***The remarkable novel from the multi-million-bestselling author of The House of the Spirits and The Japanese Lover** Meet the unforgettable Eva Luna: a lover, a writer, a revolutionary and above all, a storyteller. Eva Luna is the daughter of a professor's assistant and a snake-bitten gardener – born poor, orphaned at an early age and working as a servant. Eva is a naturally gifted and imaginative storyteller who meets people from all walks of life. Though she has no wealth, she trades her stories like currency with people who are kind to her. As she shares her stories, she introduces an eccentric cast of characters: the Lebanese émigré who takes her in, her Catholic godmother who believes in saints, a street urchin who grows up to be the leader of the guerrilla struggle, a celebrated trans cabaret star and a young refugee whose flight from postwar Europe will change Eva's life forever. As Eva tells her story, Isabel Allende brings to life a complex South American country – the rich, the poor, the sophisticated – in a novel that celebrates the power of imagination and storytelling. Praise for Isabel Allende's Eva Luna: 'Vibrant, colourful characters; the ordinary fused with the grotesque; a Latin American setting, tropical this time; vivid, elegant narrative. The narrator, Eva Luna, is herself a story-teller in the Allende tradition' Guardian 'An evident affection for words, compassion for the oppressed and the inarticulate, the daring ambition to draw cross-sections of whole societies . . . Allende's work glows' New York Times 'Sumptuous . . . a tale that spans forty years and moves from a surreal jungle to a modern-day urban capital where even the most apolitical are driven to risky anti-government activities' Chicago Tribune 'Allende rearranges reality with a blend of memories, mysticism and imagination' The Philadelphia Inquirer 'A remarkable novel, one in which a cascade of stories tumbled out before the reader, stories vivid and passionate and human' Washington Post 'Magnificent . . . Allende is a prodigious fabulist, weaving extraordinary tales' Publishers Weekly*

***Este libro contiene verdad. Porque puede que no sepas todo lo que pasó. Porque este libro trata de cómo se ha vivido desde dentro, como enfermero o sanitario. Porque lo que hay en su interior son historias reales, historias impactantes, desgarradoras, emocionantes y muy, pero que muy, reales. Porque puede que leyéndolo te veas reflejado y entiendas que lo que pasaste tú o lo que pasó tu familiar o amigo fue similar a lo que pasaron otros. Porque los sanitarios lo han dado todo por nosotros, y ahora necesitan ser escuchados. Este libro está narrado desde la primera línea de batalla.***

***THE DEFINITIVE EDITION • Discovered in the attic in which she spent the last years of her life, Anne Frank's remarkable diary has since become a world classic—a powerful reminder of the horrors of war and an eloquent testament to the human spirit. Updated for the 75th Anniversary of the Diary's first publication with a new introduction by Nobel Prize–winner Nadia Murad "The single most compelling personal account of the Holocaust ... remains astonishing and excruciating."—The New York Times Book Review In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the "Secret Annex" of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.***

***Part of the Gibbs Smith Women's Voices series: A collection of literary voices written by, and for, extraordinary women—to encourage, challenge, and inspire. Louisa May Alcott (1832–1888) published more than thirty books in her lifetime, but it was her "girls' story" (written at the request of her publisher), Little Women, that has captured the imagination of millions of readers. This coming-of-age story spotlights beloved tomboy Jo March (arguably America's first juvenile heroine and a reflection of a young Alcott herself) and Jo's three sisters—Meg, Beth, and Amy—in a heartwarming family drama. Originally published in two parts, in 1868 and 1869, Little Women has never been out of print. ***Why It Can Matter More Than IQ***

