Technology &  
Education (ICITED  
2021), to be held at  
the ESPM – Higher  
School of Advertising  
and Marketing, Sao  
Paulo, Brazil, between  
the 15th and the 17th  
of July 2021. The  
book covers a specific  
field of knowledge.  
This intends to cover  
not only two fields of

knowledge –  
Education and  
Technology – but also  
the interaction among  
them and the  
impact/result in the  
job market and  
organizations. It  
covers the research  
and pedagogic  
component of  
Education and  
Information

Technologies but also the connection with society, addressing the three pillars of higher education. The book addresses impact of pandemic on education and use of technology in education. Finally, it also encourages companies to present their professional

cases which is  
discussed. These can  
constitute real  
examples of how  
companies are  
overcoming their  
challenges with the  
uncertainty of the  
market.

science fiction novel  
by English novelist  
George Orwell. It was  
published on 8 June  
1949 by Secker &  
Warburg as Orwell's  
ninth and final book  
completed in his  
lifetime. Thematically,  
"Nineteen Eighty-  
Four" centres on the  
consequences of  
totalitarianism, mass

surveillance, and  
repressive  
regimentation of  
persons and  
behaviours within  
society. Orwell,  
himself a democratic  
socialist, modelled the  
authoritarian  
government in the  
novel after Stalinist  
Russia. More broadly,  
the novel examines

the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical

negationism, and  
propaganda. Great  
Britain, known as  
Airstrip One, has  
become a province of  
a totalitarian  
superstate named  
Oceania that is ruled  
by the Party who  
employ the Thought  
Police to persecute  
individuality and  
independent thinking.

Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of

rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power.

First published in 1976, Paul Johnson's exceptional study of Christianity has been loved and widely

hailed for its intensive research, writing, and magnitude—“a tour de force, one of the most ambitious surveys of the history of Christianity ever attempted and perhaps the most radical” (New York Review of Books). In a highly readable companion to books on faith and

history, the scholar  
and author Johnson  
has illuminated the  
Christian world and its  
fascinating history in a  
way that no other has.  
Johnson takes off in  
the year AD 49 with  
his namesake the  
apostle Paul. Thus  
beginning an  
ambitious quest to  
paint the centuries

since the founding of a little-known 'Jesus Sect', A History of Christianity explores to a great degree the evolution of the Western world. With an unbiased and overall optimistic tone, Johnson traces the fantastic scope of the consequent sects of Christianity and the

people who followed them. Information drawn from extensive and varied sources from around the world makes this history as credible as it is reliable. Invaluable understanding of the framework of modern Christianity—and its trials and tribulations throughout

history—has never before been contained in such a captivating work.

The “brilliantly realized” (The New York Times Book Review) modern classic that coined the term “metaverse”—one of Time’s 100 best English-language novels and “a

foundational text of  
the cyberpunk

In reality, Hiro  
Protagonist delivers

Developing the

Leader Within You is

Dr. Maxwell's first and most enduring leadership book, having sold more than one million copies. In this Christian Leaders Series edition of this Maxwell classic, you will discover the biblical foundation for leadership that John Maxwell has used as a pastor and business leader for more than

forty years. These same principles and practices are available for everyday leaders in every walk of life. It is a lofty calling to lead a group—a family, a church, a nonprofit, a business—and the timeless principles in this book will bring positive change in your life and in the

lives of those around you. You will learn:  
The True Definition of Leader. “Leadership is influence. That’s it. Nothing more; nothing less.” The Traits of Leadership.

“Leadership is not an exclusive club for those who were ‘born with it.’ The traits that are the raw materials of leadership can be

acquired. Link them up with desire, and nothing can keep you from becoming a leader.” The Difference Between Management and Leadership. “Making sure the work is done by others is the accomplishment of a manager. Inspiring others to do better work is the

Presents biblical values about honoring God with the body, mind, and heart"--Provided by publisher.

