

Everything Spring Picture The Seasons

Spring is in the air! Bear, Bird, and Mouse are all excited that winter snows are melting away, but their friend Rabbit is not. There are too many things about winter that Rabbit adores, and spring just seems to spell trouble. His friends offer an abundance of reasons to love spring and the changing seasons, but will Rabbit listen? Daniel Kirk has written a lively and humorous tale with the gentle message that change can be fun.

Watch the world transform when spring comes! SLJ writes, "A must-have, joyful seasonal title for the youngest listeners." (starred review) Booklist writes "Lyrical and elegant.." (starred review) Horn writes "joyful reflection" (starred review)

Examines the changes that occur in a sugar maple tree as the seasons progress.

Let's Look at Spring

A 4D Book

I See Spring

Everything Spring

An Attempt at Exhausting a Place in Paris

When Jada wakes up in a hospital, the last thing she thinks is that her life has completely changed forever. But when the very real civil war forces her to flee from every open space, she must use the firearm skills her father taught her to reunite with him and protect herself. Armed with a single gun and a key to an unknown locker, Jada crosses Syria on a journey with a group of children called the Fearless Freedom Fighters. With the leader, Zak, they mount a plan to rescue their fathers while they try to cope with the merciless murders of their families. As Jada and Zak lead the group together, love blossoms, but with soldiers hot on their tail, they need to stay vigilant in the face of war. War Kids is a story about the Syrian Civil war through the eyes of a group of teenagers. Reviews "This is a taunt thought provoking book that grips the reader from the very first page to the last." "This story was heartbreaking and unique because it is told through the children's point of view. I can only recall one other story that comes close to this one and that is The Works of Anne Frank. I hope to read more of H.J. Lawson's work in the future." "Very interesting story, very powerful. I can really feel the emotion." "This book really touches my heart because there is so much truth is in this book." "The detail is so brilliantly displayed, its beautifully written. There are pretty intense chapters, its good... scrap that its excellent. Love the work ...although I am upset. I know this is a fictional story, but I just can't help but feel extremely bad for all the lost lives especially the innocent and young ones." "A REMARKABLE BOOK, DEMANDS TO BE READ" All profits from the book will be going to the save the children charity.

By Georges Perec.

This Picture Book is the perfect introduction to the Spring season. It is divided into 2 rhyming parts and can be read like two seperate picture books on Spring! Why do the Spring Animals think Spring is special, unique and fun? Find out by reading this book. It is the perfect read for story times. Visit the Author Page: www.Deesignery.com

Simple text reveals the anticipation of a boy who, having planted seeds while everything around is brown, fears that something has gone wrong until, at last, the world turns green. By the Caldecott-winning artist of A Sick Day for Amos McGee.

A Time to Write

Increase your child's dental awareness by showing him/her that teeth have "emotions" too! Coloring introduces feelings, concepts and emotions quite well. It is an activity well-loved because of its many benefits, especially the formation of essential life skills like patience, determination control and self-confidence too. Control your child's fear of the dentist; grab a copy of this coloring book today!

In the battle between mazes and kids, who will win? Your child might, if he/she has the patience and right strategy to get out of all these mazes. Answering mazes is a fun learning experience that will help improve your child's ability to think of strategies quite fast. Start your child's training with one book of mazes at a time.

A midnight ritual by a secret society in the English Countryside nearly costs Thomas Spell his life. He returns home to Chicago to find that he carries within himself something unspeakable – a condition for which he believes there is no cure, until he meets Penelope, a beautiful and brilliant pre-med student determined to heal him. But the Brotherhood searches for him still, convinced that he holds the key to an unimaginable power. As his life begins to spiral out of control, Thomas is forced to confront his own past, as well as the dark forces closing in on him and everything he holds dear.

One morning, Emma decided she simply did not want to be a kid anymore. She didn't want an early bedtime or have to sit in the back seat of the car, or be interrupted for dinner while playing hide-and-seek with her friends, or be told that unless she ate her vegetables, she would never grow up. But what happens when Emma starts to be a grownup and do grownup things? " Great book, great story, great lesson. My kids ages 6 and 9 enjoyed the story. It made them realize that being a kid is fun" -- Daniel. "A wonderful lesson in living in the NOW and not growing up before it is time. This was such a delight to read and the way Ms Alony put it together was perfect!Great book with beautiful illustrations, and my little niece gave it five stars!"-- Author Joyce L. Mitchel. "Excellent vocabulary" -- Kindle Costumer. Maria Alony creates high-quality, illustrated children's books that are not only fun and entertaining, but also contain an educational message and important values. As a mom herself, Maria reads picture books every night so that bedtime stories become part of her child's routine. She believes that reading children's books every day, for kids ages 4-8, is essential for developing language, fostering imagination, and promoting self-expression. When it comes to children, Maria knows that books are vital. Join Emma in the new edition of the children's book series "Emma and Everything" on her journey of self- discovery. As she learns to appreciate and love her life as it is, she discovers the beauty of being a kid. Scroll back up and and grab your copy now! This fully-illustrated picture book is a great read aloud for preschool children and is highly recommended as a self-read book for beginner readers as well.

