

## *El Viento En Los Sauces*

*Kenneth Grahame was born on 8 March 1859 in Edinburgh. When he was 5, his mother died from puerperal fever, and his father, who had a drinking problem, gave the care of his four children over to their grandmother, who lived in Cookham Dean in Berkshire. There they lived in a spacious but dilapidated home, The Mount, in extensive grounds by the River Thames, and were introduced to the riverside and boating by their uncle, David Ingles, curate at Cookham Dean church.[2]At Christmas 1865 the chimney of the house collapsed and the children moved to Fern Hill Cottage in Cranbourne, Berkshire. In 1866, their father tried to overcome his drinking problem and took the children back to live with him in Argyll, Scotland, but after a year they returned to their grandmother's house in Cranbourne, where Kenneth lived until he entered St Edward's School, Oxford in 1868.[3] During his early years at St. Edwards the boys were free to explore the old city with its quaint shops, historic buildings, and cobbled streets, St Giles' Fair, the idyllic upper reaches of the River Thames, and the nearby countryside.[4]Grahame married Elspeth Thomson, the daughter of Robert William Thomson in 1899, when he was 40; the next year they had their only child, a boy named Alastair (whose nickname was "Mouse") born premature, blind in one eye, and plagued by health problems throughout his life.[5] When Alastair was about four years old, Grahame would tell him bedtime stories, some of which were about a toad, and on his frequent boating holidays without his family he would write further tales of Toad, Mole, Ratty, and Badger in letters to Alastair.[3]In 1908 Grahame took early retirement from his job at the Bank of England and moved with his wife and son to an old farmhouse in Blewbury, where he used the bedtime stories he had told Alastair as a basis for the manuscript of *The Wind in the Willows*.*

*International Dagger Award shortlisted author of *The Murderer in Ruins*, Cay Rademacher, delivers a beautifully atmospheric new story with a captivating main character in *Murderous Mistral: A Provence Mystery*. Capitaine Roger Blanc, an investigator with the anti-corruption-unit of the French Gendarmerie, was a bit too successful in his investigations. He finds himself removed from Paris to the south of France, far away from political power. Or so it would seem. The stress is too much for his marriage, and he attempts to manage the break up while trying to settle into his new life in Provence in a 200-year-old, half-ruined house. At the same time, Blanc is tasked with his first murder case: A man with no friends and a lot of enemies, an outsider, was found shot and burned. When a second man dies under suspicious circumstances in the quaint French countryside, the Capitaine from Paris has to dig deep into the hidden, dark undersides of the Provence he never expected to see.*

*The Wind in the Willows is a classic of children's literature, first published in 1908. Alternately slow moving and fast paced, it focuses on four anthropomorphised animal characters in a pastoral version of England. The novel is notable for its mixture of mysticism, adventure, morality, and camaraderie and celebrated for its evocation of the nature of the Thames valley.*

Un topo, cansado de la limpieza de primavera sale sorpresivamente a pasear y a conocer el mundo exterior donde conoce a una Rata de Agua. Traba amistad y se queda a vivir con él. Conoce a diversos personajes que habitan en los alrededores: (el Sapo, el Tejón, la Nutria) y se enfrascan en diversas aventuras.

En esta obra encontrará distintas formas mediante las que todos los centros de Educación Primaria pueden ayudar al alumnado a descubrir el gusto por la lectura y a establecer relaciones entre la que se realiza en el colegio y en casa, de manera que una refuerce a la otra. Michael Lockwood se apoya en el resultado de numerosas investigaciones, entrevistas e innovaciones pedagógicas destinadas a analizar qué es lo que funciona y contribuye a la promoción de la lectura por placer tanto en ambientes escolares como en otros espacios en los que niñas y niños se mueven. Se justifica y evidencia que el placer en la lectura no es una frivolidad más; que es preciso educar estudiantes amantes de los libros que consideren que disfrutar de la lectura puede ser un fin en sí mismo; de este modo podremos favorecer mejor todo su desarrollo cognitivo, afectivo y social a través del resto de las materias que integran el currículum. Los ejes con los que se vertebra esta obra incluyen: La transformación del colegio en un centro de lectura por placer. El fomento del amor a la lectura en Educación Infantil. El desarrollo de la lectura por placer en los últimos años de Educación Primaria. Conseguir que los chicos lean por placer. En cada capítulo se proporcionan numerosos ejemplos de propuestas de acción de probada eficacia, que contribuyen a favorecer la lectura a través de estrategias y recursos como seminarios de lectura, clubes de libros, tarjetas de fans de la biblioteca, tardes literarias, concursos, etc. Promover el placer de leer en Educación Primaria es por tanto un texto muy relevante y útil para el profesorado de Educación Infantil y Primaria, para el personal de bibliotecas, para las familias, así como para otros profesionales preocupados por la alfabetización y la promoción de la lectura por placer. Esta obra ha sido galardonada con el premio UkLA 2009 (United Kingdom Literacy Association).

El viento en los sauces , sin duda unos de los clásicos de la literatura infantil universal, nos presenta el pequeño universo en

el que unos personajes entrañables el fiel Topo, la inteligente Rata de Agua, el enloquecido Sapo y el sensato Tejón nos ofrecen una exacta metáfora sobre los usos y costumbres de la Inglaterra victoriana de principios del siglo XX. El humor, la ternura, una narrativa hábil e ingeniosa, una construcción exacta de los personajes y de sus maneras de relacionarse, constituyen las señas de identidad de una obra tanto para niños como para adultos.

***This musical is constantly in demand for groups anxious to produce the better type of imaginative plays for young people. The play expresses perfectly the mood of the Grahame book, which is a combination of poetry, fantasy and exquisite comedy. The romance of early childhood is celebrated in this adaptation. Scripts includes full stage directions, notes on scenery, illustrations of sets, costume, property and lighting plots.***

***Este libro reúne siete ensayos en los que Lewis defiende vigorosamente su visión del cristianismo. Entre los temas que abarca esta el del perdón analizado especialmente frente a las excusas. Con una excusa perfecta sostiene Lewis no necesitamos perdón; pero si una acción requiere ser perdonada, es imposible una excusa. La dificultad reside en que al pedir perdón muchas veces estamos pidiendo que se acepten nuestras excusas.***
