*The verbal section of the GRE is essentially a vocabulary test. With a few exceptions, if you know the word, you will probably be able to answer the question correctly. Thus, it is crucial that you improve your vocabulary. Even if you have a strong vocabulary, you will still encounter unfamiliar words on the GRE. Many students write off questions, which contain words, they don't recognize. This is a mistake. This book introduces numerous techniques that decode unfamiliar words and prod your memory of words you only half-remember. With these techniques, you will often be able to squeeze out enough meaning from an unfamiliar word to answer a question correctly. Nevertheless, don't rely on just these techniques--you must study word lists. Obviously, you cannot attempt to memorize the dictionary, and you don't need to. The GRE tests a surprisingly limited number of words, and this book has 4000 prime candidates. Granted, memorizing a list of words is rather dry, but it is probably the most effective way of improving your performance on the verbal section. All the words you need for success on the GRE! Features: \* 4000 Words Defined \* Word Analysis section \* 200 Prefixes, Roots, and Suffixes \* Concise, practical definitions*

Michael Henry Dunn's spiritual journey began with heartbreak and a call to monastic life. But a deep conviction that one can be in love with the Divine - passionately, romantically in love - and still find sweet and fulfilling human love as well, led him to seek and find intimacy with the ultimate Soul Mate. Romancing the Divine is Dunn's deeply moving, intensely personal account of a love affair with the Source of Life: the Goddess who is also God. With honesty and humor, Dunn reveals the personal crisis that led to his spiritual awakening, his experiences meditating and chanting in the company of saints and illuminated souls, and the paths and techniques you can use to share in his love. What Dunn experienced (and continues to experience) transcends any one religion. He found commonality in his divine love with Indian yogis and Western nuns and discovered inspiration from Christian monastics and the chants of the kirtan yogic tradition. His is an unabashedly romantic love story centered on the Divine Feminine and filled with joy, passion, and a spiritualized and purified erotic energy. To love the Divine is to discover a lover who, according to Dunn, is "seductive beyond thought of competition." It's a love we all deserve.

Written for intermediate to advanced healers, RELIANCE ON THE LIGHT explains how to identify negative interference and create psychic protection in daily life through meditation and visualization. Diane Stein is concerned that a darkness has engulfed the world in the form of violence against humanity, ecological destruction, and prevailing hopelessness, and so she designed her teachings to help people gain access to the Light—the radiant energy of goodness and understanding. Achieving the psychic protection of this energy creates a collective healing process that promotes positive energy and hope.

Questioning some commonly accepted metaphysical beliefs and explaining how they are programs-beliefs of control designed to keep a person within this earthly matrix. How to escape these programs and this system by changing your beliefs.

Author and healer Diane Stein brings to the layperson psychic healing techniques once assumed to be too esoteric to use without highly specialized knowledge, years of training, and a paranormal gift. ESSENTIAL PSYCHIC HEALING helps us tap into the potent healing power of our own psychic energies. For the beginner, Diane offers theory and instruction in basic meditation, visualization, kundalini energy, chakras, and auras. Those at the intermediate level will learn to utilize spirit guides and angels, and how to use healing crystals, hands-on healing methods, emotional release work, and remote healing. An advanced program discusses healing karma and past lives, soul retrieval, releasing entities, spirit attachments, and understanding and aiding the death process. Whether you are new to or well acquainted with these principles, ESSENTIAL PSYCHIC HEALING is an indispensable primer.
