The General

**introduced a specific,
enforceable framework of
rights for PRMs when
travelling by air in the
European Union (which then
included the United Kingdom),
Iceland, Norway and**

Switzerland (EU+4). The objective of the evaluation is to assess the performance of all provisions of the Regulation across the EU+4. To that end, the study aimed to examine the effectiveness,

**efficiency of the Regulation,
its internal coherence and
coherence with other pieces
of EU legislation, the extent
that the Regulation brought
EU added value and its
relevance in line with the rules**