Imaginary friend Budo narrates this heartwarming story of love, loyalty, and the power of the imagination—the perfect read for anyone who has ever had a friend . . . real or otherwise Budo is lucky as imaginary friends go. He's been alive for more than five years, which is positively ancient in the world of imaginary friends. But Budo feels his age, and thinks constantly of the day when eight-year-old Max Delaney will stop believing in him. Wh
Budo will disappear. Max is different from other children. Some people say that he has Asperger's Syndrome, but most just say he's "on the spectrum." None of this matters to Budo, who loves Max and is charged with protecting him from the class bully, from awkward situations in the cafeteria, and even in the bathroom stalls. But he can't protect Max from Mrs. Patterson, the woman who works with Max in the Learning Center and who belie
is qualified to care for this young boy. When Mrs. Patterson does the unthinkable and kidnaps Max, it is up to Budo and a team of imaginary friends to save him—and Budo must ultimately decide which is more important: Max's happiness or Budo's very existence. Narrated by Budo, a character with a unique ability to have a foot in many worlds—imaginary, real, child, and adult— Memoirs of an Imaginary Friend touches on the truths of life,
as it races to a heartwarming . . . and heartbreaking conclusion.

A classic spy novel from the bestselling author, Trevanian, about a westerner raised in Japan who becomes one of the world's most accomplished assassins. Nicholai Hel is the world's most wanted man. Born in Shanghai during the chaos of World War I, he is the son of an aristocratic Russian mother and a mysterious German father and is the protégé of a Japanese Go master. Hel survived the destruction of Hiroshima to emerge as the world's most artful lover and its most accomplished—and well-paid—assassin. Hel is a genius, a mystic, and a master of language and culture, and his secret is his determination to attain a rare kind of personal excellence, a state of effortless perfection known only as shibumi. Now living in an isolated mountain fortress with his exquisite mistress, Hel is unwillingly drawn back into the life he'd tried to leave behind when a beautiful young stranger arrives at his door, seeking help and refuge. It soon becomes clear that Hel is being tracked by his most sinister enemy—a supermonolith of international espionage known only as the Mother Company. The battle lines are drawn: ruthless power and corruption on one side, and on the other . . . shibumi.

From A to Z, the Penguin Drop Caps series collects 26 unique hardcovers—featuring cover art by Jessica Hische It all begins with a letter. Fall in love with Penguin Drop Caps, a new series of twenty-six collectible and hardcover editions, each with a type cover showcasing a gorgeously illustrated letter of the alphabet. In a design collaboration between Jessica Hische and Penguin Art Director Paul Buckley, the series features unique cover art by Hische, a superstar in the world of type design and illustration, whose work has appeared everywhere from Tiffany & Co. to Wes Anderson's recent film Moonrise Kingdom to Penguin's own bestsellers Committed and Rules of Civility. With exclusive designs that have never before appeared on Hische's hugely popular Daily Drop Cap blog, the Penguin Drop Caps series debuted with an 'A' for Jane Austen's Pride and Prejudice, a 'B' for Charlotte Brönte's Jane Eyre, and a 'C' for Willa Cather's My Ántonia. It continues with more perennial classics, perfect to give as elegant gifts or to showcase on your own shelves. Z is for Zafón. Barcelona, 1945: A city slowly heals in the aftermath of the Spanish Civil War. Daniel, an antiquarian book dealer's son who mourns the loss of his mother, finds solace in what he finds in the "cemetery of lost books," a mysterious book entitled The Shadow of the Wind, by one Julián Carax. But when he sets out to find the author's other works, he makes a shocking discovery: someone has been systematically destroying every copy of every book Carax has written. In fact, Daniel may have the last of Carax's books in existence. Soon Daniel's seemingly innocent quest opens a door into one of Barcelona's darkest secrets--an epic story of murder, madness, and doomed love.

