simply, the book is an invaluable tool for anyone who wants to take charge and manage their health safely, gently and without the fear of side-effects. Welcome to optimal holistic health and well-being.

The holistic approach to medicine recognizes that the root cause of disease frequently lies in an energy block at a physical, mental or emotional level, and that true healing occurs when the block is released. At the emotional level these energy blocks may be caused by trauma arising from family problems, difficult early-life experiences, or violence or abuse of one kind or another. Homoeopathic remedies can go right to the core of the trauma, release the energy block, and bring about a cure.

approach to health and healing. Consequently, many patients do not have the opportunity to benefit from the true spirit of an integrative approach within the discipline of addiction and recovery medicine. This book sets the standard for a bona fide integrative approach for others to follow, providing information that is immediately useful in clinical practice and rigorously evidence-based. Authored by world-class experts in the field of addiction medicine, Integrative Addiction and Recovery presents both scientific and holistic data regarding a wide variety of holistic and conventional approaches to the treatment of substance abuse and behavioral addictions. Its chapters cover both conventional and holistic treatment and provide background for each of the major classes of drugs of abuse, including opiates, alcohol, tobacco, stimulants,
