

## Evangelism Andrew Wommack

Kinyarwanda translation

Have you ever wondered what you were created to do? You may think you have an idea, but aren't positive that you are fulfilling the purpose for which God created you. First of all, you have to find the unique purpose that He created you for. In his new book, Andrew Wommack teaches you how to do just that. Once you find the will of God for your life, then you will have the assurance and joy that comes from knowing exactly where God wants you to be. As you follow the will of God for your life, it allows you to set goals and purposely seek after what God has created you to do. Andrew teaches you that the number one way that we learn to follow God's will is to simply put God first. When you put Him first then the desire of your heart changes to match up with His. Lastly, Andrew teaches how to fulfill the will of God in your life. It's one thing to find God's will and start moving in the right direction, but it's something else to stay at it over the long haul. Anybody can start, but it's the people who finish that really make a difference. Finishing is more important than starting, and it is only through faith and patience that you inherit God's promises.

Living in God's Best

The Word Is the Seed That Can Change Your Life

***The New You It's important to understand what happened when you received Jesus as your Savior. That knowledge and understanding will keep the Word that was sown in your heart from being stolen by Satan. There is more to salvation than you have ever imagined. The forgiveness of sin was not the only thing included in your salvation. From God's perspective, it is just the beginning, a means to an end. Fellowship is the real goal. Now, become a disciple (learner and follower) of Jesus. Learn what separates Christianity from every other religion; how God sees past, present, and future sins; and much more. The Holy Spirit Living the abundant life that Jesus provided is impossible without the Holy Spirit. Before Jesus disciples received Him, they were weak and fearful. After receiving, each one became a powerhouse of God's miraculous power, and that's available to you. If you believe the Bible is true, then you must also believe the baptism in the Holy Spirit is God's will for everyone. In this book, Andrew establishes the validity of speaking in tongues, talks about the many gifts that accompany it, shares other little-known benefits, and explains how to begin speaking in tongues.***

***You were transformed to transform your world! For too long, Christianity has been defined by a false concept of church. As a result, believers have built walls around their lives, keeping culture at a distance. As Christians have tried to keep culture out of the church, unfortunately, the church has kept itself out of the culture. This was never Jesus' design for the your life! Before church was established as a place that people "came to," Jesus instituted it as an army that brought transformation to society, starting with salvation and continuing with seven spheres of influence: Church, family, education, government, media, arts, and commerce. Six revolutionary voices in the modern church deliver Invading Babylon. This essential guide will equip you to: Understand your vital role in shaping society. Release God's will in your sphere of influence. Become an unstoppable citizen in God's Kingdom. It's your time to arise and be a light in a dark world.***

Health is something everyone wants. Billions of dollars are spent each year trying to retain or restore health. It is a basic desire of all mankind. Anyone who likes sickness must be mentally sick! Yet, religion has told us that God is the one who wants us sick. It even tries to make us believe that sickness is a blessing. That's just not true. God wants you well. Healing is in Christ's Atonement. Jesus died for our health just as much as He died for the forgiveness of our sins. This has to be the foundation of our faith for healing. Many Scriptures relate the healing of our bodies and the forgiveness of our sins in the same verse. Jesus went about healing all who were oppressed of the devil and told us to do the same. Jesus hasn't changed, it's the people who represent Him who have changed.

What about Paul's thorn in the flesh? It is commonly believed that the apostle Paul had a sickness for which he besought the Lord for healing three times, and the Lord wouldn't heal him. From that assumption, people teach that God sometimes wants us sick. In this book, Andrew reveals what Paul's thorn in the flesh was, and it wasn't sickness. If it is God's will to heal everyone, then why isn't everyone healed? It's not because of God. And it's not just because we don't have enough faith. We do have the faith to be healed. Jesus said the problem is our unbelief - unbelief cancels out faith.

Instead of trying to get more faith or bigger faith, we just need a pure faith that isn't negated by unbelief. There are laws that govern the spiritual world just as there are laws that govern the physical realm. Electricity has been around since the beginning of the world, but mankind didn't benefit from electricity until recently, not because it didn't work, but because of our ignorance of the laws of

electricity. Likewise, God's healing is here and available. It's only our ignorance of the laws which control the flow of God's power that keeps us from benefiting from it.

Joyce Meyer is not satisfied with the status quo. She believes that we each need to become a revolutionary and practice love every day. And if Joyce has her way, the revolution will spread - person by person, house by house, town by town, until the old culture of selfishness and greed gives way to a new culture of concern for others. The book is a revolutionaries' manual, a hands-on primer for bringing the Golden Rule to life in the twenty-first century. Meyer starts out by giving some stunning statistics. Right now...210,000 children will die this week because of poverty; 640 million children do not have adequate shelter; every day, 3,000 children are abducted into the sex-trafficking industry; every day, 16,000 children die from hunger-related causes. She goes on to say that although crisis is global, the solution is local. We can't solve the world's problems, but that isn't a reason to remain idle. LOVE REVOLUTION focuses on personal behavior on the local scale. It's not just a call to action; it is a call to being: being the person who goes out of your way to encourage someone who's out of hope; being the one who smiles at a stranger; being the one who is willing to do something for nothing. The paradox: when we do something for nothing, what we often get is something far greater.

