Dreams are the currency of Okri's writing, particularly in his first book of poems, *An African Elegy*, but also in his books of short stories and prize-winning novel *The Famished Road*. Okri's dreams are made on the stuff of Africa's colossal economic and political problems, and reading the poems is to experience a constant succession of metaphors of resolution in both senses of the word. Virtually every poem contains an exhortation to climb out of the African miasma, and virtually every poem harvests the dream of itself with an upbeat restorative ending' - Giles Foden, *Times Literary Supplement*

Regile is a zama-zama working illegally in an abandoned mine near Barberton. He has moved up the ranks and is now paid a salary to keep the other child workers in line. Towards the end of a three-month stint underground, a fourteen-year-old boy from Mozambique, Taiba, starts asking questions about their rescue. Taiba constantly reaffirms his belief that they will be saved: by the police, by the private security firms that guard the mines, or maybe even by the mythical Spike Maphosa. Regile knows that such hope is dangerous.

The search for a means to an end to apartheid erupts into conflict between a black township youth and his "old-fashioned" black teacher.

This is the moving story of the unforgettable Rosa Burger, a young woman from South Africa cast in the mold of a revolutionary tradition. Rosa tries to uphold her heritage handed on by martyred parents while still carving out a sense of self. Although it is wholly of today, Burger's Daughter can be compared to those 19th century Russian classics that make a certain time and place come alive, and yet stand as universal celebrations of the human spirit. Nadine Gordimer, winner of the 1991 Nobel Prize in Literature, was born and lives in South Africa.

South African universities face major challenges in meeting the needs of their students in the area of academic language and literacy. The dominant medium of instruction in the universities is English and, to a much lesser extent, Afrikaans, but only a minority of the national population are native speakers of these languages. Nine other languages can be media of instruction in schools, which makes the transition to tertiary education difficult enough in itself for students from these schools. The focus of this book is on procedures for assessing the academic language and literacy levels and needs of students, not in order to exclude students from higher education but rather to identify those who would benefit from further development of their ability in order to undertake their degree studies successfully. The volume also aims to bring the innovative solutions designed by South African educators to a wider international audience.

*Okonkwo is the greatest warrior alive, famous throughout West Africa. But when he accidentally kills a clansman, things begin to fall apart. Then Okonkwo returns from exile to find missionaries and colonial governors have arrived in the village. With his world thrown radically off-balance he can only hurtle towards tragedy. Chinua Achebe's stark novel reshaped both African and world literature. This arresting parable of a proud but powerless man witnessing the ruin of his people begins Achebe's landmark trilogy of works chronicling the fate of one African community, continued in Arrow of God and No Longer at Ease.*

*Providing clear, pedagogical steps and curriculum guidance, this practical book focuses on laying the strong foundation that is needed to assist learners in using English as the language of learning and teaching (LoLT) from grade four onward. In grade four, the majority of learners make the transition from their home language to English as the LoLT; to assist learners in this transition, it is important that teachers introduce English into the classroom from as early as Grade R (reception year, prior to starting grade one). The earlier learners are exposed to English, the more proficient they will become. Included in this book are strategies for introducing English into the classroom, techniques for teaching English alongside learners' home language, teaching resources for classroom use, and ideas for planning lessons.*

*For years, it has been what is called a 'deteriorating situation'. Now all over South Africa the cities are battlegrounds. The members of the Smales family - liberal whites - are rescued from the terror by their servant, July, who leads them to refuge in his native village. What happens to the Smaleses and to July - the shifts in character and relationships - gives us an unforgettable look into the terrifying, tacit understandings and misunderstandings between blacks and whites.*

*Three sinister and creepy tales by Anthony Horowitz, a master storyteller and the bestselling author of the Alex Rider series. Gary hates the countryside - why did his mum have to bring him here to stay with his gran? It's boring and prickly and field after field, it all looks the same - especially when you're lost... Kevin loves computer games, but this latest game (Smash Crash Smash 500 Plus) breaks all the rules, and now Kevin is part of the game... Howard is in Heaven, strange after a life spent bullying, stealing and playing truant - so why is he so unhappy?*

TRENDS IN LINGUISTICS is a series of books that open new perspectives in our understanding of language. The series publishes state-of-the-art work on core areas of linguistics across theoretical frameworks as well as studies that provide new insights by building bridges to neighbouring fields such as neuroscience and cognitive science. TRENDS IN LINGUISTICS considers itself a forum for cutting-edge research based on solid empirical data on language in its various manifestations, including sign languages. It regards linguistic variation in its synchronic and diachronic dimensions as well as in its social contexts as important sources of insight for a better understanding of the design of linguistic systems and the ecology and evolution of language. TRENDS IN LINGUISTICS publishes monographs and outstanding dissertations as well as edited volumes, which provide the opportunity to address controversial topics from different empirical and theoretical viewpoints. High quality standards are ensured through anonymous reviewing.

