The Way to Rainy Mountain recalls the journey of Tai-me, the sacred Sun Dance doll, and of Tai-me ' s people in three unique voices: the legendary, the historical, and the contemporary. It is also the personal journey of N. Scott Momaday, who on a pilgrimage to the grave of his Kiowa grandmother traversed the same route taken by his forebears and in so doing confronted his Kiowa heritage. It is an evocation of three things in particular: a landscape that is incomparable, a time that is gone forever, and the human spirit, which endures. Celebrating fifty years

dispels the common myth of the "natural-born teacher" and introduces maverick educators exploring the science behind their art. Her dramatic account reveals that great teaching is not magic, but a skill—a skill that can be taught. Now with a new afterword that offers a guide on how to identify—and support—great teachers, this provocative and hopeful book "should be part of every new teacher's education" (Washington Post).

Reproduction of the original: A Doll ?s House by Henrik Ibsen
Proclus (410-485) was the last great Greek philosopher. In this study, Proclus expert Lucas Siorvantes sets out to strip away the complexities surrounding this traditionally difficult philosopher, with the intention of providing an accessible introduction to his work. Based on extensive study of the primary sources, he takes the reader through

Proclus' metaphysics and epistemology, introducing the results of original research as well as explaining the more difficult passages.

Sorivantes surveys the philosophical climate of Late Antiquity dominated by Aristotle and Plato, and points out the direct influence Proclus had on the subsequent work of Kepler and Copernicus.

A new translation of Voltaire's Treatise on Toleration, one of the most important essays on religious tolerance and freedom of thought A powerful, impassioned case for the values of freedom of conscience and religious tolerance, Treatise on Toleration was written after the Toulouse merchant Jean Calas was falsely accused of murdering his son and executed on the wheel in 1762. As it became clear that Calas had been persecuted by 'an irrational mob' for being a Protestant, the Enlightenment philosopher Voltaire began a campaign to vindicate him and his family. The resulting work, a screed against

This is part two of a four-part prose reading course designed for beginners in Greek and other learners wishing to consolidate their reading skills. Particular attention is paid to idiomatic usage (both in Greek and English), word order and the use of particles and particle-combinations, while practical guidance is given on mastering the verbal systems and other features of the language which beginners generally find problematic. The four units may be studied in succession as part of

Roland Barthes, Pierre Bourdieu, A. J. Greimas, Michel Foucault, and Claude Levi-Strauss created the "structuralist" and "poststructuralist" movements. They succeeded Sartrean existentialism and formed a new aristocracy of culture. French Intellectual Nobility is the first study to examine the conditions for the creation of these movements. Through case studies in cultural history, sociology,

reader to the use which the Neoplatonists made of Plato's Republic in their educational program. Each volume is completed by a Greek word index and an English-Greek glossary that will help non-specialists to track the occurrence of key terms throughout the translated text. The second volume of the edition presents Proclus' essays on the tripartite soul and the virtues, female philosopher rulers, and the metaphysics and epistemology of the central books of the Republic. The longest of the essays in Volume II interprets the nature and significance of the 'marriage number' whose miscalculation leads to the degeneration of the ideal city-state.
