

El Invierno Del Mundo Ken Follett

Sigue las experiencias de cinco familias internacionales entrelazados, ya que se enfrentan a la crisis social, política y económica de la segunda mitad del siglo XX. Ken Follett's extraordinary historical epic, the *Century Trilogy*, reaches its sweeping, passionate conclusion. In *Fall of Giants* and *Winter of the World*, Ken Follett followed the fortunes of five international families—American, German, Russian, English, and Welsh—as they made their way through the twentieth century. Now they come to one of the most tumultuous eras of all: the 1960s through the 1980s, from civil rights, assassinations, mass political movements, and Vietnam to the Berlin Wall, the Cuban Missile Crisis, presidential impeachment, revolution—and rock and roll. East German teacher Rebecca Hoffmann discovers she's been spied on by the Stasi for years and commits an impulsive act that will affect her family for the rest of their lives. . . . George Jakes, the child of a mixed-race couple, bypasses a corporate law career to join Robert F. Kennedy's Justice Department and finds himself in the middle of not only the seminal events of the civil rights battle but a much more personal battle of his own. . . . Cameron Dewar, the grandson of a senator, jumps at the chance to do some official and unofficial espionage for a cause he believes in, only to discover that the world is a much more dangerous place than he'd imagined. . . . Dimka Dvorkin, a young aide to Nikita Khrushchev, becomes an agent both for good and for ill as the United States and the Soviet Union race to the brink of nuclear war, while his twin sister, Tanya, carves out a role that will take her from Moscow to Cuba to Prague to Warsaw—and into history.

A masterful blend of Christian scholarship and thrilling adventure, *The Last Cato* is a novel about the race to find the secret location of the Vera Cruz, the True Cross on which Christ was crucified, and the ancient brotherhood sworn to protect it. Holy relics are disappearing from sacred spots around the world—and the Vatican will do whatever it takes to stop the thieves from stealing what is left of the scattered splinters of the True Cross. Brilliant paleographer Dr. Ottavia Salina is called upon by the highest levels of the Roman Catholic Church to decipher the scars found on an Ethiopian man's corpse: seven crosses and seven Greek letters. The markings, symbolizing the Seven Deadly Sins, are part of an elaborate initiation ritual for the Stauropylites, the clandestine brotherhood hiding the True Cross for centuries, headed by a secretive figure called Cato. With the help of a member of the Swiss Guard and a renowned archaeologist, Dr. Salina uncovers the connection between the brotherhood and Dante's Divine Comedy, and races across the globe to Christianity's ancient capitals. Together, they will face challenges that will put their faith—and their very lives—to the ultimate test.

Los hijos de las cinco familias protagonistas de *La caída de los gigantes* forjarán su destino en los años turbulentos de la Segunda Guerra Mundial, la guerra civil española, el bombardeo de Pearl Harbor y la era de la bomba atómica. Segundo volumen de la trilogía «The Century» En el año 1933, Berlín es un foco de agitación política y social. Lady Maud, ahora la esposa de Walter von Ulrich y madre de dos hijos, publica en una revista semanal artículos que ridiculizan al Partido Nazi, mientras que Walter manifiesta su oposición en el Parlamento. Sin embargo, parece que nada podrá frenar el poder ascendente del canciller Adolf Hitler. Cuando Ethel Williams y su hijo Lloyd visitan a la familia von Ulrich, todos serán testigos de la tiranía y la represión de la nueva Alemania. El dominio del Tercer Reich se extenderá hasta Francia y más allá de la frontera rusa. Mientras, en Inglaterra, Lloyd Williams, activista político como su madre, luchará en el ejército británico para intentar frenar el avance de los nazis y se alistará en las brigadas internacionales durante la guerra civil española. Participará en la ofensiva de Zaragoza y la batalla de Belchite. En Ty Gwyn, la mansión familia de los Fitzherbert en Gales, se alojarán los oficiales británicos y, durante su estancia, el teniente Lloyd Williams se sentirá atraído por la mujer de Boy Fitzherbert, la rica heredera americana Daisy Peshkov. «La trilogía "The Century" es la historia de mis abuelos y de los vuestros, de nuestros padres y de nuestras propias vidas. De alguna forma es la historia de todos nosotros.» Ken Follett La crítica ha dicho... «La saga atrapa y la intensidad de los personajes te sumerge en el relato. Un trabajo de plena coherencia, cohesión y pulcritud.» Ramón Ventura, El Periódico de Catalunya «Un melodrama épico y generacional en el que se pone de manifiesto lo mejor y lo peor del ser humano.» La Razón

"Vintage Follett . . . This is his most ambitious novel and it succeeds admirably." —USA Today Ellis, the American. Jean-Pierre, the Frenchman. They were two men on opposite sides of the Cold War, with a woman torn between them. Together, they formed a triangle of passion and deception, racing from terrorist bombs in Paris to the violence and intrigue of Afghanistan—to the moment of truth and deadly decision for all of them. . . .