*Popular Bible teacher and host of the Gospel Truth broadcast, Andrew Wommack takes on one of the biggest controversies of the church, the freedom of God's grace verses the faith of the believer. Wommack reveals that God's power is not released from only grace or only faith. God's blessings come through a balance of both grace and faith. Addressing many of the misconceptions believers are taught in the Church today, this book opens up the Scriptures revealing the vital connection between grace and faith. Many believers think they walk in both grace and faith when actually they are misusing one or both of these principles. Wommack addresses: \* Some believers willingly sin believing Gods grace will cover them, while the blessing of grace is not to sin, but to release guilt and condemnation when they make a mistake. \* Other believers think they must "work" their faith by ritualistic prayer, confession, or Bible study. Although all these things are good, Jesus Christ set believers free from works of the law. God wants a relationship where He can communicate directly to each believer. \* Grace and faith work together. When believers receive the unmerited favor or grace of God, they can release their faith without doubt or reservation and receive God's blessings. Andrew Wommack in his logical, practical style brings believers back on track in their Christian walk through living in the balance of grace and faith.*

Divine health and prosperity are better than divine healing and provision. If you live in divine health and prosperity, you wont need a miracle to get healed or to pay your bills. If you cant see the difference between the two, that may be one reason you only visit Gods best instead of truly living in it. Most Christians live in a place where its just a matter of time before there's a crisis in their lives and they need a miracle. You might think it would be wonderful to go from miracle to miracle, but that means you'd also be going from crisis to crisis! Miracles are great when you need one, but you weren't meant to continually get by on them. God wants to change where you live. Let Andrew show you how to live in Gods best today!.

The controversial subject of the spiritual authority of the believer in Christ is widely discussed in the church today. Now, Andrew Wommack, host of the #1 fastest growing ministry on television, gives us a new perspective that may challenge everything we've been taught including: If believers have been given authority, then when, how, and toward what should it be exercised?

Discover the true battleground and learn how to recognize the real enemy. Most people believe God created our enemy, Satan, but did He? Understanding the answer will set you free to exercise your authority as a believer. Is spiritual warfare, as taught in many churches today, valid? Can believers use their authority to fight the devil and his demons in the air, or is the real battle in the mind? Digging into the Scriptures, Andrew reveals the spiritual significance of choices, words, and actions and how they affect a believer's ability to stand against the attacks of Satan and to receive God s best. Discover how the enemy works through

your thoughts, interjecting his negative influence on a consistent basis. The devil can't control you outside of your will, but he can use the power of fear, jealousy, envy, bitterness, self-pity and more. A believer's lack of awareness and understanding of the battle only works to the enemy's advantage. By believing God's Word and recognizing what's happening in the spirit realm, you can begin to take the proper action to improve your situation. Learn to release God's power of blessing instead of yielding to Satan's power of sin and death.

Learning through experience definitely makes an impression, but isn't it better sometimes to learn from the successes and failures of others? Scripture tells us that those who came before us are our examples (1 Cor. 10:6-11), given that we could learn what to do-and what not to do. Few offer us the lessons that Elijah does. Looking for God's provision? Elijah dealt with that. Trying to believe God when everything seems to be against you? Elijah dealt with that too. Battling with self-pity? Elijah faced that as well. Elijah's ministry wasn't very long, but it was packed full of life lessons that we can use today. You may not know what a prophet has anything to teach you, but you'll want to think again-a man translated to heaven by a whirlwind must have something to share. Explore the right-and wrong-ways to serve God, and how God honors His servants. This book offers the life experience without the hard knocks!

The Complete Discipleship Evangelism

Revised 2020 version of Japanese translation of the Discipleship Evangelism Level 1 NKJV

Everyone views life through a filter. The Bible calls that your philosophy. It's the way you think and it controls the outcome of your life. Ask yourself, do you believe the bible is the infallible and inspired word of God? Do you believe there is only one way to God? Is God good or judgmental? Does He control your destiny or is that up to you? The answers to these questions and many more will determine your philosophy. That philosophy then, will affect the way you see many social issues like creation and evolution, abortion and homosexuality. Christian Philosophy addresses the way we think, or should think according to the word of God, and applies that in a practical way to the issues we are facing in our culture. It will change the way your view the world forever. Pastor Evelyn Gipson has spent a lifetime of study on the subject of healing. Healing is a portion of what Jesus appropriated for us on the cross. This book has been created to give you some understanding on how to receive your healing, how to walk in your healing, and how to maintain and protect your healing. Evelyn's heartfelt intent is that this book will inspire you to seek the knowledge of God in the area of healing and train you to pursue healing for yourself as well as for others. Make it a point to diligently study the scriptures within as a launching pad to unlock the mystery of God, especially where healing is concerned.