A Haunting tale of power, corruption, and the complex search for identity  
Conversation in The Cathedral takes place in 1950s Peru during the dictatorship of

Manuel A. Odr í a.

Over beers and a sea of freely spoken words, the conversation flows between two individuals, Santiago and Ambrosia, who talk of their tormented lives and of the overall degradation and frustration that has slowly taken over their town. Through a

complicated web of  
secrets and historical  
references, Mario  
Vargas Llosa  
analyzes the mental  
and moral  
mechanisms that  
govern power and the  
people behind it. More  
than a historic  
analysis,  
Conversation in The

that tackles identity as well as the role of a citizen and how a lack of personal freedom can forever scar a people and a nation. Should women teach men? Should they exercise authority over men? What about ordaining women? Even those who agree that Scripture must

determine our  
answers do not agree  
on what it teaches.  
And too often differing  
sides have not been  
willing to listen to one  
another. Here in ove  
volume are the views  
of four deeply  
committed  
evangelicals that  
focus the discussion  
on the issues. Robert  
Culver argues for

what might be called the traditional view that women should not exercise authority over or teach men. Susan Foh suggests a modified view which would allow for women to teach but not to hold positions of authority. Walter Liefeld presents a case for plural ministry that

questions ordination  
as a means of  
conferring authority.  
Alvera Mickelsen  
defends the full  
equality of men and  
women in the church.  
What makes this book  
especially helpful is  
that the writers all  
respond to the other  
essays, pointing out  
weaknesses and  
hidden assumptions.

The Count of Monte  
Cristo is an adventure  
novel by French

author Alexandre  
Dumas. It is one of  
the author's most  
popular works, along  
with The Three  
Musketeers. Like  
many of his novels, it  
is expanded from plot  
outlines suggested by  
his collaborating  
ghostwriter Auguste  
Maquet. The story  
takes place in France,

Italy and islands in the Mediterranean during the historical events of 1815–1838. It begins from just before the Hundred Days period (when Napoleon returned to power after his exile) and spans through to the reign of Louis-Philippe of France. The historical setting

is a fundamental element of the book. An adventure story primarily concerned with themes of hope, justice, vengeance, mercy and forgiveness, it focuses on a man who is wrongfully imprisoned, escapes from jail, acquires a fortune and sets

about getting revenge on those responsible for his imprisonment. However, his plans have devastating consequences for the innocent as well as the guilty. In addition, it is a story that involves romance, loyalty, betrayal and selfishness, shown

throughout the story as characters slowly reveal their true inner nature. The book is considered a literary classic today.

According to Luc Sante, "The Count of Monte Cristo has become a fixture of Western civilization's literature, as inescapable and

perhaps the greatest

sermon ever  
preached in

America and is  
certainly among the  
most well known.

Owing to its  
forthright dealing  
with God's wrath  
and His intense  
hatred of sin and the  
sinner, it is also one  
of the most

controversial.

Indeed, for more than three-quarters of the sermon Edwards lays down a relentless stream of the most vivid and horrifying descriptions of the danger facing unregenerate men. While it is difficult

to read such graphic language, there is abundant hope in the sermon's

conclusion. Edwards puts it this way,  
"And now you have an extraordinary opportunity, a day wherein Christ has thrown the door of mercy wide open

and stands calling  
and crying with a  
loud voice to poor  
sinners. While those  
who would rather  
ignore God's justice  
in favor of His  
mercy condemn  
Edwards and his  
sermon, those who  
were present and  
actually heard him

preach that day  
reacted in a  
decidedly different  
manner. According  
to the diary of  
Reverend Stephen  
Williams who  
attended the sermon,  
□Before the sermon  
was done there was a  
great moaning and  
crying through the

whole House, "what shall I do to be saved; oh, I am going to hell, etc."

The diary goes on to indicate that Edwards had to interrupt his sermon and come down to minister to those who were under such awful

conviction. And so, in spite of what the scoffers might think or say, "the amazing and astonishing power of God" was manifested among the people that day—with many falling not into the hands of an angry God, but into the
