such as No Country for Old Men, There Will Be Blood, True Grit, and Cowboys & Aliens. The authors provide fresh perspectives on landmark films such Stagecoach, Red River, The Searchers, The Man Who Shot Liberty Valance, and The Wild Bunch, and they also pay tribute to many underappreciated Westerns including 3 Bad Men, The Wind, The Big Trail, Ruggles of Red Gap, Northwest Passage, The Westerner, The Furies, Jubal, and Comanche Station. The book explores major phases of the Western's development--silent era oaters, A-production classics of the 1930s and early 1940s, and the more psychologically complex

presentations of the Westerner that emerged in the post-World War II period.. They examine various forms of genre-revival and genre-revisionism that have recurred over the past half-century, culminating especially in the masterworks of Clint Eastwood. Central themes of the book include the inner life of the Western hero, the importance of the natural landscape, the tension between myth and history, the depiction of the Native American, and the juxtaposing of comedy and tragedy"--Provided by publisher.

understood when it is examined in the context of a more local social and literary history. Focusing principally on the novel, it sets modernist works alongside non-modernist and popular forms, looking at the engagement of these texts with social concerns, including sexuality, gender and class politics, Englishness, empire and the cultural pessimism which informed the formation of English as a modern University subject. The book includes studies of D. H. Lawrence, Virginia Woolf and E. M. Forster as well as Rebecca West, Wyndham Lewis, Aldous Huxley and Sylvia Townsend Warner. Key Features: \*The texts and authors covered in the book coincide with what is taught on popular option courses, e.g. Modernism; C20th Fiction; D H Lawrence; Virginia Woolf \*Ranges across modernist, realist and popular forms of literature \*New approaches to the classic works of the period \*Covers current

While growing up on the island of Puca Luca, Ionnia Dunn-Ryte witnessed much more than most girls her age. After seeing her mother suffer at the hands of a drunken abuser who labels Ionnia, his only daughter, a mistake, she decides to make a difference and dedicate her life to being an architect of positive change by liberating women from emotional, financial, and physical abuse. As she matures into a woman and attains professional success, Ionnia, who

exhibits all the traits of a lioness, will stop at nothing to protect the helpless. After she overcomes several obstacles and acquires an abandoned island she transforms into a safe haven where women can reside to rejuvenate, find confidence, and embrace a happy and independent existence, Ionnia begins instilling hope into wounded women by guiding them across a bridge to realize there is a better life waiting for them. As she works tirelessly, what happens next is nothing short of a miracle. In this poignant tale, an abuse survivor pursues her passion of helping wounded women by purchasing an island and turning it into a safe haven powered by love, belief in self, and hope.

When did fairy tales begin? What qualifies as a fairy tale? Is a true fairy tale oral or literary? Or is a fairy tale determined not

by style but by content? To answer these and other questions, Jan M. Ziolkowski not only provides a comprehensive overview of the theoretical debates about fairy tale origins but includes an extensive discussion of the relationship of the fairy tale to both the written and oral sources. Ziolkowski offers interpretations of a sampling of the tales in order to sketch the complex connections that existed in the Middle Ages between oral folktales and their written equivalents, the variety of uses to which the writers applied the stories, and the diverse relationships between the medieval texts and the expressions of the same tales in the "classic" fairy tale collections of the nineteenth century. In so doing, Ziolkowski explores stories that survive in both versions associated with, on the one hand, such standards of

the nineteenth-century fairy tale as the Brothers Grimm, Hans Christian Andersen, and Carlo Collodi and, on the other, medieval Latin, demonstrating that the literary fairy tale owes a great debt to the Latin literature of the medieval period. Jan M. Ziolkowski is the Arthur Kingsley Porter Professor of Medieval Latin at Harvard University.

English butlers are a league of their own. More prude than their masters and more steeped in conventions of the English customs, they can get a shock of their lives, if only they could come to America. Something similar happens to our hero, Ruggles, who is staked by his owner in a game of cards and handed over to an American couple. What happens next is a riot of colors and experiences. So, come along on this comedy of situations with our hero who is trying to figure out

Egbert rougit/Egbert wordt rood

Egberto arrossisce/Egbert wordt rood

*Ma Pettengill is a collection of humorous stories by Harry Leon Wilson. These tales are sharply observed and tremendously amusing yet narrated with a cynical gentleness through the eyes of Ma Pettengill herself.*

*Myer Ronis is a law-abiding citizen, a lover of poetry and peace, a man of duty who respects his sister and is polite to his brother-in-law and loves his mother. Can this same Myer Ronis be the hired killer, the merciless butcher of untold*

*victims? Can Myer Ronis be the Assassin? The Assassin travels to Los Angeles to make a hit, in other words, to fill some person with lead jujubes. The West Coast mob tries to stop him. They send Bogar, who eliminates people for practice, but the Assassin turns even him into goulash. They send a helicopter, with twelve gunmen and thirty-four cases of nitroglycerine, but after the bang there is no helicopter and no gunmen. They send sixty top guns to meet him in Los Angeles, but somehow he walks right through them. Can a good boy like Myer Ronis be this Assassin? And if he isn't, who is?*