Fall in love with the addictive, suspenseful love story between a teenage girl and a vampire with the book that sparked a "literary phenomenon" and redefined romance for a generation (New York Times). Isabella Swan's move to Forks, a small, perpetually rainy town in Washington, could have been the most boring move she ever made. But once she meets the mysterious and alluring Edward Cullen, Isabella's life takes a thrilling and terrifying turn. Up until now, Edward has managed to keep his vampire identity a secret in the small community he lives in, but now nobody is safe, especially Isabella, the person Edward holds most dear. The lovers find themselves balanced precariously on the point of a knife -- between desire and danger. Deeply romantic and extraordinarily suspenseful, Twilight captures the struggle between defying our instincts and satisfying our desires. This is a love story with bite. It's here! #1 bestselling author Stephenie Meyer makes a triumphant return to the world of Twilight with the highly anticipated companion, Midnight Sun: the iconic love story of Bella and Edward told from the vampire's point of view. "People do not want to just read Meyer's books; they want to climb inside them and live there." -- Time "A literary phenomenon." -- The New York Times

A compelling portrait of rock's greatest guitarist at the moment of his ascendance, Stone Free is the first book to focus exclusively on the happiest and most productive period of Jimi Hendrix's life. As it begins in the fall of 1966, he's an under-sung, under-accomplished sideman struggling to survive in New York City. Nine months later, he's the toast of Swinging London, a fashion icon, and the brightest star to step off the stage at the Monterey International Pop Festival. This momentum-building, day-by-day account of this extraordinary transformation offers new details into Jimi's personality, relationships, songwriting, guitar innovations, studio sessions, and record releases. It explores the social changes sweeping the U.K., Hendrix's role in the dawning of "flower power," and the prejudice he faced while fronting the Jimi Hendrix Experience. In addition to featuring the voices of Jimi, his bandmates, and other eyewitnesses, Stone Free draws extensively from contemporary accounts published in English- and foreign-language newspapers and music magazines. This celebratory account is a must-read for Hendrix fans.

*Anarchist, journalist, drama critic, advocate of birth control and free love, Emma Goldman was the most famous—and notorious—woman in the early twentieth century. This abridged version of her two-volume autobiography takes her from her birthplace in czarist Russia to the socialist enclaves of Manhattan's Lower East Side. Against a dramatic backdrop of political argument, show trials, imprisonment, and tempestuous romances, Goldman chronicles the epoch that she helped shape: the reform movements of the Progressive Era, the early years of and later disillusionment with Lenin's Bolshevik experiment, and more. Sounding a call still heard today, Living My Life is a riveting account of political ferment and ideological turbulence. First time in Penguin Classics Condensed to half the length of Goldman's original work, this edition is accessible to those interested in the activist and her extraordinary era*

*WHAT'S GOD DOING IN YOUR STORY? Our kids beg us for stories at bedtime or while we drive; we gather around firepits and dinner tables to tell and retell our favorite tales—the more dramatic the better. But when it comes to our actual lives, we prefer something less sensational, even boring—sunny skies and smooth sailing, please and thank you. We want our own stories to be predictable, safe, controllable, and catastrophe-free. When plans fall apart, jobs are lost, kids wander off, doctors give bad reports, we often wonder, "What are you doing, God? Are you sure you have this under control? It doesn't really seem like it right now." God is the master Storyteller. He's writing your story and it's a part of His bigger, grander, eternal Story. But we're still in the middle. We haven't gotten to the happy ending yet, and it can be hard to trust Him in the thick of our struggles. That's why Robert and Nancy share their own story, friends' stories, and the stories of people in the Bible who have faced life-altering challenges, but, in the end, have found God to be faithful. Learn why you really can trust God to write your story—no matter what plot twists you may encounter along the way. "This is a unique and charming book, integrating stories of God's providence from His people and His Word. Nancy and Robert write personally and beautifully, infusing readers with a Christ-centered vision, hope, and trust for the future." -Randy Alcorn, author of Heaven, Giving is the Good Life, and Deception "You Can Trust God to Write Your Story is an amazing book whose title says it all. For if you are a follower of Jesus, every day of your life—whether you feel like it or not—is weighted with kingdom purpose, eternal significance, and a royal destiny filled with joy and contentment. Let my dear friends, Robert and Nancy, help you embrace the mysteries of the Lord's Providence. For when it comes to happy endings, you can't find a better Author than the God of the Bible. Happy endings are His forte—turn the page, trust Him, and discover it for yourself." -Joni Eareckson Tada, Joni and Friends International Disability Center*

