DODI 1400.25 Civilian Personnel Management - This book is Volume 1 of 4. This information was updated 8/22/2018. Buy the paperback from Amazon, get Kindle eBook FREE using Amazon MATCHBOOK. go to www.usgovpub.com to learn how.Volume 1. Chapter 100 to 805 Volume 2. Chapter 810 to 1406 Volume 3. Chapter 1407 to 1800 Volume 4. Chapter 2001 to 3007 (DCIPS) The purpose of the overall Instruction is to establish and implement policy, establish uniform DoD-wide procedures, provide guidelines and model programs, delegate authority, and assign responsibilities regarding civilian personnel management within the Department of Defense. Why buy a book you can download for free? We print this book so you don't have to. First you gotta find a good clean (legible) copy and make sure it's the latest version (not always easy). Some documents found on the web are missing some pages or the image quality is so poor, they are difficult to read. We look over each document carefully and replace poor quality images by going back to the original source document. We proof each document to make sure it's all there - including all changes. If you find a good copy, you could print it using a network printer you share with 100 other people (typically its either out of paper or toner). If it's just a 10-page document, no problem, but if it's 250-pages, you will need to punch 3 holes in all those pages and put it in a 3-ring binder. Takes at least an hour. It's much more cost-effective to just order the latest version from Amazon.com This book includes original commentary which is copyright material. Note that government documents are in the public domain. We print these large documents as a service so you don't have to. The books are compact, tightly-bound, full-size (8 1/2 by 11 inches), with large text and glossy covers. 4th Watch Publishing Co. is a SDVOSB. www.usgovpub.com

This volume in The SAGE Reference Series on Disability explores issues facing people with disabilities in employment and the work environment. It is one of eight volumes in the cross-disciplinary and issues-based series, which incorporates links from varied fields making up Disability Studies as volumes examine topics central to the lives of individuals with disabilities and their families. With a balance of history, theory, research, and application, specialists set out the findings and implications of research and practice for others whose current or future work involves the care and/or study of those with disabilities, as well as for the disabled themselves. The presentational style (concise and engaging) emphasizes accessibility. Taken individually, each volume sets out the fundamentals of the topic it addresses, accompanied by compiled data and statistics, recommended further readings, a guide to organizations and associations, and other annotated resources, thus providing the ideal introductory platform and gateway for further study. Taken together, the series represents both a survey of major disability issues and a guide to new directions and trends and contemporary resources in the field as a whole.

The Federal Relations Authority (FLRA) is an independent administrative federal agency created by Title VII of the Civil Service Reform Act of 1978 (also known as the Federal Service Labor-Management Relations Statute) (the Statute). Pub. L. 95-454, 5 U.S.C. §7101 et seq. The Statute allows certain non-postal federal employees to organize, bargain collectively, and participate through labor organizations of their choice in decisions affecting their working lives. The Postal Reorganization Act (Pub. L. 91-375, Aug. 12, 1970) governs labor-management relations in the Postal Service. The Authority is a quasi-judicial body with three full-time Members who are appointed for five-year terms by the President with the advice and consent of the Senate. One Member is appointed by the President to serve as Chairman of the Authority and as the Chief Executive and Administrative Officer of the FLRA. The Chairman also chairs the Foreign Service Labor Relations Board. The Authority adjudicates unfair labor practices disputes, issues raised by representation petitions, exceptions to grievance arbitration awards, and resolves negotiability disputesraised by the parties during collective bargaining. Consistent with its statutory charge to provide leadership in establishing policies and guidance to participants in the Federal labor-management relations program, the Authority also assists Federal agencies and unions in understanding their rights and responsibilities under the Statute through statutory training of parties. Publishing decisions in bound volumes is yet another way in which the FLRA makes Authority case law available to its customers. Authority decisions, decisions of the Federal Service Impasses Panel, and decisions of the Office of Administrative Law Judges are also available – and searchable – soon after issuance on the FLRA's decisions page at: www.flra.gov/decisions. As the FLRA's website provides current, up-to-date access to decisions, and the FLRA continues to publish decisions in bound volumes, it no longer issues Reports of Case Decisions.

The Handbook of Mediation gathers leading experts across fields related to peace, justice, human rights, and conflict resolution to explore ways that mediation can be applied to a range of spectrums, including new age settings, relationships, organizations, institutions, communities, environmental conflicts, and intercultural and international conflicts. The text is informed by cogent theory, state-of-the-art research, and best practices to provide the reader with a well-rounded understanding of mediation practice in contemporary times. Based on four signature themes—contexts; skills and competencies; applications; and recommendations—the handbook provides theoretical, applicable, and practical insight into a variety of key approaches to mediation. Authors consider modern conflict on a local and global scale, emphasizing the importance of identifying effective strategies, foundations, and methods to shape the nature of a mediation mindfully and effectively. With a variety of interdisciplinary perspectives, the text complements the development of the reader's competencies and understanding of mediation in order to contribute to the advancement of the mediation field. With a conversational tone that will welcome readers, this comprehensive book is essential reading for students and professionals wanting to learn a wide range of potential interventions for conflict.