Apples for Everyone

Everything for Spring

Karl's Story

ABC Adventures With Theodore the Bear

I Am Spring

The Thing About Spring

Examines the characteristics and changes that occur in nature during the spring season with text and photographs of baby animals.

Simple text and bold, beautiful paper sculpture convey the animal life, plant life, weather, colors, clothing, and feelings associated with the spring season.

Books in this series introduce emergent readers to the four seasons. In Summer, children are taken on a tour of things they can see in summer including typical summer activities and changes in the natural world. Beautiful photos, very simple repeated text, high frequency and decodeable words and strong photo-to-text matching make this a perfect book for early readers to enjoy.

Discusses how apples develop from blossoms to fruit, how they are harvested, how people use them, the history of apples in the United States, and different varieties of them.

A to Zoo: Subject Access to Children's Picture Books, 10th Edition

From the Dynomike Series: It's almost Thanksgiving, and Dynomike's friends are dreaming of all the delicious foods they'll be eating. But Dynomike is depressed because he won't be celebrating with a big feast this year. Just when he thinks his Thanksgiving is ruined, Dynomike gets something to really be thankful for. It is easy to get caught up in the festivities of Thanksgiving and forget that not everyone is fortunate enough to celebrate. But Dynomike: Friendsgiving reveals how thinking about others at Thanksgiving can give everyone more to be thankful for.

From rain and puddles to flowers and bugs, the wonders of spring are all around us!

Surround yourself in Everything Spring. Stunning photography and detailed imagery capture the uplifting spirit of our favorite season in this counterpart to the National Geographic bestseller A Tree for All Seasons. We think of spring and we feel warmer, sunny days, we smell the freshness of nature's flowers blooming again, and we picture little chicks and furry bunnies. These adorable baby animals are fun to look at and they represent the spirit of renewal and life that is spring. Every young creature finally ventures outside to play as the dreary days of winter fade away and color surround us all. Spring is about being outdoors enjoying all that our wonderful planet has to offer--it's about living life to the fullest. In Jill Esbaum's beautifully photographed picture book, young children can see, hear, and feel the warmth of springtime by reading and learning all about chicks, bunnies, and the other baby animals that come out to play in springtime.

Encourage your child to play hidden pictures in order to encourage object constancy skills, which fules the ability to determine pictures based on their features. This means that regardless of how an artist interprets an apple, your child will also recognize it as an apple. So what are you waiting for? Play hidden pictures today!

First Notes of Spring

This interactive alphabet book featuring hand drawn artwork of cute, Theodore the Teddy Bear, helps young readers learn the alphabet with great pictures to engage and stimulate the children. Your child will love this easy reading alphabet book for children. Perfect for bedtime reading as you use this book as a learning tool to help teach your children how to learn the letters from A to Z, while enjoying the adventures of Theodore.

Spring is a season of beginnings, from blooming flowers to active animals. People spend more time outdoors, days grow longer, and umbrellas pop open as the weather shifts from snow to rain. There's so much to see and do in spring—and this book will prepare you for all of it! With vivid photographs, lively explanations, and creative craft ideas, Bruce Goldstone presents all the fascinating facts that make spring so spectacular.

With an uncanny relevance to today's world and inspired by the life of its author, Karl's Story, is a WW II child refugee's tale of resilience, hope and courage as told through the narrative of her beloved teddy bear, Karl .A story perfect for all ages: read to children by parents, grandparents and teachers alike. It has been read many times to middle elementary grades. A book to be handed down from parent to child to child for generations to come. Karl, "a very old teddy bear," has a magic gift- he can tell stories to children who are still young enough to understand toy talk . Karl's Story begins in Europe. It's about Karl, the young girl Karin, and Mimi the mind reading cat, ... how the three friends experience and survive WW II and then escape from communism to a new and hope-filled life with his beloved friend Karin .Their journey, their story, enchants children but in the sense of The Little Prince speaks timelessly to adults as well . Karl's Story tells of European refugees and is as relevant today as then. The chaos of the time turned the world of the three friends upside down, slowly at first, from no more whipped cream at birthday parties to ever more frequent air raids, crashing bombs, and a harrowing train ride, with Karl and Mimi stuffed in Karin's old wicker trunk. In the journey Karin loses all she ever knew or loved, but goes on to rebuild her world in America. The book is categorized as Children's Fiction because of its charming cover and talking stuffed animals but is inspirational to young and old alike, and a perfect antidote in these still troubled times; this is indeed a book for all.

