Prepare the End Times Church

Anyone can make predictions about the future. The real question is, "What does God have to say about it?" The end times is one of those areas of theology where people have many wild opinions. Don't get caught up in all the internet speculations and doomsday prognostications. The real place to find out about the future is the Word of God. In What Does the Bible Say About the Future?, radio host and prophecy expert Dr. Charlie Dyer offers you an insightful look at the end times that's grounded not in human fantasies but in the very revelation of God. The Bible actually does have a lot to say about the future. It's an important topic for you to study. So instead of taking your cues from the self-appointed prophets of today, let Dr. Dyer take you right back to Scripture. You'll get answers to questions like: Are we in the last days right now? Are pandemics like Covid-19 a fulfillment of Bible prophecy? What is the Battle of Armageddon? What is the next event on God's prophetic calendar? Where is the United States in Bible prophecy? And most importantly . . . If prophecy is true, what difference should it make in my life? God didn't give us Bible prophecy to tickle our imagination or satisfy our intellectual curiosity. Rather, God wants us to know about the end times so we can be confident in His eternal purposes. With a biblical understanding of the future, you'll be powerfully equipped to live with faith and hope today!

I Believe Jesus Will Return . . . What More Do I Need to Know? Do you tend to avoid studying books of the Bible like Revelation and Ezekiel? Does it feel like words such as rapture and apocalypse fly right over your head? It's common to dismiss these and other topics related to Bible prophecy as irrelevant and... well... too complicated. But God's Word says, "Blessed is the one who reads aloud the words of this prophecy, and blessed are those who hear it and take to heart what is written in it, because the time is near" (Revelation 1:3). Prepare to be blessed in an entertaining and meaningful way! The Non-Prophet's Guide to the End Times combines engaging illustrations with down-to-earth explanations to help you navigate the ins and outs of Bible prophecy. There's no better time to grasp God's plans for the future—and for you—than this very moment.

You Can Understand Bible Prophecy for Yourself In today's tumultuous world, we see current events aligning with what will happen during the tribulation period prophesied in the Bible. The uncertainty of what is to come has led many to ask questions about what will happen, and when. With this companion to The End Times in Chronological Order, author Ron Rhodes provides a strategically designed guide to help you unpack Bible prophecy. Whether you journey through this workbook on its own or in tandem with the book, this resource illuminates every key concept believers need to know—and where they fit on God's timeline—from the rapture, to the tribulation, to the return of Christ, and beyond. Let your heart be enriched, nurtured, and emboldened as you experience the blessing the book of Revelation promises to those who study Bible prophecy! The End Times in Chronological Order Workbook will equip you to better understand and prepare for what God has made known about the future.

This Bible study workbook asks interesting questions about the Last Days. It also provides verses with which you can look up to find the answers. Some of those questions you will be investigating are: Why is it taking so long for the end to come? How will we know when the end is closing in on us? What can we learn about the Beast/Anti-Christ? Who are the Two Witnesses? Who are the Remnant? Where is the location of the next Babylon? When will Jesus come to collect his people? What will the new world look like? And many more. This text is a companion to C. L. Powell's first book: Searching All Bible Prophecy For The End Times. It contains the same questions and verses the first book has without the extra commentary. Now you will have the chance to look up the verses and answer the questions on your own without any influence what-so-ever. However, using Searching All Bible Prophecy For The End Times along with the workbook will give you an extra resource. You will able to compare your answers and thoughts with Powell's.

The first book also has a suggested timeline of the events and many supporting scriptures. Both of these books work best in tandem.

"The study of prophecy inspires elaborate timelines and speculation about which world leader might rise to power in the last days. But meanwhile, it's far too easy to miss the significant prophetic signs contained in stories of biblical characters, in God's creation, and in the lives and actions of today's Israelis and Palestinians. The Holy Land Key opens our eyes to little-known aspects of prophecy, including: God's master plan revealed in the seven Feasts of the Lord; the ingathering of God's people, and the ways Israelis are hearing from God today; Significant prophetic patterns discovered in the lunar cycle; Awe-inspiring testimonies to God's glory spelled out in the night sky; and, Glimpses of God's future kingdom revealed in the stories of well-known figures from Scripture"--Page 4 of cover.

Many Christians think of end times prophecy as a gigantic, intimidating puzzle -- difficult to piece together and impossible to figure out. But every puzzle can be solved if you approach it the right way. Paul Benware compares prophecy to a picture puzzle. Putting the edge pieces together first builds the "framework" that makes it easier to fit the other pieces in their place. According to Benware, the framework for eschatology is the biblical covenants. He begins his comprehensive survey by explaining the major covenants. Then he discusses several different interpretations of end times prophecy. Benware digs into the details of the Rapture, the Great Tribulation, the judgements and resurrections, and the millennial kingdom. But he also adds a unique, personal element to the study, answering questions as: -Why study bible prophecy? -What difference does it make if I'm premillennial or amillennial? If what the Bible says about the future puzzles you, Understanding End Times Prophecy will help you put together the pieces and see the big picture.

Daniel prophesied the rise of global government in your future A number of prophets had a glimpse of the future, but God gave only one prophet a precise calendar of the end-times events that will affect the current generation. Writing more than 2,500 years ago, Daniel described a series of cataclysmic events and the signs that will precede the end times. According to prophecy expert Grant R. Jeffrey, many of the signs that Daniel pointed to are visible in our world today. Daniel's vision reveals startling details about the identity of the coming Antichrist, his political career, his death, and his Satanic resurrection. After completing an exhaustive study of Daniel's prophecies, Dr. Jeffrey presents a detailed description of the Antichrist's rise as world dictator, the mark of the beast, and the political maneuvering that will set the stage for global government. In light of the Hebrew calendar and the cycle of Jewish festivals, Dr. Jeffrey uncovered precise dates for major apocalyptic events, including a timeline for the Antichrist's rise to power, the major end of the Tribulation, and the timing of the Battle of Armageddon. God allowed Daniel to see the world we will soon live in as we approach the time for the return of the Messiah. Now learn exactly what Daniel knew.

Rose Guide to End-Times Prophecy is an explanation of end-times prophecy and the Book of Revelation from several Christian viewpoints. Some parts of the Bible, including the Book of Revelation, were written in the apocalyptic style. Apocalyptic Literature is defined as Jewish literature presented in the form of vision that figuratively revealed hidden truths for the purpose of assuring God's people of the goodness of God's plans during times of persecution. Bible prophecy says that Jesus will come again, and Christians have wondered for centuries when and how that would take place.
