Honeybees make decisions collectively--and democratically. Every year, faced with the life-or-death problem of choosing and traveling to a new home, honeybees stake everything on a process that includes collective fact-finding, vigorous debate, and consensus building. In fact, as world-renowned animal behaviorist Thomas Seeley reveals, these incredible insects have much to teach us when it comes to collective wisdom and effective decision making. A remarkable and richly illustrated account of scientific discovery, *Honeybee Democracy* brings together, for the first time, decades of Seeley's pioneering research to tell the amazing story of house hunting and democratic debate among the honeybees. In the late spring and early summer, as a bee colony becomes overcrowded, a third of the hive stays behind and rears a new queen, while a swarm of thousands departs with the old queen to produce a daughter colony. Seeley describes how these bees evaluate potential nest sites, advertise their discoveries to one another, engage in open deliberation, choose a final site, and navigate together--as a swirling cloud of bees--to their new home. Seeley investigates how evolution has honed the decision-making methods of honeybees over millions of years, and he considers similarities between the ways that bee swarms and primate brains process information. He concludes that what works well for bees can also work well for people: any decision-making group should consist of individuals with shared interests and mutual respect, a leader's influence should be minimized, debate should be relied upon, diverse solutions should be sought, and the majority should be counted on for a dependable resolution. An impressive exploration of animal behavior, *Honeybee Democracy* shows that decision-making groups, whether honeybee or human, can be smarter than even the smartest individuals in them.

"This reference is a convenient introduction to folk and fairy tales for students and general readers. Ashliman looks at tales from around the world and from diverse cultures.

The book defines and classifies folk and fairy tales and analyzes a number of examples.

It also studies the varied manifestations of folk and fairy tales in literature and culture, and reviews critical and scholarly approaches to this folklore genre."--BOOK

Engage with the Next Generation of Writers! Wattpad is an online storytelling community where users can post their writing, such as articles, stories, novels, fan fiction, and poems.

This platform offers writers the chance to connect directly with readers, fans, and story enthusiasts. With the ability to release stories and chapters one at a time, authors can receive continual encouragement and real-time feedback on their work.

The Wattpad staff supports successful writers through their Stars program, which provides them opportunities to work with successful brands, publish to print, connect to film and television industries, and more. The potential of Wattpad for writers is limitless, and, for the first-time ever, the staff, writers, and stars of Wattpad have created the guide to help you launch and sustain a successful writing career through this platform.

In *The Writer's Guide to Wattpad*, you'll learn how to:

- Get started using Wattpad, prepare your writing to be published, and develop a unique cover design.
- Interact with readers, use multimedia to enhance and tell stories, and leverage social media to create a stronger platform.
- Attract the attention of an agent or publisher and sell copies of your work elsewhere.
- Tap into the brand of Wattpad to understand their Stars Program, brand campaigns, and what success looks like.

Written to be accessible to beginners and veterans alike, *The Writer's Guide to Wattpad* is your essential companion to navigating the Wattpad platform and brand, and leveraging your writing to millions of users worldwide.

This carefully crafted ebook: "On Masturbation: "Some Thoughts on the Science of Onanism" is formatted for your eReader with a functional and detailed table of contents. One evening in Paris in 1879, The Stomach Club, a society of American writers and artists, gathered to drink well, to eat a good dinner and hear an address by Mark Twain. He was among friends and, according to the custom of the club, he delivered a humorous talk on a subject hardly ever mentioned in public in that day and age. After the meeting, he preserved the manuscript among his papers. It was finally printed in a pamphlet limited to 50 copies 64 years later. The speech satirically dealt with masturbation and the bane it is on our society. His remarks rubbed Victorian society the wrong way, and were censored for a century. Mark Twain (pseudonym of Samuel Langhorne Clemens) (1835-1910), quintessential American humorist, lecturer, essayist, and author wrote *The Adventures of Tom Sawyer*.

The Real Lolita

Here is the life of an ordinary Turkish man, a master tambour player of local fame, whose life stretches from Istanbul to Beirut because of his obsessive love for Maryam.