Maya Angelou's unforgettable collection of poetry lends its name to the documentary film about her life, *And Still I Rise*, as seen on PBS's *American Masters*. Pretty women wonder where my secret lies. I'm not cute or built to suit a fashion model's size But when I start to tell them, They think I'm telling lies. I say, It's in the reach of my arms, The span of my hips, The stride of my step, The curl of my lips. I'm a woman Phenomenally, Phenomenal woman, That's me. Thus begins "Phenomenal Woman," just one of the beloved poems collected here in Maya Angelou's third book of verse. These poems are powerful, distinctive, and fresh—and, as always, full of the lifting rhythms of love and remembering. *And Still I Rise* is written from the heart, a celebration of life as only Maya Angelou has discovered it. "It is true poetry she is writing," M.F.K. Fisher has observed, "not just rhythm, the beat, rhymes. I find it very moving and at times beautiful. It has an innate purity that I, unquenchable dignity. . . . It is astounding, flabbergasting, to recognize it, in all the words I read every day and night . . . it gives me heart, to hear so clearly the caged bird singing and to understand her notes."

An award-winning play about the relationship between brothers. Nothing but the Truth is the story of two brothers, of sibling rivalry, of exile, of memory and reconciliation, and the ambiguities of freedom. The play was John Kani's debut as sole playwright and was first performed in the Market Theatre in Johannesburg. It won the 2003 Fleur du Cap Award for best actor and best new South African play. In the same year Kani was also awarded a special Obie award for his extraordinary contribution to theatre in the USA.

Dancing with Hyenas is a tour-de-force that blends excellent prose with fact-driven stories to give a fresh perspective of the black struggle against the oppressive conditions of apartheid South Africa. The reader is taken 'behind the scenes' to conversations and strategy sessions in which successive generations of black youths are conscientized about the ideals of the liberation struggle. In the book, author Mzi Mahola tells the stories in evocative, authentic, and thought-provoking narrative. Elsewhere he recounts the deep soul-searching exchanges among the black youth about the goals and efficacy of the Black Consciousness Movement in advancing cause of black liberation. His accounts are remarkably accurate, especially given the fifteen-year range over which the book is written. What is most refreshing about Dancing with Hyenas is the emic perspective it takes since most of the books on the topic are written by outside observers. This is a one-of-a-kind book- amust-read for any interested in learning from indigenous blacks how they were able to make meaning of the lives while confronted by vagaries and vicissitudes of that vicious system, which was finally brought down in the early 1990s. Mzamo P Mangaliso Professor, Isenberg School of Management University of Massachusetts - Amherst MA Dancing with Hyenas is a bout rites of passage of a young man hurled into maturity in a troubled land. Mzikayise Mahola conveys the story choosing words with the precision and dexterity of a poet, recalling events and painting them with the skill reserved for great story tellers. The book enthralns as it enables the reader to journey with Lizo through the labyrinth of dark paths in a perilous South Africa. We do not know how he will survive the wrath of the system whose vultures always hover with devilish zeal and sickening patience. Lizo thrives in a world that betrays talented and ambitious youth. Mahola lucidly captures the snippets of history, sharing hopes and shattered dreams in the trapping of the old South Africa. Indeed, this book is a piece of history that exemplifies how many young people experienced the rough ride into brittle futures.

*Sindwe Magona's novel Mother to Mother explores the South African legacy of apartheid through the lens of a woman who remembers a life marked by oppression and injustice. Magona decided to write this novel when she discovered that Fulbright Scholar Amy Biehl, who had been killed while working to organize the nation's first ever democratic elections in 1993, died just a few yards away from her own permanent residence in Guguletu, Capetown. She then learned that one of the boys held responsible for the killing was in fact her neighbor's son. Magona began to imagine how easily it might have been her own son caught up in the wave of violence that day. The book is based on this real-life incident, and takes the form of an epistle to Amy Biehl's mother. The murderer's mother, Mandisi, writes about her life, the life of her child, and the colonized society that not only allowed, but perpetuated violence against women and impoverished black South Africans under the reign of apartheid. The result is not an apology for the murder, but a beautifully written exploration of the society that bred such violence.*

*Dr Jekyll is a well-respected, curious scientist who tries to separate his good characteristics from his evil impulses. Dr Jekyll uses science to explore his alter ego Mr Hyde and attempts to control Mr Hyde's evil urges, even as they grow in intensity.*

*Emma Le Roux hires a personal security expert when her beloved-dead brother is named as a suspect in the murders of five people, a situation that pits her against political tensions, corruption and life-threatening violence. By the author of Heart of the Hunter. Reprint.*

*In this ambitious and densely worked novel, we begin to see early signs of Ngugi's increasing bitterness about the ways in which the politicians are the true benefactors of the rewards of independence.*