*THE POSTHUMOUS MASTERWORK FROM "ONE OF THE GREATEST AND MOST INFLUENTIAL MODERN WRITERS" (JAMES WOOD, THE NEW YORK TIMES BOOK REVIEW) Composed in the last years of Roberto Bolaño's life, 2666 was greeted across Europe and Latin America as his highest achievement, surpassing even his previous work in its strangeness, beauty, and scope. Its throng of unforgettable characters includes academics and convicts, an American sportswriter, an elusive German novelist, and a teenage student and her widowed, mentally unstable father. Their lives intersect in the urban sprawl of SantaTeresa—a fictional Juárez—on the U.S.-Mexico border, where hundreds of young factory workers, in the novel as in life, have disappeared.*

Secrets of the Millionaire Mind reveals the missing link between wanting success and achieving it! Have you ever wondered why some people seem to get rich easily, while others are destined for a life of financial struggle? Is the difference found in their education, intelligence, skills, timing, work habits, contacts, luck, or their choice of jobs, businesses, or investments? The shocking answer is: None of the above! In his groundbreaking Secrets of the Millionaire Mind, T. Harv Eker states: "Give me five minutes, and I can predict your financial future for the rest of your life!" Eker does this by identifying your "money and success blueprint." We all have a personal money blueprint ingrained in our subconscious minds, and it is this blueprint, more than anything, that will determine our financial lives. You can know everything about marketing, sales, negotiations, stocks, real estate, and the world of finance, but if your money blueprint is not set for a high level of success, you will never have a lot of money—and if somehow you do, you will most likely lose it! The good news is that now you can actually reset your money blueprint to create natural and automatic success. Secrets of the Millionaire Mind is two books in one. Part I explains how your money blueprint works. Through Eker's rare combination of street smarts, humor, and heart, you will learn how your childhood influences have shaped your financial destiny. You will also learn how to identify your own money blueprint and "revise" it to not only create success but, more important, to keep and continually grow it. In Part II you will be introduced to seventeen "Wealth Files," which describe exactly how rich people think and act differently than most poor and middle-class people. Each Wealth File includes action steps for you to practice in the real world in order to dramatically increase your income and accumulate wealth. If you are not doing as well financially as you would like, you will have to change your money blueprint. Unfortunately your current money blueprint will tend to stay with you for the rest of your life, unless you identify and revise it, and that's exactly what you will do with the help of this extraordinary book. According to T. Harv Eker, it's simple. If you think like rich people think and do what rich people do, chances are you'll get rich too!

*Emotional Intelligence was an international phenomenon, appearing on the New York Times bestseller list for over a year and selling more than five million copies worldwide. Now, once again, Daniel Goleman has written a groundbreaking synthesis of the latest findings in biology and brain science, revealing that we are "wired to connect" and the surprisingly deep impact of our relationships on every aspect of our lives. Far more than we are consciously aware, our daily encounters with parents, spouses, bosses, and even strangers shape our brains and affect cells throughout our bodies—down to the level of our genes—for good or ill. In Social Intelligence, Daniel Goleman explores an emerging new science with startling implications for our interpersonal world. Its most fundamental discovery: we are designed for sociability, constantly engaged in a "neural ballet" that connects us brain to brain with those around us. Our reactions to others, and theirs to us, have a far-reaching biological impact, sending out cascades of hormones that regulate everything from our hearts to our immune systems, making good relationships act like vitamins—and bad relationships like poisons. We can "catch" other people's emotions the way we catch a cold, and the consequences of isolation or relentless social stress can be life-shortening. Goleman explains the surprising accuracy of first impressions, the basis of charisma and emotional power, the complexity of sexual attraction, and how we detect lies. He describes the "dark side" of social intelligence, from narcissism to Machiavellianism and psychopathy. He also reveals our astonishing capacity for "mindsight," as well as the tragedy of those, like autistic children, whose mindsight is impaired. Is there a way to raise our children to be happy? What is the basis of a nourishing marriage? How can business leaders and teachers inspire the best in those they lead and teach? How can groups divided by prejudice and hatred come to live together in peace? The answers to these questions may not be as elusive as we once thought. And Goleman delivers his most heartening news with powerful conviction: we humans have a built-in bias toward empathy, cooperation, and altruism—provided we develop the social intelligence to nurture these capacities in ourselves and others.*

