, no more, no less – Maybe! It's just insane what some of these people are willing to do for five bucks! There's this one guy who dresses up like Jesus and offers to make a Christmas video or a video of anything else you want. Another guy pops a set of Mickey Mouse ears on his balding head and offers to sing Happy Birthday in a depressed tone. And, before I forget, there's a lady who offers to write any message, website, URL, or anything else you want across her boobs or sexy bum and send you pictures. And the fact is they are selling hundreds, sometimes even thousands of

these services. I know what  
you're thinking! How can  
anybody make money, even if  
you do thousands of these  
things, if you only charge five

bucks? The answer is gig extras,  
and good old fashioned tips.

Many sellers hang a new-fangled  
cyber tip jar out there to collect a  
little extra love for a job well  
done. But the real money is in  
the gig extras. Just what are gig  
extras, you ask. Gig extras are  
this hot new idea Fiverr has  
developed that is allowing many  
sellers to consistently turn five  
bucks into fifty or one hundred  
dollars. There is no limit to the  
type of gig that you can offer. If

You're also not going like this book if you're afraid of digging in and getting your hands dirty.

Online selling is a hands-on business. You're the guy (or gal).

You need to be out there every day - sourcing new products, listing items for sale, packaging and mailing what you've sold.

You need to answer emails around the clock, put out fires (customer service issues), and keep the books. If you're not ready for all of that responsibility, this probably isn't the right book

and grow your eBay business.  
Includes a short section  
discussing the new seller  
standards that eBay will  
begin enforcing on August  
20th, 2014. Grab your copy  
now, and learn how it will  
affect you. Have you ever  
wondered how some sellers  
can grow a strong thriving  
business while others barely  
scrape by? Many times, I've  
watched two sellers as they

are first starting out on eBay. Both sellers offer the exact same products and prices, yet one business skyrockets to the top of the charts selling thousands of items per month. The other business struggles to sell ten or fifteen items per month. They might even have the same basic look to their listings. On the face of it, it doesn't make sense. Why does one eBay seller prosper, while another falls behind? Is it a matter of luck? Does one eBay seller catch all of the breaks, while another is stuck holding doo doo? Believe it or not, many struggling sellers believe this. They

think it's all a matter of  
luck. But, you and I know  
better. Don't we? Sellers  
who succeed on eBay play by  
different rules They don't  
leave anything to chance.

They know that success  
requires a plan. You don't  
just move from Point A to  
Point B. You need to make it  
happen. And, that's what  
this book is all about. It  
gives you a strategy for  
selling on eBay. You will  
learn 1. How to write titles  
that draw buyers into your  
listings and help them find  
what you are selling 2. How  
to take picture that show  
buyers what they need to  
know to say "This is the  
item I'm looking for!" 3.
