In a modern mega-city built around dragons, one boy gets caught up in the world of underground dragon battles and a high-stakes gang war that could tear his family apart. Once, dragons nearly drove themselves to extinction. But in the city of Drakopolis, humans domesticated them centuries ago. Now dragons haul the city's cargo, taxi its bustling people between skyscrapers, and advertise its wares in bright, neon displays. Most famously of all, the dragons battle. Different breeds take to the skies in nighttime bouts between the infamous kins—criminal gangs who rule through violence and intimidation. Abel has always loved dragons, but after a disastrous showing in his dragon rider's exam, he's destined never to fly one himself. All that changes the night his sister appears at his window, entrusting him with a secret...and a stolen dragon. Turns out, his big sister is a dragon thief! Too bad his older brother is a rising star in Drakopolis law enforcement... To protect his friends and his family, Abel must partner with the stolen beast, riding in kin battles and keeping more secrets than a dragon has scales. When everyone wants him fighting on their side, can Abel figure out what's worth fighting for?

A thrilling debut in the tradition of Rick Riordan about a boy who discovers a secret race of animal shape shifters with a hero hailed as “worthy of a young Harry Potter” (Booklist Online). "Simon Thorn is a hero worthy of a young Harry Potter, and readers are bound to be delighted." --Booklist For fans of Rick Riordan and Spirit Animals, this thrilling first book in a series follows a boy who discovers a secret race of animal shapeshifters. Twelve-year-old Simon Thorn's life has never been easy or normal, but things like being bullied at school and living in a cramped Manhattan apartment with his Uncle Darryl are nothing compared to his biggest secret: He can talk to animals. But when his mom is suddenly kidnapped by a herd of rats, Simon finds out that he, his mom, and his uncle are all Animalgams--people born with the ability to change into an animal at will. In search of his mom, Simon discovers the Animalgam Academy based at the Central Park Zoo. There he learns about the fractured five kingdoms--Mammals, Birds, Insects, Reptiles, and Underwater--that make up this secret world . . . and realizes he may be the only one who can save it. This action-packed page-turner is filled with themes of bravery, loyalty, and finding one's true self, and is perfect for fans of Rick Riordan and the Spirit Animals series. From the author of beloved novels Ms. Bixby's Last Day and Posted comes a hilarious, heartfelt, and unforgettable novel about a fairy-in-training. Everyone who wishes upon a star, or a candle, or a penny thrown into a fountain knows that you're not allowed to tell anyone what you've wished for. But even so, there is someone out there who hears it. In a magical land called the Haven lives a young fairy named Ophelia Delphinium Fidgets. Ophelia is no ordinary fairy—she is a Granter: one of the select fairies whose job it is to venture out into the world and grant the wishes of unsuspecting humans every day. It's the work of the Granters that generates the magic that allows the fairies to do what they do, and to keep the Haven hidden and safe. But with worldwide magic levels at an all-time low, this is not as easy as it sounds. On a typical day, only a small fraction of the millions of potential wishes gets granted. Today, however, is anything but typical. Because today, Ophelia is going to get her very first wish-granting assignment. And she's about to discover that figuring out how to truly give someone what they want takes much more than a handful of fairy dust.

The struggle for power heats up in book two of this heart-stopping adventure series about siblings with magical shapeshifter powers, from New York Times bestselling author Amie Kaufman. After the fateful battle between the ice wolves and the scorch dragons, Anders and his twin sister, Rayna, have been reunited. But there's no time to celebrate. The temperature all over Vallen is starting to drop. And Anders quickly learns that the wolves have stolen a weather-altering artifact called the Snowstone, and every dragon, including Rayna, is now in danger. Desperate to broker peace, Anders enlists the help of a few new flame-breathing friends to stop the wolves' next plan of attack. Together, these former rivals must go on a dangerous quest to find the scattered pieces of the Sun Scepter, the only artifact that can counteract the Snowstone. Because if either device goes unchecked, all hope for a truce will be lost.

Earth's fate rests in their hands. Trapped aboard the Undying's ancient spaceship and reeling from the truth they've uncovered, Mia and Jules are desperate to warn their home about what's coming. After a perilous escape, they crash-land on Earth's surface?but Jules and Mia can hardly fathom their new predicament: No one believes them. Because the threat against Earth is hiding in plain sight. A mounting

global crisis is taking shape, starting with a mysterious illness that seems to reduce its victims to a regressed state. Jules and Mia have no choice but to take matters into their own hands, escaping custody of the International Alliance in order to reunite Jules with his father, the disgraced expert on the alien race, whose research may be the key to saving humanity. From the mountains of Spain to the streets of Prague, the epic conclusion to the Unearthed series is a white-knuckle ride that will keep readers guessing until the final page.

