

Fucked Being Sexually Explorative And Self Confident In A World Thats Screwed

The ordinary life of a grad student was so boring for Ariane. She was desperate for some change, some excitement to shake things up. She had no idea she was only one step away from a whole new world—a world of darkness and decay, of eternal life and eternal death. But once she fell prey to Ricari she would learn more about this world than she ever dreamed possible. More than anyone should dare to know . . . if they value their soul.

Slutever is a call-to-arms, a confessional memoir, and a slut manifesto—and it's all thanks to a sex-radical hedonist in a pink PVC mini dress. "Slut" is a great word. It just sounds perfect—so sharp and clear and beautiful. It's one of those satisfying four letter words, like cunt and fuck. Slut also happens to be an anagram for lust, which is one of those divine coincidences that makes you wonder if God actually exists. We're lucky that slut is such a great word, because it's safe to say that almost every woman will be called a slut at least once in her lifetime. Despite a slowly shifting sexual double standard, it's still taboo to be a woman who's openly sexual—let alone one who sleeps around. Now Vogue columnist Karley Sciortino is on a mission to reclaim the word "slut" to represent a person who seeks out visceral experiences through sex, and who isn't ashamed about it. Sluts are special. Sluts are radical. And sluts are skilled at time management, because they can handle multiple partners on rotation, plus their jobs and their blogs and their beauty routines. Not everyone is qualified for this coveted position. Slutever is a thoughtful, first-person account of a modern woman, navigating sex, love, casual hookups, open relationships, bisexuality, BDSM, breakups, sex work, sex parties, and the power of sexual agency, as told from the front lines.

Everything you wanted to know about kinky practices is covered in this highly entertaining and readable book. Known for her bold, witty prose on all matters related to the bedroom, Kate Sloan makes this an accessible subject for anyone curious about new ways to spice up their sex lives. Whether you are looking for ideas, clarification, or just an enjoyable read, there is plenty here to keep you intrigued. The text is accompanied by helpful tips and illustrations.

Are You a Dirty, Nasty Slut? Or a Sexually Repressed Nightmare? Regardless of your background or bedroom resume, someone or something has probably made you feel that way at some point. This was what Corinne Fisher and Krystyna Hutchinson discovered when they created the wildly popular Guys We Fucked: The Anti Slut-Shaming Podcast. What started as an outlet to interview— You guessed it!—guys they'd fucked, quickly evolved into an enormous community of Fuckers around the world, and a place to share stories of kinks gone wild, trauma, assault, and the overall confusion

among people who don't know what the fuck they are doing (in other words, everyone). F*CKED brings these raw, ridiculous, and serious conversations from the podcast to the page. It is a guide to love and sex for anyone -- female, male, trans, or undecided—who is fed up with double standards and the stigma surrounding sexual beings. It is for anyone who has ever felt afraid to be their authentic self. Corinne and Krystyna won't talk down to you or coddle you because you're better than that. They won't explain why he's just not that into you, because it doesn't fucking matter. This book will teach you how to deal with shit, brush your shoulder off, and move on. You'll also learn about: Why shame is completely made up and how we can stop giving into it Sexual exploration and how it sometimes ends in a trip to the ER Stuff we should stop doing: Snooping, nitpicking our bodies, and faking orgasms Asking your sexual partner uncomfortable questions Masturbation, threesomes, porn, sex toys, butt stuff, and much, much more Despite what Rom-Coms and magazines tell you, you can handle sexual exploration without the assistance of a man, a glass of rose, and a Xanax. More importantly, you're fine all by yourself. This is the book Bridget Jones should've read instead of writing that shitty diary in the first place.

From Lost to Found on the Pacific Crest Trail

A Practical Guide to Polyamory, Open Relationships & Other Adventures

Mountainhead

"At various times, homosexuality has been considered the noblest of loves, a horrible sin, a psychological condition or grounds for torture and execution. David F. Greenberg's careful, encyclopedic and important new book argues that homosexuality is only deviant because society has constructed, or defined, it as deviant. The book takes us over vast terrains of example and detail in the history of homosexuality."—Nicholas B. Dirks, New York Times Book Review

What sex and relationship life would you choose if you could have anything you wanted? When Amy Palatnick became single in her mid-40's, she hoped to find it all: flirtation, sexual healing, deeper orgasms, and true love-or loves. Most of all, she wanted to overcome her lifelong habit of people-pleasing. Amy set out to: ? Become more honest and direct? Change her relationship style? Feel more connected to her sexuality? Eventually, find love With an immense love for humanity (and for kissing), and bucket loads of sass and frankness, Amy shares her intimate journey of 82 dates over a five-year period. You'll find yourself blushing at Amy's escapades and resonating with her sincere quest for connection. Filled with juicy tales of airport encounters, sexy professors, a bona fide love potion, and even "cuddlingus," this book is an exuberant and poignant ride on the dating rollercoaster. Can I Be Honest With You? is an unbridled celebration of

sexuality, love, and empowerment that will leave you feeling inspired to thrive in your own relationship to life and love. "In this sly and salacious work, Nutting forces us to take a long, unflinching look at a deeply disturbed mind, and more significantly, at society's often troubling relationship with female beauty." (San Francisco Chronicle) In Alissa Nutting's novel Tampa, Celeste Price, a smoldering 26-year-old middle-school teacher in Florida, unrepentantly recounts her elaborate and sociopathically determined seduction of a 14-year-old student. Celeste has chosen and lured the charmingly modest Jack Patrick into her web. Jack is enthralled and in awe of his eighth-grade teacher, and, most importantly, willing to accept Celeste's terms for a secret relationship—car rides after dark, rendezvous at Jack's house while his single father works the late shift, and body-slammng erotic encounters in Celeste's empty classroom. In slaking her sexual thirst, Celeste Price is remorseless and deviously free of hesitation, a monstress of pure motivation. She deceives everyone, is close to no one, and cares little for anything but her pleasure. Tampa is a sexually explicit, virtuosically satirical, American Psycho-esque rendering of a monstrously misplaced but undeterrable desire. Laced with black humor and crackling sexualized prose, Alissa Nutting's Tampa is a grand, seriocomic examination of the want behind student / teacher affairs and a scorching literary debut.

