I make my living selling on eBay. In this book I tell you exactly how to source your items from thrift stores, yard sales, but especially local public auctions. I'm not going to promise, like many books do, how you can make millions. But I will say this, I earn \$5000/month working 2 1/2 days per week. If you want to work 5 days per week, there is no reason you could not make \$10,000 per month with my system. This is a book written by a real life eBay seller. I will give you real life examples of items I regularly sell on eBay and where you can find them. It's not difficult. I believe anyone can do it. The tips and secrets in this book will show you not only how to do it successfully, but to dominate among other eBay sellers. I go to thrift stores, yard sales and public auctions. There I am surrounded by eBay sellers who are doing exactly what I do, but none of them come even close to the money I make. In this book I will tell you exactly how to get setup, to replicate my system, and make it happen for you. What you will get from this book are real life examples of things that I have bought and sold and the lessons I learned. These lessons will show you how you can excel above other online sellers. Even if you already dabble in online sales, just one piece of advice from my system will justify the price of this book. I hold nothing back. I tell you everything.