Aldous Huxley's lifelong concern with the dichotomy between passion and reason finds its fullest expression both thematically and formally in his masterpiece Point Counter Point. By presenting a vision of life in which diverse aspects of experience are observed simultaneously, Huxley characterizes the symptoms of "the disease of modern man" in the manner of a composer - themes and characters are repeated, altered slightly, and played off one another in a tone that is at once critical and sympathetic. First published in 1928, Huxley's satiric view of intellectual life in the '20s is populated with characters based on such celebrities of the time as D.H. Lawrence, Katherine Mansfield, Sir Oswald Mosley, Nancy Cunard, and John Middleton Murray, as well as Huxley himself. A major work of the 20th century and a monument of literary modernism, this edition includes an introduction by acclaimed novelist Nicholas Mosley (author of Hopeful Monsters and the son of Sir Oswald Mosley). Along with Brave New World (written a few years later), Point Counter Point is Huxley's most concentrated attack on the scientific attitude and its effect on modern culture.

In scene embedded within scene, Red Dyed Hair spins a tale of social and personal cowardice and treachery against a distant backdrop of courage betrayed at the cost of death.

Working in secret for a fourteenth-century Oxford professor who would translate the Bible into English, master illuminator Finn forms an alliance with Lady Kathryn, a widow desperate to protect her inheritance from the church and the monarchy.

Essays on Conrad

A landmark collection of Ian Watt's essays on Joseph Conrad.

An interpretation of relations between the central Ottoman Empire and provincial Iraqi society in the early modern period.

With meticulous observation and the seductive skill of a great storyteller, Vargas Llosa lures the reader into the shadow of perversion that, little by little, darkens the extraordinary happiness and harmony of his characters. The mysterious nature of happiness and above all, the corrupting power of innocence are the themes that underlie these pages, and the author has perfectly met the demands of the erotic novel, never dimming for an instant the fine poetic polish of his writing.

"From 1501 to 1505, Leonardo da Vinci and Michelangelo Buonarroti both lived and worked in Florence.

Leonardo was a charming, handsome fifty year-old at the peak of his career. Michelangelo was a temperamental sculptor in his mid-twenties, desperate to make a name for himself. The two despise each other."--Front jacket flap.

A Novel of Leonardo and Michelangelo

Red Dyed Hair

A beautiful and compelling novel, Elif Shafak's The Gaze considers the damage which can be inflicted by our simple desire to look at others "I didn't say anything. I didn't return his smiles. I looked at him in the wide mirror in front of where I was sitting. He grew uncomfortable and avoided my eyes. I hate those who think fat people are stupid.' An obese woman and her lover, a dwarf, are sick of being stared at wherever they go, and so decide to reverse roles. The man goes out wearing make up and the woman draws a moustache on her face. But while the woman wants to hide away from the world, the man meets the stares from passers-by head on, compiling his 'Dictionary of Gazes' to explore the boundaries between appearance and reality. Intertwined with the story of a bizarre freak-show organised in Istanbul in the 1880s, The Gaze considers the damage which can be inflicted by our simple desire to look at others. "Beautifully evoked" - The Times "Original and Compelling" - TLS "Plays with ideas of beauty and ugliness like they're Rubik's cubes" - Helen Oyeyemi "Entertaining and affecting" - Publishers' Weekly Elif Shafak is the acclaimed author of The Bastard of Istanbul and The Forty Rules of Love and is the most widely read female novelist in Turkey. Her work has been translated into more than thirty languages. She is a contributor for The Telegraph, Guardian and the New York Times and her TED talk on the politics of fiction has received 500 000 viewers since July 2010. She is married with two children and divides her time between Istanbul and London.

In order to heal the wounds in his heart, Eiri Yuki and his vocalist lover, Shuichi, travel to New York to visit the grave of Yuki's first love and tormentor, Yuki Kitagawa. But once there, they make a startling discovering that will change their lives...forever! The eagerly awaited sequel to the shonen-ai smash hit begins right here! Humble beans are the true MVPs of the kitchen. They have a long shelf life, are packed with protein, and best of all, they taste great in a wide variety of applications. This collection of 20 foolproof recipes gives beans their due, putting them center stage in recipes such as Ultracreamy Hummus (you've never had homemade hummus this velvety-smooth) and White Bean and Tuna Salad (two pantry-friendly ingredients come together for a dish that's greater than the sum of its parts). We share the secrets to making light and crispy Falafel as well as

irresistible soups and sides. Whether you're looking for breakfast inspiration (our recipe for Scrambled Eggs with Pinto Beans and Cotija Cheese delivers tender eggs with a mildly spicy kick), internationally inspired mains such as Palak Dal (Spinach Dal with Cumin and Mustard Seeds) and Tuscan Shrimp and Beans, or hearty vegetarian dishes such as Black Bean Burgers and Meatless "Meat" Sauce with Chickpeas and Mushrooms, this collection gives you 20 great reasons to put beans on the menu.