A young witch must pass a coming-of-age quest or risk losing her magic forever in this enchanting fantasy -- perfect for fans of Kiki's Delivery Service and Aru Shah and the End of Time. Sometimes all you need is a pinch of magic... Eva Evergreen is determined to earn the rank of Novice Witch before her thirteenth birthday. If she doesn't, she'll lose her magic forever. For most young witches and wizards, it's a simple enough test: One: Help your town, do good all around. Two: Live there for one moon, don't leave too soon. Three: Fly home by broomstick, the easiest of tricks. The only problem? Eva only has a pinch of magic. She summons heads of cabbage instead of flowers and gets a sunburn instead of calling down rain. And to add insult to injury, whenever she overuses her magic, she falls asleep. When she lands in the tranquil coastal town of Auteri, the residents

expect a powerful witch, not a semi-magical girl. So Eva comes up with a plan: set up a magical repair shop to aid Auteri and prove she's worthy. She may have more blood than magic, but her "semi-magical fixes" repair the lives of the townspeople in ways they never could have imagined. Only, Eva's bit of magic may not be enough when the biggest magical storm in history threatens the town she's grown to love. Eva must conjure up all of the magic, bravery, and cleverness she can muster or Auteri and her dreams of becoming a witch will wash away with the storm.

The second book in an epic middle grade series with awesome elemental powers, nightmarish creatures, and nonstop adventure that will thrill kids who love Avatar: The Last Airbender, Rick Riordan, and Brandon Mull. Five elements. Two worlds. One city...and one chance to save it. In the past two weeks, Gabe Conway has fought a six-winged dragon, bound himself to the element of fire, and rescued one of his best friends from the twisted parallel dimension known as Arcadia. Now he has to find a way to do something even more impossible: destroy Arcadia forever—before a sinister cult unleashes its nightmare of death and destruction across San Francisco. “Thrilling entertainment. "Hand this to the Rick Riordan crowd, or to kids who like Tui Sutherland's "Wings of Fire"

series."—SLJ Set in a vivid, Arab-inspired world filled with friendly and fearsome water dragons, K.D. Halbrook's *Silver Batal and the Water Dragon Races* is a middle-grade fantasy adventure, with illustrations by Ilse Gort, that's perfect for fans of Tui T. Sutherland, Sayantani DasGupta, and Roshani Chokshi. Thirteen-year-old Silver Batal calls the desert home, but her heart belongs to the waters. Although she's expected to become a jeweler like her father, Silver harbors a secret and forbidden wish to race water dragons. Destiny comes calling when her friendship with a mysterious old woman leads her to Hiyyan, a baby dragon that can swim and fly. Risking everything, Silver, Hiyyan, and her resourceful cousin Brajon set off across the desert to join the legendary races in the royal city. But the road to Calidia is filled with danger, and the trio must band together as they encounter ferocious cave beasts, clever desert foxes, and cutthroat competition. As Silver and Hiyyan soar through the skies and speed through the seas, both must learn what they're willing to sacrifice for a shot at glory.

From the Booker Prize-winning author of *Possession* comes this richly imaginative story collection that transports the reader to a world where opposites--passion and loneliness, betrayal and loyalty, fire and ice--clash and converge. A beautiful ice maiden risks her life when she falls in love with a desert prince, whose passionate touches scorch her delicate skin. A woman flees the scene of her husband's heart attack, leaving her entire past behind her. Striving to master color and line, a painter discovers the resolution to his artistic problems when a beautiful and magical water snake appears in his pool. And a wealthy Englishwoman gradually loses her identity while wandering through a shopping mall. Elegantly crafted and suffused with boundless wisdom, these bewitching tales are a testament to a writer at the height of her powers.

The second in New York Times bestselling author duo Amie Kaufman and Meagan Spooner's sweeping science fiction Starbound Trilogy is an unforgettable story of love and forgiveness in a world torn apart by war, a "sci-fi Romeo and Juliet" (Booklist). Jubilee Chase and Flynn Cormac should never have met. Lee is captain of the forces sent to Avon to crush the terraformed planet's rebellious colonists, and she has her own reasons for hating the

insurgents. Whereas Flynn is leading the rebellion against the powerful corporate conglomerate that make their fortune by terraforming uninhabitable planets across the universe and recruiting colonists to make the planets livable, and rule with an iron fist and unrealized promises. Desperate for any advantage against the military occupying his home, Flynn does the only thing that makes sense when he and Lee cross paths: he returns to base with her as prisoner. But as his fellow rebels prepare to execute this tough-talking girl with nerves of steel, Flynn makes another choice that will change him forever. He and Lee escape base together, caught between two sides in a senseless war.

