As a solitary young boy, Michael Sellick took refuge in the art of crocheting. As an adult, that refuge would grow into a passion. He started sharing videos to fellow crocheters in something he called The Crochet Crowd -- a far-flung group that now includes three million people around the world on Youtube, Facebook and Instagram. For Mikey the passion and joy are stronger than ever, and now he's hanging with the in crowd too: The Crochet Crowd. Packed with pictures, personality and 15 patterns, this book will resonate with first-time and experienced crocheters alike. Crocheters will be treated to an exclusive collection of patterns for afghans, scarves, hats, cowls and other items that emphasize the texture, colour and coziness that Mikey and Dan have become known for. Adding a touch of comfort and style to a crafter's home decor, the patterns in this collection can be made from a variety of yarns and colors and by crocheters of all skill levels. With 26 designs, this book features full-color photographs and detailed instructions on stitching and incorporating motifs and patterns such as granny squares, Tunisian lace, pineapples, shells, ripples, and more. Beautiful, whimsical, and practical, these afghans make perfect gifts and home accents.

Intimidated by knitting with all the colors needed to create a beautiful Fair Isle pattern? Now you can get the look of colorwork knitting with the ease of Tunisian crochet!

These knitted and crocheted fashion accessories and decorative accents for the home vary in their required levels of skill, but all can be completed quickly and require only one skein of yarn. The stitch patterns and clear instructions make it easy for even procrastinators and the less-than-diligent to create a ruffled cravat, a drawstring bag, a tank top, cozy scarves, arm and leg warmers, lace wristlets, fingerless gloves, a mohair pillow, and even a sweater for a baby. Several projects do not require any new yarn at all—instead projects such as the Felted Striped Tote or the Labyrinth Circle Rug are designed using up a skein's worth of leftovers from other projects. A guide to terms and techniques, a resource directory, and a bibliography are also included.

Kiva trades one cage for another when she leaves behind a deadly prison for a deceptive palace in this dark and dangerous sequel to The Prison Healer, which Sarah J. Maas called "a must-read." Kiva Meridan is a survivor. She survived not only Zalindov prison, but also the deadly Trial by Ordeal. Now Kiva's purpose goes beyond survival to vengeance. For the past ten years, her only goal was to reunite with her family and destroy the people responsible for ruining their lives. But now that she has escaped Zalindov, her mission has become more complicated than ever. As Kiva settles into her new life in the capital, she discovers she wasn't the only one who suffered while she was in Zalindov--her siblings and their beliefs have changed too. Soon it's not just her enemies she's keeping secrets from, but her own family as well. Outside the city walls, tensions are brewing from the rebels, along with whispers of a growing threat from the northern kingdoms. Kiva's allegiances are more important than ever, but she's beginning to question where they truly lie. To survive this time, she'll have to navigate a complicated web of lies before both sides of the battle turn against her and she loses everything.

Everyone loves ripple afghan! Crocheters know that a ripple design works up faster than most other afghan patterns. That's because the zigzag rows are easy to establish and maintain without demanding all of your attention. Throw in a little variation in pattern or color, or add a sweet motif or edging, and the results are gorgeous! As accents in your home, they're more than just decorative - they're also warm and cozy.
