A Study of English Words

French-English and English-French Dictionary, Comprising All the Improvements of the Latest London and Paris Editions, with the Pronunciation of Each Word, According to the Dictionary of the Abbé Tardy

A Critical Pronouncing Dictionary and Exposition of the English Language ...

Exhibiting the Pronunciation, Etymology, and Explanation of Every Word Usually Employed in Science, Literature, and Art

A quirkily illustrated, brilliantly risqué, but thoroughly practical, guide to the peculiarities of one of the trickiest languages on earth, for (strictly adult) students of English as a foreign language and native speakers alike Do you know when to use whether opposed to if? For example, I wonder whether I should have added a little more poison to his tea? Or where to place the comma in a conditional sentence? English Is Not Easy presents the intricacies of the English language in a whimsically illustrated guide that is appealing even to the grammar averse. If all other language and grammar guides leave you snoring, look no further. English Is Not Easy doesn't offer run-of-the-mill phrases about extreme sports and atmospheric conditions that you'll learn in a generic English textbook. This book offers vocabulary for situations the reader will actually find themselves in. Need an insult? Those are here, too, and imbecile is the kindest of the bunch. From 'to be' to complicated verb tenses and seemingly nonsensical idioms, Luci's characters, cheeky dialogue, and playful sentences bring the vocabulary, grammar and usage to life. For those who haven't brushed up on grammar since primary school or non-native English speakers looking to improve conversation, English Is Not Easy is a fresh and infectious guide to revisiting the rules with striking illustrative adventure along the way.

A Guide to the Language

This book, the first in a series, should be the first novel you read in French! Reading a book in French can be difficult, even for advanced students. French novels are usually full of idiomatic expressions. They use complicated tenses, complex sentence structures, and often slang. This book is in simple French. It's about the joys and the frustrations of an adult learning French. It includes a good dose of humor, a few exercises, and illustrations. Note: this book contains adult language. A school edition of the book without adult language entitled Oh Là Là, It's Not Easy Learning French is also available on Amazon. The book has two sections, allowing more levels of French students to enjoy it. Section 1 has the story written completely in French, and includes grammar exercises. Section 2 contains a list of the more difficult vocabulary translated into English and the complete text in English so students can check their comprehension.

"I must congratulate you on GLOBISH THE WORLD OVER. It's a pioneering text of great importance, full of enthralling insights for native and non-native English users alike." -- Robert McCrum, author, The Story of English and Literary Editor, London Observer. Globish, as a concept, takes to task the world hegemony of arrogant English-speakers. Hence the landmark book Don't Speak English - Parlez Globish became a best-seller in French, and other languages, but it never appeared in English. GLOBISH THE WORLD OVER is the first book written in Globish-English. Non-native English speakers from non-Anglophone countries use English better between themselves than with any native English speaker. Globish codifies their very efficient "similar limitations." The word Globish may strike English-speakers as an "odd" way to rename their English. However billions of speakers in Brazil, Russia, India and China will be the new "owners" of what the world is now calling Globish. The implications are far-reaching. GLOBISH THE WORLD OVER discusses this phenomenon, and demonstrates that Globish - as a deliberate and sufficient subset of English for international communication - is limited more by a person's communication ability than by mere words.
