Edna St Vincent Millay (1892 – 1950) was one of the most popular American writers of her generation, and the first woman to win the Pulitzer Prize for Poetry. Thomas Hardy once remarked that America had only two great wonders to show the world: skyscrapers, and the poetry of Edna St Vincent Millay. Poems and Satires restores that wonder to view, while also revealing Millay as a more innovative and versatile talent than she is usually given credit for being. It includes

some of her wickedly funny satires (published under the pseudonym Nancy Boyd, out of print since 1924), as well as her acclaimed play *Aria da Capo*, and reveals her to be not only the defining 'flapper' poet of the 1920s but a crucial voice for the 2020s. The 'fierce and trivial' persona she cultivated in her early lyric poems and sonnets — with their dazzling wit and daring attitudes towards love and sexuality — captured the whirl of bohemian life in New York. In her genre-defying satires, she questioned society's treatment of women and artists in surreal stories and plays, non-fiction and spoof agony aunt letters, and even a *Handmaid's Tale*-esque dystopia disguised as an almanac from the future. A selection of thirty-four poems from the Pulitzer Prize winner, including an

Biography by Carl Van Doren

This unusual book is an appreciation of an aspect in the life of Edna St. Vincent Millay which reflects as much as any other the essence of her nature and her poetry -- her extraordinary relationship with the birds. It was Miss Millay who introduced the author to the indigo bunting,

described by Audubon as a bird that is blue all over, has a sweet, delicate voice, and sings when most other bird voices are still. From their first meeting the indigo bunting became to him the symbol of this poet. Though he knew the poet only in her later years, there developed a mutual understanding rarely achieved in a lifetime association. Vincent Sheean was one of the few people ever allowed to visit the room at the top of the stairs where Miss Millay kept her

books. It was here that, inadvertently, he saw her bird diary with its revealing entries -- excerpts of which are included. Few people knew Miss Millay well; she was more in communication with nature than with human beings. But Mr. Sheean saw her in a range of moods: one rainy week end, quoting other poets she had memorized, or talking of Shelley and Keats, or discussing the habits of the scarlet tanager; on another occasion silent, withdrawn and seemingly frightened in a period of

poems are all related to mythology, folklore, or legend, and include the titular poem "The Wood's Edge". Celebrated for their lyrical beauty, Millay's poems are infused with fiery romance and the youthful spirit that would become a characteristic of her writing. A noted biographer and poet illuminates the unique woman who wrote the greatest American love poetry of the twentieth century What Lips My Lips Have Kissed is the story of a rare sort of American genius, who grew up in

grinding poverty in Camden, Maine. Nothing could save the sensitive child but her talent for words, music and drama, and an inexorable desire to be loved. When she was twenty, her poetry would make her famous; at thirty she would be loved by readers the world over.

Edna St. Vincent Millay was widely considered to be the most seductive woman of her age. Few men could resist her, and many women also fell under her spell. From the publication of her first poems until the scandal over Fatal Interview twenty

years later, gossip about the poet's liberated lifestyle prompted speculation about who might be the real subject of her verses. Using letters, diaries and journals of the poet and her lovers that have only recently become available, Daniel Mark Epstein tells the astonishing story of the life, dedicated to art and love, that inspired the sublime lyrics of Edna St. Vincent Millay.

boundaries within the literary canon for its lyrical expression of female embodiment and progressive feminist politics, and she was honored as only the third woman to be awarded the Pulitzer Prize for Poetry. The Selected Poetry of Edna St. Vincent Millay demonstrates Millay's legacy and influence on contemporary poetry. Sometimes satirical, often sharp, and always striking, the poems in this collection span Millay's remarkable career, from the success of *Renaissance and Other Poems* to the sting of *A Few Figs from Thistles*, and *Second April*, as well as "The Ballad of the Harp-Weaver" and eight sonnets from the early twenties. Edna St. Vincent Millay (February 22, 1892 - October 19, 1950) was an American lyrical poet and playwright. Encouraged to read the classics at home, she was too rebellious to make a success of formal education, but she won poetry prizes from an early age, including the Pulitzer Prize in 1923, and went on to use verse as a medium

for her feminist activism. She also wrote verse-dramas and a highly-praised opera *The King's Henchman*. Her novels appeared under the name Nancy Boyd, and she refused lucrative offers to publish them under her own name. Millay was a prominent social figure of New York City's Greenwich Village, just as it was becoming known as a bohemian writer's colony.

