units. Each requires eight teaching sessions and is designed to be taught over a two-week period. The key skills of reading, writing, speaking and listening are consistently covered throughout the course and are underpinned by the firm foundation of the grammar syllabus.

New Cambridge Advanced English places a strong emphasis on vocabulary, collocation and idiom. It includes CAE exam-style exercises but is suitable both for exam and non-exam candidates. This is a third edition, differing from the second edition by only one minor change in a reading passage.
