Multiple choice questions for every area of cosmetology help students prepare for licensing examinations. Two completely revised and updated 100 question tests simulate actual state board exams. An answer key is included.

Milady Standard Esthetics Fundamentals, 11th edition, is the essential source for basic esthetics training. This new edition builds upon Milady's

strong tradition of providing students and instructors with the best beauty and wellness education tools for their future. The rapidly expanding field of esthetics has taken a dramatic leap forward in the past decade, and this up-to-date text plays a critical role in creating a strong foundation for the esthetics student. Focusing on introductory topics, including history and opportunities in skin care, anatomy and physiology, and infection control and disorders, it lays the groundwork for the future professional to build their knowledge. The reader can then explore the

Milady Standard Natural

Hair Care and Braiding is

designed to be the training resource of choice for individuals committed to nurturing textured hair and providing excellent natural hair care services. This book introduces the technical and creative aspects of braiding, styling, and grooming hair that is naturally curly, kinky, or multi-textured. Also included, are 17 procedures with step-by-step photos and detailed instructions in techniques for styling and grooming natural hair and natural hair additions. This is a “must have” for those who are serious about

developing a wide range of services and building a broad, diverse client base--crucial elements for success in the flourishing hair care industry.

Cosmetology, the most
commonly used resource in
cosmetology education. For
decades since our first
textbook published, it has
been our commitment to
provide students with the
foundation in the principles
and skills needed to master
the science and art of
cosmetology, and with this
latest version that
commitment has not
waivered. For the new
edition, celebrity stylist Ted
Gibson served as Creative
Director on the project. The
result is a brilliant new*

design with over 750 new photos and a gorgeous layout, providing a visually stunning resource to engage today's learner. We also recruited a team of twelve authors, made up of top professionals and educators in the industry, to provide the most current information on concepts and techniques. During our extensive peer review and development process, we were asked for a resource that placed emphasis on essential content needed for licensure success, and we feel confident that we