Bestselling authors Amie Kaufman and Ryan Graudin invite readers into a wondrous world where lost things are found, and where two cousins must come face-to-face with the impossible... Jessica Khoury brings her masterful world-building and emotional depth to a brand-new fantasy series. In a world where everyone is born with wings, stone monsters prowl the skies, hunting those who dare to fly too high. In the Clandoms, everyone is born with wings, with tight-knit communities formed around bird types: Jay, Falcon, Crow. Ellie Meadows dreams of growing up to join the Goldwings -- the famed knights who defend all the people of the Clandoms. It was a Goldwing, after all, who saved her life on that terrible day her parents were killed. There's just one problem: Ellie is a Sparrow, and the Goldwings are almost

invariably picked from the higher clans like Eagles and Ospreys. This rigid hierarchy means that Ellie is destined to become a farmer. Determined to honor her parents' memories and prove herself worthy of the Goldwings, Ellie sets out on her own for the capital. But her journey will be dangerous. Foul creatures called gargols lurk behind every cloud, ready to slay anyone unlucky enough to be caught outside in a storm -- just as Ellie's family was. Soon her path intertwines with a colorful band of fellow outcasts, each with their own aspirations... and their own secrets. Ellie's new friends offer not just roadside companionship. They'll challenge her ideas of right, wrong, and what truly makes a hero.

With rebels like Amelia Earhart and Queen Nefertiti facing the threat of their hourglasses of memories being flipped, Jake and Marisol, along with Marisol's big brother, Victor, must locate a mysterious item known as the Rocket. This unknown object is their only chance to defeat the Administrator—before everything that makes the World wonderful is lost, in a whole new way. Propelled by a page-turning mystery and plenty of action, this sequel also features fun, interesting facts about history and engaging back matter that helps readers separate fact from fiction!

A stunning debut about a magician's apprentice and a one-winged princess who must vanquish the mechanical monsters that stalk the streets and threaten the faerie kingdom.

Aspiring inventor and magician's apprentice Felix Carmer III would rather be tinkering with his latest experiments than sawing girls in half on stage, but with Antoine the Amazifier's show a tomato's throw away from going under, Carmer is determined to win the cash prize in the biggest magic competition in Skemantis. When fate throws Carmer across the path of fiery, flightless faerie princess Grit (do not call her Grettifrida), they strike a deal. If Carmer will help Grit investigate a string of faerie disappearances, she'll use her very real magic to give his mechanical illusions a much-needed boost against the competition. But Carmer and Grit soon discover they're not the only duo trying to pair magic with machine — and the combination can be deadly. In this story perfect for readers of the Lockwood & Co and Wildwood series, Sarah Jean Horwitz takes readers on a thrilling journey through a magical wooded fairyland and steampunk streets where terrifying automata cats lurk in the shadows and a mad scientist's newest mechanical invention might be more menace than miracle.

Arlo Finch in the Valley of Fire is the first book in a spellbinding fantasy adventure series by screenwriter John August. Some trails lead to magic. Some lead to danger. As Arlo looked around, the walls of his room began to vanish, revealing a moonlit forest. Only his bed remained, and the frame of his window, through which he saw the girl. The world on her side of the glass was sparkling with silver and gold, like a palace made of autumn leaves. She looked off to her right. Someone was coming. Her words came in an urgent whisper: "If I can see you, they can see you . . . Be careful, Arlo Finch." Arlo Finch thought becoming a Ranger meant learning wilderness skills, like camping and knots. But upon arriving in the tiny town of Pine Mountain, Colorado, Arlo soon learns there's so much more. His new friends Indra and Wu teach him how to harness the wild magic seeping in from the mysterious Long Woods—a parallel realm of wonder and danger. First he must master the basics, including snaplights, thunderclaps and identifying supernatural creatures. But Arlo Finch is no ordinary Ranger, and this is no ordinary time. A dark and ancient force is sending threats into the real world . . . our world. Through perilous adventures and close calls, Arlo is awakened to his unique destiny—but the obstacles he faces will test the foundations of the Ranger's Vow: loyalty, bravery, kindness, and truth. From New York Times bestselling author Amie Kaufman comes the first book in an electrifying series about a brother and sister who must harness their powers and find their

place in a sharply divided world. Everyone in Vallen knows that ice wolves and scorch dragons are sworn enemies who live deeply separate lives. So when twelve-year-old orphan Anders takes one elemental form and his twin sister, Rayna, takes another, he wonders whether they are even related. Family or not, Rayna is Anders's only true friend. She's nothing like the brutal, cruel dragons who claimed her as one of their own and stole her away. To rescue her, Anders must enlist at the foreboding Ulfar Academy, a school for young wolves that values loyalty to the pack above all else. But for Anders, loyalty is more complicated than obedience, and friendship is the most powerful shapeshifting force of all. "If you've ever wanted to go on an adventure, read this book." — Marie Lu, #1 New York Times bestselling author of The Young Elites Anders's and Rayna's adventures continue in Elementals: Scorch Dragons, and the dramatic conclusion to the trilogy, Elementals: Battle Born!