More than sixty years after her death, the Pulitzer Prizewinning poet Edna St. Vincent Millay continues to captivate new generations of readers. The twentieth-century American author was catapulted to fame after the publication of *Renascence*, her first major work and a poem written while she was still a teenager. Millays frank attitude toward sexuality along with immortal

lines such as "My candle burns at both ends" solidified her reputation as the quintessential liberated woman of the Jazz Age. In this authoritative volume, Timothy F. Jackson has compiled and annotated a new selection that represents the full range of her published work alongside previously unpublished manuscript excerpts, poems, prose, and correspondence. The poems, appearing as they were printed in their first editions, are complemented by Jacksons extensive, illuminating notes, which draw on archival sources and help situate her work in its

historical and literary context.

Two introductory essays one by Jackson and the other by Millays literary executor, Holly Peppe also help critically frame the poets work.

Figs from Thistles (1922), featuring such well-known poems as "First Fig," "Recuerdo," "The Philosopher," more. Praised by poets and critics ranging from A. E. Housman and Thomas Hardy to Edmund Wilson, Edna St. Vincent Millay's bold, exquisite poems take their place among the enduring verse of the twentieth century. Claiming a lyric tradition stretching back to Sappho and Catullus and making it very much her own, Millay won over her contemporaries—and readers ever since—with her passion, erotic candor, formal elegance, and often mischievous wit. J. D. McClatchy's introduction and selections offer new and surprising insights into Millay's achievement. Included are her most beloved and justly admired poems, such as the wry bohemian anthem "Recuerdo" and the sonnet sequence Fatal Interview, the poetic record of a love affair that is

Millay

The Poet and His Book

One of America's best-loved poets, Edna St. Vincent Millay (1892-1950) burst onto the literary scene at a very young age and won the Pulitzer Prize for Poetry in 1923. Her passionate lyrics and

superbly crafted sonnets have thrilled generations of readers long after the notoriously bohemian lifestyle she led in Greenwich Village in the 1920s ceased to shock them. Millay's refreshing frankness and cynicism and her ardent appetite for life still burn brightly on the page more than half a century after her death. Edna St. Vincent Millay (1892-1950), winner in 1923 of the second annual Pulitzer Prize for Poetry, was a daring, versatile writer whose work includes plays, essays, short

stories, songs, and the libretto to an opera that premiered at New York's Metropolitan Opera House to rave reviews. Millay infused new life into traditional poetic forms, bringing new hope to a generation of youth disillusioned by the political and social upheaval of the First World War. She ventured fearlessly beyond familiar poetic subjects to tackle political injustice, social discrimination, and women's sexuality in her poems and prose. In the 1920s and '30s, Millay was

considered a spokesperson for personal freedom in America, particularly for women, and we turn to her lines to illuminate the social history of the period and the Bohemian lifestyle she and her friends enjoyed. Yet Millay's poetry is still decisively modern in its message, and it continues to resonate with readers facing personal and moral issues that defy the test of time: romantic love, loss, betrayal, compassion for one another, social equality, patriotism, and the stewardship of the

natural world. Collected Poems features Millay's incisive and impassioned lyric poetry and sonnets, many of which are considered among the finest in the language, as well as the poet's last volume, *Mine the Harvest*, compiled and published in 1956 by her sister Norma Millay.

Thirty years after the smashing success of *Zelda*, Nancy Milford returns with a stunning second act. *Savage Beauty* is the portrait of a passionate, fearless woman who obsessed American ever as

she tormented herself. If F. Scott Fitzgerald was the hero of the Jazz Age, Edna St. Vincent Millay, as flamboyant in her love affairs as she was in her art, was its heroine. The first woman ever to win the Pulitzer Prize, Millay was dazzling in the performance of herself. Her voice was likened to an instrument of seduction and her impact on crowds, and on men, was legendary. Yet beneath her studied act, all was not well. Milford calls her book "a family romance"—for the love between the three

Millay sisters and their mother was so deep as to be dangerous. As a family, they were like real-life Little Women, with a touch of Mommie Dearest. Nancy Milford was given exclusive access to Millay's papers, and what she found was an extraordinary treasure. Boxes and boxes of letter flew back and forth among the three sisters and their mother—and Millay kept the most intimate diary, one whose ruthless honesty brings to mind Sylvia Plath. Written with passion and flair, Savage