From Ken Follett—the #1 name in electrifying international suspense—comes a remarkable novel of intrigue and doomsday possibilities. The world's balance of power is about to shift dangerously as the ultimate weapon nears completion in a secret facility in the heart of the desert. Across the globe, operatives from the great nations set a deadly game in motion, covertly maneuvering pawns and kings to achieve a frightening advantage—while terrorists and their hunters prepare for the contest's final, bloody moves. And one man—a razor-sharp master of disguise, deceit, and triple-cross—must somehow do the impossible: steal 200 tons of uranium without any of the other players discovering the theft. The clock is ticking. And the price of failure is Apocalypse.

Sylvie Patterson joins scientist Adrian Keller and former flame Gabe on a quest to introduce people to lucid dreaming, but a mysterious couple inspire Sylvie to question the ethics of their work while she grapples with the shifting boundaries of reality.

#1 New York Times Bestseller “Absorbing . . . impossible to resist.” —The Washington Post As Europe erupts, can one young spy protect his queen? Ken Follett takes us deep into the treacherous world of powerful monarchs, intrigue, murder, and treason with his magnificent epic, *A Column of Fire*—the chronological latest in the Kingsbridge series, following *The Pillars of the Earth*, *World Without End*, and the prequel, *The Evening and the Morning*. In 1558, the ancient stones of Kingsbridge Cathedral look down on a city torn apart by religious conflict. As power in England shifts precariously between Catholics and Protestants, royalty and commoners clash, testing friendship, loyalty, and love. Ned Willard wants nothing more than to marry Margery Fitzgerald. But when the lovers find themselves on opposing sides of the religious conflict dividing the country, Ned goes to work for Princess Elizabeth. When she becomes queen, all Europe turns against England. The shrewd, determined young monarch sets up the country's first secret service to give her early warning of assassination plots, rebellions, and invasion plans. Over a turbulent half century, the love between Ned and Margery seems doomed as extremism sparks violence from Edinburgh to Geneva. Elizabeth clings to her throne and her principles, protected by a small, dedicated group of resourceful spies and courageous secret agents. The real enemies, then as now, are not the rival religions. The true battle pitches those who believe in tolerance and compromise against the tyrants who would impose their ideas on everyone else—no matter what the cost. Exciting and ambitious, and set during one of the most turbulent and revolutionary times in history, *A Column of Fire* will delight longtime fans of the Kingsbridge series and serve as the perfect introduction for readers new to Ken Follett.

Narrated with warmth, humor, exceptional candor and wisdom, *The Sum of Our Days* is a portrait of a contemporary family, tied together by the love, strong will, and stubborn determination of a beloved matriarch, the indomitable New York Times bestselling author of *The House of the Spirits*, Isabel Allende. “An inspiring and thought-provoking work.” —Denver Post Isabel Allende reconstructs the painful reality of her own life in the wake of the tragic death of her daughter, Paula. Narrated with warmth, humor, exceptional candor, and wisdom, this remarkable memoir is as exuberant and as full of life as its creator. Allende bares her soul while sharing her thoughts on love, marriage, motherhood, spirituality and religion, infidelity, addiction, and memory—and recounts stories of the wildly eccentric, strong-minded, and eclectic tribe she gathers around her and lovingly embraces as a new kind of family.