Children really need to have and read this book lots so they never have to get a job and work. Losing your free time for fun things, to having to go work to get money instead. If you learn everything in this book all about money and what to do with it, and really understand it all. You will never need to work for money and your never to have a Job. Money is everywhere and everything. If we can understand it and learn to control it, you will never have to work for money. Let your money work for you so you can enjoy your life doing the things you enjoy doing. If every kid only learns and does this one thing, we will all be rich no matter what we want to do when we grow up. LET’S FIND OUT MORE.

What's Alive in Me Now?

Carol Tyler has been a professional (and highly acclaimed) cartoonist for over 20 years, appearing in such venues as Weirdo, Wimmen's Comix, and Drawn & Quarterly magazine. But over the years her status as a working mother has drastically curtailed her ability to set aside time for her cartooning. Thus each rare new story from her pen has been greeted with

hurrahsas well they should be, because she's one of the most skillful, caustic, and emphatic cartoon storytellers of her generation. This new book presents the biggest, richest and most delightful collection of Tyler's work to date featuring many new and previously unpublished works. p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 13.9px Arial; color: #424242}

Follow the children in this book as they discover and explore the unique character of spring, through indoor and outdoor play.

How Do You Know It's Winter? Through vivid photos and engaging nonfiction text, this fun and fact-filled Rookie Read-About Science book answers the question, How do you know its winter? Covering everything from weather patterns to animal behaviors to seasonal activities, How Do You Know Its Winter? gives readers (Ages 6-7) an in-depth look at this snowy season.

Lucky child - what a wondrous world you live in! This is the theme of Little Blue Planet - a book meant to be read aloud to very young children. As you and the child explore the pages of this book, you will encounter the natural wonders of our world: forests, jungles, volcanoes, swamps, coral reefs and many more. Each of these wonders is captured in a two-page spread, with a scenic watercolor on the left and an imaginative view featuring a child on the right. This book is a first travelogue for the tiny set. It is primarily a picture book, but has just enough text to provide context and encourage the child to imagine what it would be like to visit this place. This book makes for a beautiful and quick read.

Spring is Here

Kids Vs. Mazes

When Spring Comes

Mole can smell that spring is in the air, but Bear is still asleep after his long winter nap! Excitedly he taps on the window and knocks on the door-- he even tries playing a trumpet to wake his friend so they can celebrate together. But Bear keeps snoozing. But Mole is determined, so he milks and gathers and bakes a special springtime surprise for his friend-- the perfect way to wake up! A perfect read-aloud, full of simple sound-words and lots of repetition, Spring is Here is ideal to share with young readers to celebrate the changing of the seasons. Cozy mixed-media illustrations of big, fuzzy, dozing bear and his eager mole friend add detail and humor to the tale. Don't miss the other Bear and Mole adventures-- First Star, All For a Dime, Off We Go!, and Kite Day.

The book 'Sweet Memories of the Spring' says about true love and true friendship.

Forest animals stirring from their winter homes and hibernation make a variety of noises to welcome spring.

How do we know it's spring? The sun shines and rain falls. Baby animals are born and flowers bloom. This book shows young readers how to recognise the changes that happen in spring.

What Can You See In Summer?

Jesus My Everything is the second poetry collection by Bonita L. Williams. The poems focus on one's life as influenced by Jesus. The journey called life is full of challenges; a closer walk with the Lord makes the travel easier. Readers are reminded that Jesus is the source of our strength and hope.

INSPIRATIONAL POETRY

After the cold of Winter, comes the warmth of Spring. I Am Spring takes young children on a journey through the many important events that occur uniquely in the beautiful growing season of Spring. From sprouting seeds to buzzing bees, children, preschool through first grade, will learn the important changes that happen during this season of rebirth. Bright and colorful pictures of busy landscapes full of life are great for keeping the attention of kids ages 3-7. Large print and illustrations make it a perfect classroom book for preschool, kindergarten and first grade. I Am Spring is a vibrant nonfiction book that represents the science of the season of Spring in a storytelling fashion that is excellent for kids 5-8. When the day becomes longer than the night, and the leaves begin to sprout on the bare branches, and bugs and animals that were hiding start to reappear, get ready, because that means Spring is here!
