From A to Z, top to bottom and left to right. Poems, ramblings and pieces, written from experience and imagination. Real life witnessed through the eyes of one person, one writer, one soul. Memories that were forgotten, broken relationships of the past and true love of the present and future. Misguided steps taken through the hard and dark times and shots of strength both large and small. Off the wall creations of fiction inside unreal worlds of fantasy and horrors hidden within frightful darkness. Fragments of humor peppered with a mix of light and dark undertones. From Z to A, bottom to top and right to left. Pieces, ramblings and poems. Cover to cover, there's never a dull moment.