*CARES: Reflections for Nurses--brings the poignancy of a devotion, with the richness of a Bible study into 52 contemplative reflections exploring Christian nursing topics. ***When The Unbearable Lightness of Being was first published in English, it was hailed as "a work of the boldest mastery, originality, and richness" by critic Elizabeth Hardwick and named one of the best books of 1984 by the New York Times Book Review. It went on to win the Los Angeles Times Book Prize for Fiction and quickly became an international bestseller. Twenty years later, the novel has established itself as a modern classic. To commemorate the anniversary of its first English-language publication, HarperCollins is proud to offer a special hardcover edition. A young woman in love with a man torn between his love for her and his incorrigible womanizing; one of his mistresses and her humbly faithful lover -- these are the two couples whose story is told in this masterful novel. Controlled by day, Tereza's jealousy awakens by night, transformed into ineffably sad death-dreams, while Tomas, a successful surgeon, alternates loving devotion to the dependent Tereza with the ardent pursuit of other women. Sabina, an independent, free-spirited artist, lives her life as a series of betrayals -- of parents, husband, country, love itself -- whereas her lover, the intellectual Franz, loses all because of his earnest goodness and fidelity. In a world in which lives are shaped by irrevocable choices and by fortuitous events, a world in which everything occurs but once, existence seems to lose its substance, its weight. Hence we feel, says the novelist, "the unbearable lightness of being" -- not only as the consequence of our private acts but also in the public sphere, and the two inevitably intertwine. This magnificent novel encompasses the extremes of comedy and tragedy, and embraces, it seems, all aspects of human existence. It juxtaposes geographically distant places (Prague, Geneva, Paris, Thailand, the United States, a forlorn Bohemian village); brilliant and playful reflections (on "eternal return," on kitsch, on man and animals -- Tomas and Tereza have a beloved doe named Karenin); and a variety of styles (from the farcical to the elegiac) to take its place as perhaps the major achievement of one of the world's truly great writers.***

*An intimate, gripping novel of the antebellum Underground Railroad, based on the true story of a valiant Philadelphia freedwoman -- the first novel we have had from the author of Black Ice, the "stunning memoir" (New York Times) of a black student's experience at a New England prep school in the 1970S. The Price of a Child opens in the fall of 1855. A Virginia planter is on his way to assume a diplomatic post in Nicaragua, accompanied by his cook, Ginnie, and two of her children (one of whom is his). Temporarily stranded in Philadelphia when they miss their steamboat, Ginnie makes a thrilling leap of the imagination: it is the moment she has been desperately waiting for, the moment she decides to be free. In broad daylight, under the furious gaze of her master, she walks straight out of slavery into a new life -- and into a whole new set of compromising positions. We follow Ginnie as she settles with a respectable and rambunctious black family, as she reinvents herself, christens herself Mercer Gray, dodges slave catchers, lectures far and wide in the cause of abolition, and falls in love with a man whose own ties are a formidable barrier to their happiness. And we see her agonizing all the while about the baby boy she had to leave behind on the plantation, whom she is determined to rescue. In a remarkable feat of historical empathy, Lorene Cary has created an authentic American heroine -- a woman who finds voice for the appalling loss and bitterness of her past, and who creates within herself a new humanity and an uncompromising freedom.*