**Have you ever asked yourself what changed when you were "born again?" You look in the mirror and see the same reflection - your body hasn't changed. You find yourself acting the same and yielding to those same old temptations - that didn't seem to change either. So you wonder, Has anything really changed? The correct answer to that question is foundational for receiving from God. If you lack this basic understanding, you'll forever ask yourself doubt-filled questions like: "How could God love somebody like me?" and "How can I possibly expect to receive anything from the Lord? I don't deserve it, I'm not good enough!" Spirit, Soul, and Body will help you eliminate those and other doubt-filled questions that destroy your faith. If you have trouble receiving from God, this is a must-read!**

**The Word of God is like a seed and your heart is the soil. Most Christians want change in some area of their lives. They try and try to make those changes but soon find themselves falling back into the same habits and behaviors. Self-discipline and self-control have once again failed them. So how does lasting change take place? A worm doesn't struggle to become a butterfly in the cocoon. A seed doesn't strive to become a tree and produce fruit. They simply do what they were designed to do by God and the change takes place, effortlessly. The Word of God is like a seed and your heart is the soil. When it's planted and nurtured in the soil of your heart, it begins to grow. The result is transformation; and the fruit becomes evident to all. If you want real change in your life, this book is for you.**

Difficult situations have a way of revealing the heart. Extreme financial pressure, a broken family relationship, or the death of a loved one may be a crisis to one person, while to another it may be a triumph. What's the difference? That's the question Andrew will answer in this book. He speaks straight to the heart of the matter and clearly teaches how two people in pressing circumstances can respond very differently. You'll learn what the Bible means when it says, "I am crucified with Christ: nevertheless I live; yet not I, but Christ liveth in me," and how you can change the way you respond in a crisis. Love, joy, and peace can be yours, even in the worst of situations.

Japanese translation of the Discipleship Evangelism Level 1 NKJV

God has more for us than what we are experiencing. We have all limited God in our lives at some point in one way or another. Fear of success, fear of persecution and imaginations of what God can do for us often limit us. We often see ourselves in a certain way but we have to change that image if we want to experience the abundant life that God has for us. To be able to see big things happen in your finances and restoration of marriages, you have to let the Word of God paint a picture on the inside of you. Often, if you meditate on that and let the Word of God work, the limits you have set for things to happen, will come to pass. In this book, author Andrew Wommack helps you to recognize the areas that you are limiting God so that you can move forward and fulfill His promises. Don't take the limits off God, watch what He will do in you and through you!

*Andrew Wommack uncovers the traditions and misconceptions in prayer that often bring more suffering than good! In finding out how Jesus taught us to pray, we can bring joy back into our relationship with God. Many people, who truly love God with all of their heart, find it difficult to pray as they have been taught. And their once-vibrant relationship with the Lord had become stifled, mechanical, and lifeless. What they don't understand is that prayer is an opportunity to have communion with God—fellowship with the Father. Of course it includes requests because we need help from our Father every day, but it also includes a connection and friendship with God. Readers may find it amazing that God would talk with them just as a friend, but His greatest desire is for His children to know Him in much the same, intimate way as He knows them. After 30 years of ministry, Andrew Wommack has discovered some important things about prayer including what prayer is and what it is not. Readers will uncover the traditions and misconceptions in prayer and discover true and meaningful communion with God through Jesus' example of prayer. More importantly, they'll come to know a new, profound joy and fulfillment in their relationship with God, receiving the answers they need. The subject of prayer has been touched on many times through classic and current authors, but Andrew Wommack brings a fresh approach to prayer by defuncting the common traditions that make prayer laborious and lifeless. In much the same style as Tommy Tenny's *The God Chasers* and Jim Cymbala's *Fresh Wind, Fresh Fire*, readers will be thrilled to find a God who desires to talk with them anytime, whenever they are open and willing. Readers will learn to develop vibrant, open communication with the Father all throughout their day.*

*God can do anything, but did you know He has already done everything? Instead of asking the Lord to do something for you - revive you, heal you, bless you, prosper you - accept what He has already done for you through the death, burial, and resurrection of Jesus Christ. God has left you precious promises in His Word and those promises belong to you right now through Christ. As you see for yourself what God has already done for you and in you, your walk with Him will become a joy and an adventure you never thought possible. Your faith in Him will be quickened, your heart encouraged, and your feet firmly set on His pathway of victory.*
