Emoji Book How To Draw Emojis For Kids Teens Adults Learn To Draw 50 Of Your Favourite Emojis Great Addition To Your Emoji Party Supplies Emoji Gifts Emoji Stuff

Drawing from disciplines as diverse as linguistics, cognitive science, psychology, and neuroscience, The Emoji Code explores how emojis are expanding communication and not ending it. For all the handwringing about the imminent death of written language, emoji—those happy faces and hearts—is not taking us backward to the dark ages of illiteracy. Every day 41.5 billion texts are sent by one quarter of the world, using 6 million emoji. Evans argues that these symbols enrich our ability to communicate and allow us to express our emotions and induce empathy—ultimately making us all better communicators. Vivyan Evans's Emoji Code charts the evolutionary origins of language, the social and cultural factors that govern its use, change, and development; as well as what it reveals about the human mind. In most communication, nonverbal cues are our emotional expression, signal our personality, and are our attitude toward our addressee. They provide the essential means of nuance and are essential to getting our ideas across. But in digital communication, these cues are missing, which can lead to miscommunication. The explosion of emoji, in less than four years, has arisen precisely because it fulfills exactly these functions which are essential for communication but are otherwise absent in texts and emails. Evans persuasively argues that emoji add tone and an emotional voice and nuance, making us more effective communicators in the digital age.

A detailed, step by step drawing guide on how to draw your FAVORITE emojis! Included inside this handy, dandy book are: Emoji Dog Poop Emoji Kiss Emoji Crying Emoji Sleep Emoji Grinning Emoji Cool Emoji Angry Emoji Ok Hand Emoji AND MORE!

Your kids love emojis and they love cool stuff, right? Well, here is a book that combines cool stuff with emojis.