La saga de *Los pilares de la Tierra* y *Un mundo sin fin*, que ha cautivado a millones de lectores, prosigue ahora con la magnífica y apasionante nueva novela de Ken Follett. Uno de los mejores thrillers del año 2017 según Amazon y uno de los mejores libros publicados en 2017 para The Washington Post y Barnes & Noble. Una columna de fuego arranca cuando el joven Ned Willard regresa a su hogar en Kingsbridge por Navidad. Corre el año 1558, un año que trastocará la vida de Ned y que cambiará Europa para siempre. Las antiguas piedras de la catedral de Kingsbridge contemplan una ciudad dividida por el odio religioso. Los principios elevados chocan con la amistad, la lealtad y el amor, y provocan derramamientos de sangre. Ned se encuentra de pronto en el bando contrario al de la muchacha con quien anhela casarse, Margery Fitzgerald. Cuando Isabel I llega al trono, toda Europa se vuelve en contra de Inglaterra. La joven monarca, astuta y decidida, organiza el primer servicio secreto del país para estar avisada ante cualquier indicio de intrigas homicidas, levantamientos o planes de invasión. En París, a la espera, se encuentra la seductora y obstinada María Estuardo, reina de los escoceses, en el seno de una familia francesa con una ambición descomunal. Proclamada legítima soberana de Inglaterra, María cuenta con sus propios partidarios, que conspiran para deshacerse de Isabel. Entretanto, Ned Willard busca a Jean Langlais, un personaje escurridizo y enigmático, sin saber que tras ese nombre falso se esconde un compañero de clase de su infancia, alguien que lo conoce demasiado bien. A lo largo de medio siglo turbulento, el amor entre Ned y Margery parece condenado al fracaso mientras el extremismo hace estallar la violencia desde Edimburgo hasta Ginebra. Isabel se aferra precariamente a su trono y a sus principios, protegida por un pequeño y entregado grupo de espías hábiles y agentes secretos valerosos. Los auténticos enemigos, tanto entonces como ahora, no son las religiones rivales. La verdadera batalla es la que enfrenta a quienes creen en la tolerancia y el acuerdo contra tiranos dispuestos a imponer sus ideas a todo el mundo... y a cualquier precio. Descubre la Saga Los pilares de la tierra: Las tinieblas y el alba Los pilares de la tierra Un mundo sin fin Una columna de fuego Reseñas... «Lo he leído en un fin de semana largo, me lo pasé como un enano y sigo envidiando como el primer día la capacidad de Follett para entretenerte. Sus tramas funcionan siempre y te mantienen pegado a cada página.» Juan Gómez Jurado, ABC «Una columna de fuego, muy en resumen, coge la melodía de Guerra y paz y la lleva a las guerras de religión del siglo XVI. A veces tiende a novela de espías y otras se convierte en una novela romántica. Y todo eso, en 935 páginas.» El Mundo «Ken Follett arrasa con cada libro. Lo hará de nuevo con Una columna de fuego, novelón de casi mil páginas que prosigue la saga que comenzó con Los pilares de la Tierra, el libro más leído en España.» La Verdad «Amor, violencia, pasión y una dosis justa de sexo - marca de la casa - hacen de esta propuesta un pasatiempo perfecto para las tardes-noches del otoño. Una columna de fuego es la énésima confirmación de que el universo Follett parece no tener límites.» El Correo Web «Follett es sinónimo de literatura en estado de ebullición, narración impecable y personajes que, definidos con los trazos justos, crean la sensación de vivir en una época histórica sugerida con maestría y sencillez. Esa es la virtud de este escritor: crear mundos sugerentes y personajes vívidos, y hacerlo con la naturalidad y la precisión de los grandes escritores de literatura popular.» La Razón

“En esta magnífica novela épica, Ken Follett conduce al lector a través de una Europa en ruinas, quebrada de nuevo por las guerras y los conflictos ideológicos. Los hijos de las cinco familias protagonistas de ‘La Caida de los Gigantes’ forjan su destino en los años turbulentos de la Segunda Guerra Mundial, la guerra civil española, el bombardeo de Pearl Harbor y la era de la bomba atómica.” --p.[4] of cover.

NATIONAL BESTSELLER • A coming-of-age classic, acclaimed by critics, beloved by readers of all ages, taught in schools and universities alike, and translated around the world—from the winner of the 2019 PEN/Nabokov Award for Achievement in International Literature. The House on Mango Street is the remarkable story of Esperanza Cordero, a young Latina girl growing up in Chicago, inventing for herself who and what she will become. Told in a series of vignettes—sometimes heartbreaking, sometimes deeply joyous—Sandra Cisneros' masterpiece is a classic story of childhood and self-discovery. Few other books in our time have touched so many readers. “Cisneros draws on her rich [Latino] heritage ... and seduces with precise, spare prose, creat[ing] unforgettable characters we want to lift off the page. She is not only a gifted writer, but an absolutely essential one.” —The New York Times Book Review

Ken Follett's magnificent historical epic begins as five interrelated families move through the momentous dramas of the First World War, the Russian Revolution, and the struggle for women's suffrage. A thirteen-year-old Welsh boy enters a man's world in the mining pits. . . . An American law student rejected in love finds a surprising new career in Woodrow Wilson's White House. . . . A housekeeper for the aristocratic Fitzherberts takes a fateful step above her station, while Lady Maud Fitzherbert herself crosses deep into forbidden territory when she falls in love with a German spy. . . . And two orphaned Russian brothers embark on radically different paths when their plan to emigrate to America falls afoul of war, conscription, and revolution. From the dirt and danger of a coal mine to the glittering chandeliers of a palace, from the corridors of power to the bedrooms of the mighty, Fall of Giants takes us into the inextricably entangled fates of five families—and into a century that we thought we knew, but that now will never seem the same again. . . .