Rifa'at 'Ali Abou-El-Haj reevaluates the established historical view of the Ottoman Empire as an eastern despotic nation-state in decline and instead analyzes it as a modern state comparable to contemporary states in Europe and Asia.

The Aziz Bey Incident

League of Legends: Zed

"The Real Lolita is a tour de force of literary detective work. Not only does it shed new light on the terrifying true saga that influenced Nabokov's masterpiece, it restores the forgotten victim to our consciousness." —David Grann, author of Killers of the Flower Moon Vladimir Nabokov's Lolita is one of the most beloved and notorious novels of all time. And yet, very few of its readers know that the subject of the novel was inspired by a real-life case: the 1948 abduction of eleven-year-old Sally Horner. Weaving together suspenseful crime narrative, cultural and social history, and literary investigation, The Real Lolita tells Sally Horner's full story for the very first time. Drawing upon extensive investigations, legal documents, public records, and interviews with remaining relatives, Sarah Weinman uncovers how much Nabokov knew of the Sally Horner case and the efforts he took to disguise that knowledge during the process of writing and publishing Lolita. Sally Horner's story echoes the stories of countless girls and women who never had the chance to speak for themselves. By diving deeper in the publication history of Lolita and restoring Sally to her rightful place in the lore of the novel's creation, The Real Lolita casts a new light on the dark inspiration for a modern classic.

"He had sought to be the agent of all forces and actions on the Earth, and thus, just as he had transformed iron ingot into a music box, so had he strived to transform the Earth and all it contained into a machine." Ihsan Oktay Anar's 1996 novella, "The Book of Devices," is a skeleton key to the ever-inventive author's fictional world set in the Ottoman times. Here are the wonderful histories of the triumphs and tribulations of three Ottoman inventors, "as reported by the narrators of events and relators of traditions." By turns humorous and touching, these interlinked stories are nutshells of vividly imagined past. While we follow Yafes Chelebi and his two successors in their search for the secret of the perpetual motion, the crumbling empire undergoes drastic changes in the background and the city of their dreams, Istanbul, witnesses coup d'tats, Westernizing reforms, and the advent of technological innovation. Written in a unique idiom that is both a tender mimicry and witty parody of the Ottoman bureaucratic prose, The Book of Devices is Anar at his imaginative best. One cannot help but wonder how a twenty-first-century author can dwell in the past with such ease and come back to the present, as in a Borgesian parable, with a cabinet of dreamy curiosities.

Every detail of setting up a practical, postsecondary support program for students with disabilities is covered in depth in this new source book. Support Programs in Higher Education for Students with Disabilities is filled with vital information on how to plan, develop, implement, and evaluate programs. The program model is designed to work in many disability areas as well as varied educational settings. Forms, worksheets, and reproducible handouts are also included.

Acclaimed writer Allen Heinberg (JLA, *Grey's Anatomy*) joins superstar artist Terry Dodson for a fresh take on Wonder Woman! It's been a year since Diana Prince stepped out of the Super Hero world, but when her former love is kidnapped, she'll have to decide between her old life and saving his!

A journey through the otherworldly science behind Christopher Nolan's award-winning film, *Interstellar*, from executive producer and Nobel Prize-winning physicist Kip Thorne. *Interstellar*, from acclaimed filmmaker Christopher Nolan, takes us on a fantastic voyage far beyond our solar system. Yet in *The Science of Interstellar*, Kip Thorne, the Nobel prize-winning physicist who assisted Nolan on the scientific aspects of *Interstellar*, shows us that the movie's jaw-dropping events and stunning, never-before-attempted visuals are grounded in real science. Thorne shares his experiences working as the science adviser on the film and then moves on to the science itself. In chapters on wormholes, black holes, interstellar travel, and much more, Thorne's scientific insights—many of them triggered during the actual scripting and shooting of *Interstellar*—describe the physical laws that govern our universe and the truly astounding phenomena that those laws make possible. *Interstellar* and all related characters and elements are trademarks of and © Warner Bros. Entertainment Inc. (s14).

