In the novels of R. K. Narayan (1906-2001), the forefather of modern Indian fiction, human-scale hopes and epiphanies express the promise of a nation as it awakens to its place in the world. In The Financial Expert, a man of many hopes but few resources spends his time under a banyan tree dispensing financial advice to those willing to pay for his knowledge. As charming as it is compassionate, this novel provides an indelible portrait of India in the twentieth century.

R. K. Narayan (1906—2001) witnessed nearly a century of change in his native India and captured it in fiction of uncommon warmth and vibrancy. Swami and Friends introduces us to Narayan's beloved

fictional town of Malgudi, where ten-year-old Swaminathan's excitement about his country's initial stirrings for independence competes with his ardor for cricket and all other things British. Written during British rule, this novel brings colonial India into intimate focus through the narrative gifts of this master of literary realism.

R.K. Narayan Reflections and Re-evaluation Sarup & Sons

We all wonder if we would do the right thing if called upon ... even if it meant risking our own lives and sense of self. In *The Bone Bridge: A Brother's Story*, author Yarrott Benz is forced to deal with extraordinary self-sacrifice. This is the harrowing account of teenage brothers, as different as night and day, trapped together in a dramatic medical dilemma—a modern miracle and a modern nightmare. The only case like it in history, the true story unfolds over thirteen years as the two brothers navigate through their enmeshed lives with all that they feel for each other: hatred and love, rejection and acceptance, disdain and respect. Despite painful and violent conflicts, Yarrott must bear the full responsibility of keeping his brother alive. In our world of the individual, where careerism, ego, and personal gain are key, *The Bone Bridge* describes a vastly different human situation. It is a beautifully crafted, affecting story, honest and raw, and also one in which the reader invariably asks, *What would I have done?*

These twelve dazzling stories from Chimamanda Ngozi Adichie — the Orange Broadband Prize-winning author of *Half of a Yellow Sun* — are her most intimate works to date. In these stories Adichie turns her penetrating eye to the ties that bind men and women, parents and children, Nigeria and the United States. In “A Private Experience,” a medical student hides from a violent riot with a poor Muslim woman, and the young mother at the centre of “Imitation” finds her comfortable life in Philadelphia threatened when she learns that her husband has moved his mistress into their Lagos home. Searing and profound, suffused with beauty, sorrow and longing, this collection is a resounding confirmation of Adichie's prodigious literary powers.

Finalist for the National Book Award: “A family saga in the manner of Gabriel García Márquez,” set in Puerto Rico, from an extraordinary storyteller (The New York Times Book Review). This riveting, multigenerational epic tells the story of two families and the history of Puerto Rico through the eyes of Isabel Monfort and her husband, Quintín Mendizabal. Isabel attempts to immortalize their now-united families—and, by extension, their homeland—in a book. The tale that unfolds in her writing has layers upon layers, exploring the nature of love, marriage, family, and Puerto Rico itself. Weaving the intimate with the expansive on a teeming stage, Ferré crafts a revealing self-portrait of a man and a woman, two fiercely independent people searching for meaning and identity. As Isabel declares: “Nothing is true, nothing is false, everything is the color of the glass you're looking through.” A book about freeing oneself from societal and cultural constraints, *The House on the Lagoon* also grapples with bigger issues of life, death, poverty, and racism. Mythological in its breadth and scope, this is a masterwork from

an extraordinary storyteller.

R. K. Narayan (1906—2001) witnessed nearly a century of change in his native India and captured it in fiction of uncommon warmth and vibrancy. The title character in *The English Teacher*, Narayan's most autobiographical novel, searches for meaning when the death of his young wife deprives him of his greatest source of happiness. This pioneering novel, luminous in its detail and refreshingly free of artifice, is a gift to twentieth-century literature.

R. K. Narayan (1906—2001) witnessed nearly a century of change in his native India and captured it in fiction of uncommon warmth and vibrancy. The four novels collected here, all written during British rule,

bring colonial India into intimate focus through the narrative gifts of this master of literary realism. *Swami and Friends* introduces us to Narayan's beloved fictional town of Malgudi, where ten-year-old Swaminathan's excitement about his country's initial stirrings for independence competes with his ardor for cricket and all other things British. *The Bachelor of Arts* is a poignant coming-of-age novel about a young man flush with first love, but whose freedom to pursue it is hindered by the fixed ideas of his traditional Hindu family. In *The Dark Room*, Narayan's portrait of aggrieved domesticity, the docile and obedient Savitri, like many Malgudi women, is torn between submitting to her husband's humiliations and trying to escape them. The title character in *The English Teacher*, Narayan's most autobiographical novel, searches for meaning when the death of his young wife deprives him of his greatest source of happiness. These pioneering novels, luminous in their detail and refreshingly free of artifice, are a gift to twentieth-century literature.

R.K. Narayan's reputation as one of the founding figures of Indian writing in English is re-examined in this comprehensive study of his fiction, which offers detailed readings of all his novels. Arguing against views that have seen Narayan as a chronicler of "authentic" Indianness, John Thieme locates his fiction in terms of its specific South Indian contexts and cultural geography and its non-Indian intertexts. The study also considers the effect that Narayan's writing for overseas publication had on novels such as Swami and Friends, The Guide and The Man-Eater of Malgudi. Narayan's imaginary small town of Malgudi has often been seen as a metonym for India. Thieme draws on recent thinking about the ways in which place and space are constructed to demonstrate that Malgudi is always a fractured and transitional site, an interface between older conceptions of Indianness and contemporary views that stress the ubiquitousness and inescapability of change in the face of modernity. The study also shows that Malgudi is seen from varying angles of vision and with shifting emphases at different points in Narayan's career. As well as offering fresh insights into the influences that went into the making of Narayan's fiction, this is the most wide-ranging and authoritative guide to his novels to have appeared to

date. It provides a unique account of his development as a writer. An unusual and witty travel book about the United States of America. At the age of fifty, when most people have settled for the safety of routine, R. K. Narayan left India for the first time to travel through America. In this account of his journey, the writer’s pen unerringly captures the clamour and energy of New York city, the friendliness of the West Coast, the wealth and insularity of the Mid-West, the magnificence of the Grand Canyon...Threading their way through the narrative are a host of delightful characters—from celebrities like Greta Garbo, Aldous Huxley, Martha Graham, Cartier Bresson, Milton Singer, Edward G. Robinson and Ravi Shankar to the anonymous business tycoon on the train who dismissed the writer when he discovered Narayan had nothing to do with India’s steel industry. As a bonus, there are wry snapshots of those small but essential aspects of American life—muggers, fast food restaurants, instant gurus, subway commuters, TV advertisements, and American football. An entrancing and compelling travelogue about an endlessly fascinating land.

'Close your eyes and slowly count backward from ten.' America, the near future. A young spy on a mission logs her observations. The result is an intense thriller, and a minute dissection of the experience of a woman whose beauty is also her camouflage, for whom control relies on submission: a woman whose success - whose life - depends on being seen and not seen. A venerable tiger, old and toothless now, looks back over his life from cubhood and early days roaming wild in the Indian jungle. Trapped into a miserable circus career as 'Raja the magnificent', he is then sold into films (co-starring with a beefy Tarzan in a leopard skin) until, finding the human world too brutish and bewildering, he makes a dramatic bid for freedom. R.K. Narayan's story combines Hindu mysticism with ripe Malgudi comedy, viewing human absurdities through the eyes of a wild animal and revealing how, quite unexpectedly, Raja finds sweet companionship and peace.