The constellations come to life in this imaginative fantasy adventure debut. Honorine's life as a maid at the Vidalia mansion is rather dull, dusting treasures from faraway places and daydreaming in front of maps of the world. But everything changes when she catches two brutish sailors ransacking Lord Vidalia's study, and then follows a mysterious girl with wings out into the night.... Suddenly, Honorine is whisked into the middle of a battle between the crew of a spectacular steamship and a band of mythical constellations. The stars in the sky have come to life to defend themselves against those who want to harness their powers.

*Much to her surprise, Honorine is the crux of it all, the center of an epic clash between magic and science, the old ways and the new. But can this spirited young girl bring both sides of a larger-than-life fight together before they unleash an evil power even older than the stars? Experience the *now completed* bestselling series that fans of Harry Potter and Percy Jackson are raving about.*

Valor is under arrest for the attempted murder of the crown prince. Her parents are outcasts from the royal court, her sister is banished for theft of a national treasure, and now Valor has been sentenced to life imprisonment at Demidova, a prison built from stone and ice. But that's exactly where she wants to be. For her sister was sent there too, and Valor embarks on an epic plan to break her out from the inside. No one has escaped from Demidova in over three hundred years, and if Valor is to succeed she will need all of her strength, courage and love. If the plan fails, she faces a chilling fate worse than any prison ... An unforgettable story of sisterhood, valour and rebellion, Prisoner of Ice and Snow will fire you up and melt your heart all at once. Perfect for fans of Katherine Rundell, Piers Torday and Cathryn Constable.

Born, or Erin Hunter's Warriors series. Twelve-year-old Rahkki is a stable groom for the Riders of the Sandwen army, who must battle deadly spit dragons and hordes of warring giants. The Sandwens believe they have tamed all the wild pegasi in the lush jungles of the Realm and turned them into flying warhorses. But when a herd of wild steeds flies over their village, Rahkki and his clanmates are stunned. Meanwhile, a small herd of pegasi have journeyed across a treacherous ocean to set foot on new, and free, land. Led by Echofrost and Hazelwind, the Storm Herd steeds are unaware of the Sandwen clan. But when the unthinkable happens, Echofrost and the rest of Storm Herd will have to come to trust the Sandwens, or both may not survive.

The much-anticipated finale to Amie Kaufman's epic middle-grade trilogy *Though Anders and his friends have delayed a war between the ice wolves and scorch dragons, their mission isn't over. With adults on both sides looking for them, they've sought refuge in Cloudhaven, a forbidden stronghold created by the first dragonsmiths. The ancient text covering Cloudhaven's walls could be the key to saving their home -- if only the young elementals could decipher it. To make matters worse, Cloudhaven is in ruins and its citizens are reeling. Many have been forced into bleak camps outside the city walls, and food is running short. To rebuild Vallen, Anders, Rayna, and their allies must find a way to unite humans, ice wolves, and scorch dragons before they lose their last chance. In the final book of the series, international bestselling author Amie Kaufman's sensational adventure series, Anders and Rayna must put everything on the line -- and the price of peace may hit closer to home than they could ever imagined.*

"A heart-pounding adventure."—Publishers Weekly (starred review) Orphan. Thief. Witch. A classic fantasy-adventure reminiscent of *Howl's Moving Castle* from New York Times–bestselling author Claire Legrand. Twelve-year-old Quicksilver lives as a thief in the sleepy town of Willow-on-the-River. Her only companions are her faithful dog and partner in crime, Fox—and Sly Boots, the boy who lets her live in his attic when it's too cold to sleep on the rooftops. It's a lonesome life. Quicksilver is used to being alone. When you are alone, no one can hurt you. No one can abandon you. Then one day Quicksilver discovers that she can perform magic. Real magic. The kind that was supposed to exist anymore. Magic is forbidden, but Quicksilver nevertheless wants to learn more. With real magic, she could become the greatest thief who ever lived. She could maybe even find her parents. What she does find, however, is much more complicated and surprising. . . . Acclaimed author Claire Legrand's stunning and original novel explores the danger of lies and the power of truth, the strength found in friendship, and the value of loving and being loved . . . even if it means risking your heart. Full of magic, adventure, and an original and compelling cast of characters, *Foxheart* will appeal to fans of Neil Gaiman and Diana Wynne Jones.
