Key English Grammar

English Grammar & Composition

An English Grammar Conformed to Present Usage

General English Grammar

The book is divided into three parts comprised of overall 35 chapters. Part one contains Grammar, part two – Aids to Vocabulary, and part three – Writing Skills. • The section dealing with Grammar is in double color. The points given in pink color suggest importance or emphasis, so they need attention and will help you to understand quickly and easily. These points are further highlighted with arrows. • Text printed on-screen suggests points likely to misunderstand. Sometimes they explain subtle distinctions between two apparently similar points. • Grammar items are discussed very systematically – one at a time. Plentiful illustrations are followed by carefully designed exercises. • There is an exhaustive section dealing exclusively with Multiple choice questions covering all the areas of Grammar as well as Vocabulary. It will help to get familiar with the latest evaluation pattern. • The chapter on vocabulary is adequate and it has been kept within manageable proportions. • The chapter on Precis writing under the section Writing Skills contains a large number of solved examples, which fully explain how to analyze a passage, how to prepare a rough draft and then turn out a good readable and adequate final precis. They are followed by passages provided with aids to vocabulary and detailed outlines. The passages selected for precis writing cover a wide range of interests and have been carefully graded. • There is a comprehensive section on letter writing covering personal, business, and official correspondence. While it explains the requisites of the good letter—its style, layout – it also provides a number of model letters for quick guidance

"Thiru V.P. Kannan has brought out a nice manual covering all the aspects of grammar in a comprehensive manner with copious examples and adequate exercises. This book will be of immense help to the students ... deliberately made very simple to enhance the grasping of rural students" Dr. V. IRAI ANBU, I.A.S. "How we say something can be as important as what we say ... Ungrammatical communications lack clarity ... The book is indeed comprehensive ... Students will find English Grammar (Simple, Practical yet Comprehensive) very helpful as they work to improve their skill in English grammar. Dr. Carl Perrin, Ph. D., Lakewood, NJ, USA "Unlike the conventional books, the book is well structured with units, wholesome by themselves and arranged in a logical sequence ... a boon not only to students but also to learners of English language at all levels as the book is planned and designed in the most practical and natural way." Dr. S. SHANMUGIAH, M.A., Ph.D. Registrar, Tamil Nadu Open University, Chennai "I appreciate his (author's) initiative in working out a scheme of learning English that is interesting and easy to pursue ... it enables the learner to move from the basic to the advanced and achieve mastery by correct and consistent practice ... I commend the book to every teacher and learner." Prof. R. RAJA GOVINDASAMY, M.A., M.A. (USA) Principal, Thiagarajar College, Madurai "Each topic is dealt with utmost care ... I am confident that this book will prove to be an asset to students and teachers. It will also be a source of support and guidance for parents who wish to prepare their wards for the examination and also help them to develop their proficiency in English Grammar." Mrs. FELICIA AUGSTINE, M.A., M.Ed. Academic Supervisor, Dept. of English, SBOA School & Junior College, Chennai

Essentials of English Grammar & Composition

English is a global language spoken worldwide by nearly 400 million native speakers and 750 million people of different ethnicities as a second language, making it the largest spoken language in the world. While there are multiple dialects and accents including North American, British English, Australian, African and Asian to name a few, it can often be interpreted by people using a different dialect and accent which makes communicating in English, one of the most essential skills to have. Being able to read, write, speak and understand English is necessary for business, travel, education, career and for maintaining international relations. The most successful people in the world have mastered their communication skills in English. It helps them have a better life not only professionally but also personally. These people can express themselves better and maintain good relations with their family and friends. Every language comprises of two parts – grammar and vocabulary. While grammar can be learnt at schools, colleges, universities, private institutions or using English grammar books, learning vocabulary and being able to remember it and utilize it in everyday communication has always been a challenge. Dictionaries have been the oldest and most basic source of learning English vocabulary. They provide word meanings and sentences. Thesaurus provides synonyms of words. Other English books provide antonyms, idioms and phrases. But all these serve more as a reference than a learning source since memorizing a plethora of words from these sources is almost impractical. And yet most books for competitive exams in the market today list thousands of words and meanings and expect people to memorize them. Institutes and Universities encourage people to read novels or fiction books voraciously in the hope that people will be able to improve their vocabulary. What they fail to understand is readers must read hundreds of books to learn hundreds of words. There is never a certainty that the books they read will have a disjoint set of words. Even if they do, it will only take several years before a reader will be able to master hundreds of words. In order to resolve the above conundrum and make it convenient for readers to learn thousands of words with just one book and in a span of only two to three months, an attempt has been made in the form of The English Bunny. The English Bunny is a collection of short stories and prides itself on covering close to 2500 words and their meanings in just about 150 pages with 1 story per page and each story not exceeding 20 lines. Like never before, The English Bunny is here to revolutionize the way you learn and improve your English Vocabulary. If you are a student preparing for any competitive exam like GMAT, GRE, TOEFL, IELTS, MCAT, SAT or ACT, you are hard pressed on time and would want to master a lot of words in a short span of time. The English Bunny will help you memorize these words in a sure shot fun way with very little effort. If you are a business professional, looking to enhance your communication skills by improving your vocabulary, The English Bunny will help you in your pursuit. If your first language is not English and you have difficulty in understanding complex English or if you are interested in improving your confidence, The English Bunny will help you in your pursuit. It is your fastest English vocabulary learning pal.

English Grammar

It is one of the bestselling books on Modern Indian History covering the time line from 1707 to the modern times. The book covers the entire gamut in a very unique style- it mentions not only factual data about various topics but also provides information about different interpretations put forth by Western and Indian historians, with an integrated analysis. This makes the book equally useful for undergraduate students of History and aspirants appearing for various competitive examinations.