A "vivid and entertaining" (Chicago Tribune) tale about the tangled history of two families, from the author of *The Island of Missing Trees* (a Reese's Book Club Pick) "Zesty, imaginative . . . a Turkish version of Amy Tan's *The Joy Luck Club*." —USA Today As an Armenian American living in San Francisco, Armanoush feels like part of her identity is missing and that she must make a journey back to the past, to Turkey, in order to start living her life. Asya is a nineteen-year-old woman living in an extended all-female household in Istanbul who loves Jonny Cash and the French existentialists. *The Bastard of Istanbul* tells the story of their two families—and a secret connection linking them to a violent event in the history of their homeland. Filled with humor and understanding, this exuberant, dramatic novel is about memory and forgetting, about the need to examine the past and the desire to erase it, and about Turkey itself.

On Masturbation: "Some Thoughts on the Science of Onanism"

This unique primary source reader provides first-hand accounts of the events described in Middle Eastern history survey texts. The text is organized into ten chapters featuring chapter introductions and headnotes. The primary source documents cover the late 18th century through the beginning of the 21st, exploring political, social, economic, and cultural history and infusing the volume with the voices of real people. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

A survivor of incest bravely tells her sensitive personal story.

Some secrets remain buried forever . . . When holocaust survivor, Jossi Goldberg, is found dead near his house in Frankfurt, a five-digit number is discovered scrawled in blood at the scene of his murder. The autopsy shows the victim has an old tattoo on his arm which connects him to Hitler's SS, making detectives Pia Kirchhoff and Oliver Bodenstein question Goldberg's true identity. Two more deaths reveal a link between the victims, but what is the secret they shared that the killer seems desperate should go no further? What else happened in the aftermath of the Second World War in Europe yet to be uncovered? Pia and Oliver follow a trail which leads them back to those dark days of wartime in the hope that they can find an eyewitness who may be able to come forward with the truth.

In this delightful conclusion to the Heiress trilogy, Julianne MacLean brings us a fresh twist on classic historical romance—London society as seen through the eyes of a lovely, light-hearted young outsider. Adele Wilson firmly believes life should be calm and entirely without emotional drama. So the first landed gentleman her mother puts in front of her is the one she agrees to marry, and wedding preparations begin as neatly as she hoped. Until, on the way to seal the deal, her carriage is overtaken by ransomers. And then the ransomers are overtaken by someone handsomer, namely Damien Renshaw, Baron Alcester, cousin to her betrothed. Prim, stately Adele finds that she too is being overtaken, by the manliness of this heroic, albeit complicated man. And Damien is not totally unmoved by her challenging nature, which he believes hides a passion and recklessness never before explored. If only he can get her to explore it with him, there is no telling what kind of love—and excitement—the two of them might discover together.

A tale of magic, revenge, and honor lost and regained featuring iconic champions from LEAGUE OF LEGENDS, the most-played PC game in the world! COLLECTING: LEAGUE OF LEGENDS: ZED (2019) 1-6

"Erica Garza has written a riveting, can't-look-away memoir of a life lived hardcore...In an era when predatory male sexual behavior has finally become a topic of urgent national discourse...Getting Off makes for a wild, timely read" (Elle). A fixation on porn and orgasm, strings of failed relationships and serial hook-ups with strangers, inevitable blackouts to blunt the shame—these are not things we often hear women share publicly, and not with the candor, eloquence, and introspection Erica Garza brings to Getting Off. What sets this courageous and riveting account apart from your typical misery memoir is the absence of any precipitating trauma beyond the garden variety of hurt we've all had to endure in simply becoming a person—reckoning with family, learning to be social, integrating what it means to be sexual. Whatever tenor of violence or abuse Erica's life took on through her behavior was of her own making, fueled by fear, guilt, self-loathing, self-pity, loneliness, and the hopelessness those feelings brought on as she runs from one side of the world to the other in an effort to break her habits—from East Los Angeles to Hawaii and Southeast Asia, through the brothels of Bangkok and the yoga studios of Bali to disappointing stabs at therapy and twelve-steps back home. In these remarkable pages, Garza draws an evocative, studied portrait of the anxiety that fuels her obsessions, as well as the exhilaration and hope she begins to feel when she suspects she might be free of them. Getting Off offers a brave and necessary voice to our evolving conversations about addiction and the impact that internet culture has had on us all—"a profoundly genuine, gripping story that any reader can appreciate" (Vice). "In reading Garza's insight into her own experiences, we better understand ourselves" (The New York Times Book Review).
