

Her Russian Master

A Deal with the Devil

Successful mystery author Foster Owen hasn't finished a manuscript in three years and her writer's block shows no signs of retreating. When the bills start piling up, an unexpected offer to ghost write a memoir for an heiress on the West Coast seems like too good an opportunity to ignore. Painfully shy Abigail Spencer has just returned from studying abroad. The sprawling estate she inherited from her parents includes a crumbling mansion rumored to be haunted and a historic lighthouse nestled along the remote northern Pacific coast. When the executor of the Spencer estate hires Foster to write the history of the family, Foster and Abby are drawn together as they peel back layers of history and uncover a story of lives adrift, secrets long hidden, and ancient ties to witchcraft. Can truths from the past help love blossom in the present?