Un thriller sorprendente sobre la historia de un hombre que tiene 36 horas para ganar la carrera espacial. Un hombre se despierta aterrizado: sufre una especie de resaca y no tiene la menor idea ni de quién es ni de cuándo ha llegado hasta estos inmundos baños públicos.

Cuando encuentra un periódico descubre que es el 29 de enero de 1958, y la noticia del da es el tercer intento de lanzar el Explorador, el primer satélite espacial estadounidense. Si el lanzamiento resulta fallido una vez más, la URSS dominará la carrera espacial en el futuro inmediato. Luke se pone en marcha para averiguar su identidad, y comprende que su difícil situación tiene mucho que ver con las relaciones que trabaja a través de la Universidad de Harvard, donde forma parte de un grupo de dos hombres y dos mujeres, unidos sentimentalmente entre sí pero situados sin saberlo en bandos opuestos del teatro político de la guerra fría. Las relaciones de amor y odio entre los cuatro protagonistas durante sus años de juventud determinan sus decisiones y acciones en un duelo a vida o muerte, mientras la cuenta atrás en Cabo Cañaveral ya ha empezado. Reseña: Ken Follett convierte en oro todo lo que escribe. El umbral de la eternidad cierra esta gran trilogía y la crónica de un siglo turbulento. En ella vivimos la historia íntima y personal de tres generaciones de cinco familias cuyas vidas estuvieron marcadas por dos guerras mundiales, la Revolución rusa, la Guerra Civil española y la Guerra Fría, junto con los profundos cambios sociales que las acompañaron. Tercer volumen de la trilogía «The Century» En el año 1961 Rebecca Hoffmann, profesora en Alemania del Este y nieta de Lady Maud, descubrirá que la policía secreta está vigilándola. Mientras, su hermano menor, Walli, sueña con huir a Occidente para convertirse en músico del rock. Por otro lado, Georges Jakes, un joven abogado que trabaja con los hermanos Kennedy, es un activista del movimiento por los derechos civiles de los negros en Estados Unidos que participará en las protestas de los estados del Sur y en la marcha sobre Washington liderada por Martin Luther King. En Rusia las inclinaciones políticas enfrentan a los hermanos Tania y Dimka Dvorkin. Este se convierte en una de las jóvenes promesas del Kremlin mientras su hermana entrará a formar parte de un grupo activista que promueve la insurrección. A través de escenas impactantes y protagonistas fascinantes, Ken Follett nos presenta un mundo que pensábamos conocer pero que nunca más nos parecerá lo mismo. «La trilogía "The Century" es la historia de mis abuelos y de los vuestros, de nuestros padres y de nuestras propias vidas. «You shall not kill, son, you shall not kill, because no man can be the same after taking another man's life.» Fernando, a young literary editor and the son of a persecuted Spanish Republican, decides to flee a Spain battered by the Civil War. His friends, Catalina and Eulogio, escaping their own circumstances, join him in the adventure. The three young friends live a great story of unwavering friendship and loyalty which takes them on a journey through Second World War Alexandria, occupied Paris, Lisbon, Prague, Boston and Chile. An ode to friendship Fernando, Catalina and Eulogio have grown together in a Madrid neighborhood close to the Encarnación convent. The Spanish Civil War has just ended and the young trio try to recover from the impact it had on their lives and those of their families. Fernando lives with his mother, Isabel, awaiting his father's liberation -incarcerated because of his Republican ideals-, hoping for an absolution that never arrives. Catalina lives on the same street. Her family has come to ruins during the Civil War and in order to confront their debts, her father plans to marry her to a man she despises. Eulogio is the one whose war losses are greatest. His father died in combat and he himself returned from war a cripple after a heroic act which saved Marvin's life, a young American who arrived in Spain in 1936 to study literature, and when war broke, decided to stay and portray the pain of conflict in a celebrated poem anthology. The future's perspectives look grimmer each day for the three friends. They decide to unite their destinies and embark on a new life away from Madrid to save the little that they have left.

Eco-terrorists are on the loose in California, and they intend to set off the biggest earthquake in the state's history to prove a point, unless FBI agent Judy Maddox can stop them. Reprint.

A Column of Fire

A missing canister containing a deadly virus forms the center of a storm that traps Stanley Owenford, director of a medical research firm, and a violent trio of thugs in a remote house during a Christmas Eve blizzard. Reprint. New York Times Bestseller The new must-read epic from master storyteller Ken Follett: more than a thriller, it's an action-packed, globe-spanning drama set in the present day. "A compelling story, and only too realistic." —Lawrence H. Summers, former U.S. Treasury Secretary "Every catastrophe begins with a little problem that doesn't get fixed." So says Pauline Green, president of the United States, in Follett's nerve-racking drama of international tension. A shrinking oasis in the Sahara Desert; a stolen US Army drone; an uninhabited Japanese island; and one country's secret stash of deadly chemical poisons: all these play roles in a relentlessly escalating crisis. Struggling to prevent the outbreak of world war are a young woman intelligence officer; a spy working undercover with jihadists; a brilliant Chinese spymaster; and Pauline herself, beleaguered by a populist rival for the next president election. Never is an extraordinary novel, full of heroines and villains, false prophets and elite warriors, jaded politicians and opportunistic revolutionaries. It brims with cautionary wisdom for our times, and delivers a visceral, heart-pounding read that transports readers to the brink of the unimaginable.

When the sister who delighted their parents by her faithful embrace of Mexican culture dies in a tragic accident, Julia, who longs to go to college and move into a home of her own, discovers from mutual friends that her sister may not have been as perfect as believed.

"Ken Follett has done it once more . . . goes down with the ease and impact of a well-prepared martini." —New York Times Book Review His name was Feliks. He came to London to commit a murder that would change history. These odds would have stopped any man in the world—except the man from St. Petersburg.

Ken Follett, con su habitual maestría narrativa, ha conseguido una de sus novelas más impactantes. Rodeado de montañas salvajes, el Valle de los Leones es un lugar legendario de Afganistán donde las costumbres y las personas apenas han cambiado con el paso de los siglos. Jane marchó allí con el médico francés Jean-Pierre cuando descubrió que su pareja, Ellis, trabajaba para el servicio de espionaje estadounidense. The Big Needle

Book Two of the Century Trilogy

Success came easily to Chad Carstairs. Then, without warning, evil invaded his pleasure-filled life...a chilling evil that sent him racing from an elegant English country estate to the sleazy clubs of London's West End, from the drug-ridden streets of Marseilles to a farmhouse on the desolate coast of Wales. Driven by revenge, he was a man willing to risk his fortune, his future, and even his life in a desperate gambit to outwit the world's deadliest organization at its own game and finger the powerful men behind... "The Big Needle."

"The wonderful cathedral of Notre-Dame de Paris, one of the greatest achievements of European civilization, was on fire. The sight dazed and disturbed us profoundly. I was on the edge of tears. Something priceless was dying in front of our eyes. The feeling was bewildering, as if the earth was shaking." —Ken Follett "[A] treasure of a book." —The New Yorker In this short, spellbinding book, international bestselling author Ken Follett describes the emotions that gripped him when he learned about the fire that threatened to destroy one of the greatest cathedrals in the world—the Notre-Dame de Paris. Follett then tells the story of the cathedral, from its construction to the role it has played across time and history, and he reveals the influence that the Notre-Dame had upon cathedrals around the world and on the writing of one of Follett's most famous and beloved novels, *The Pillars of the Earth*. His father dead, his sisters kidnapped, a boy with an intuition for horses flees his home and is taken in by a veterinarian during the turbulent years of the Reconquest of medieval Spain. At the border of the Christian kingdom of Castile and the Muslim caliphate of Al-Andalus, a little inn sits on the front lines of the battle for Iberia. When word travels that the most feared fighters of the Muslim world, the Imesebelen, are advancing on Toledo, the innkeeper tells his son, Diego, to flee with his sisters. But Diego refuses to abandon his father. The old man and one of his daughters are slaughtered, and the other two girls are kidnapped. Now there's only one thought on Diego's mind: revenge. On his lightning-fast Arabian mare, Diego makes his way to Toledo. It is the start of a journey that will usher him into manhood and lead him to the dawn of a field of medicine that will change Spain and the world forever.