An empowering, sex-positive, behind-the-scenes look at both Hollywood and the porn industry in this celebrity memoir unlike any other. Perfect for fans of Pleasure Activism and How to Make Love Like a Porn Star. Maitland Ward got her start in acting as a teenager when she was cast in The Bold and the Beautiful, but it wasn't until she joined the later seasons of the sitcom Boy Meets World that she got her first taste of fame. As the loveable, sexy (but not too sexy) co-ed Rachel McGuire, Ward soon found herself being typecast as the good girl next door and was repeatedly denied darker, more intriguing roles. So she made a career change—one that required her to turn away from the Disney universe—and eventually established herself as one of the most-respected actresses in the porn industry today. Now, Ward reveals the ups and downs of her fascinating career, including personal stories from her time on one of the most beloved shows of the 1990s, in this anything but a run-of-the-mill memoir. By showing Hollywood and triple-X stardom in a whole new light, she offers a fresh and stirring perspective on the sex industry. Ultimately a story of hope and triumph, Rated X is a sharp and provocative look at a former Disney princess who found her fairy tale in porn.

Online Library F Cked Being Sexually Explorative And Self Confident In A World Thats Screwed

Anti Slut-Shaming Podcast 'They are the voices of a new generation of women for whom no sexual encounter is off limits' Times Magazine Comedians Corinne Fisher and Krystyna Hutchinson started Guys We F*cked: The Anti Slut-Shaming Podcast in 2013, intending to interview guys they'd slept with to learn more about themselves and squash the stigma so often associated with sexual women. As the podcast grew, and Corinne and Krystyna got to know their fans, stories of sexual assault, verbal and emotional abuse and crippling shame became common topics of discussion along with those humorous conversations highlighting overall sexual confusion among many adults. The podcast is now a community of over a million listeners worldwide and a place where any and all taboo sex topics are discussed freely, both with celebrity guests and the real people in their lives. F*cked follows that model, as Corinne and Krystyna bring a mix of raw, ridiculous and serious sexual conversation to the page that will include topics like: · Why shame is completely made up and how we can stop giving into it · Sexual exploration and how it sometimes ends in a trip to A&E · Stuff we should stop doing: Snooping, nitpicking our bodies, and faking orgasms · Asking your sexual partner uncomfortable questions · How to get yourself out of an unsafe situation · Masturbation, threesomes, porn, sex toys, butt stuff and much, much more This is a guide to love and sex for anyone who has ever felt afraid to be their authentic sexual self. It won't talk down to you or coddle you, because you're better than that. Despite what Rom-Coms and glossy magazines tell you, you can handle sexual exploration without the assistance of a man, a glass of rosé, or a Xanax-and more importantly, you're fine all by yourself.

Real Sex Films explores one of the most controversial movements in international cinema through an innovative interdisciplinary combination of theories of globalization and embodiment. Risk sociology, feminist film theory and critical feminist mapping theory are brought together with concepts of production, narrative, genre, authorship, stardom, spectatorship and social audience as several lenses of both 'mutual understanding' and 'galvanizing extension' in ways of seeing this object of 'real-sex cinema'. Notions of personal subjectivity and critical distance, disciplinary co-operation and critique, and cinematic perceptions of the utopia and dystopia of love within risk modernity are the tensions exposed reflexively and in parallel, as each chapter focuses different lenses communicating intimacy, desire, risk and transgression. This is a book which substantively, methodologically and theoretically is embracing and engaging in its consideration of the images, ethics, 'double standards' and embodiments of brutal cinema. Written in a style free of jargon, and crossing the boundaries of film studies, media and cultural studies, the ethnographic turn, risk sociology, feminist psychoanalytical and geopolitical studies, this is a book for students, academics as well as general and professional audiences.

Three decades ago, this book and its companion volume "The New Topping Book" began teaching tens of thousands of people the joyous arts of BDSM topping and bottoming - not just "how-to," but "why-to"... the insider details of emotional support and ethical interaction during kinky play. Since then, the

growing popularity of BDSM, and the blossoming of the Internet as a source of information and connection, have created a whole new universe of possibilities for players. Now, the completely updated revised New Bottoming Book and New Topping Book give even more insights and ideas, updated for a new millennium, about how to be a successful, popular player! What the experts are saying "The only way I can think of to learn more about bottming than Dossie Easton and Janet Hardy teach you in [The New Bottoming Book] is to go out and bottom for yourself." - William A. Henkin, Ph.D., co-author, Consensual Sadomasochism

Dennis Cooper has described New Juche as "one of the most inspiring, original and groundbreaking artists working today," and Mountainhead is arguably his most accomplished work to date. Within the structure of a sexually charged exotic travelogue, we discover prose that is at once repulsive, lyrical, and deeply sensual; that is anchored by a raconteur's instinct for gritty storytelling, yet punctuated by liminal flights of feverish imagination. Mountainhead deftly interlaces personal confession with an unsettling disquisition on pornography, photography, prostitution, the body, identity, and place. In its cascading momentum, readers are confronted by a singular account of personal discovery and deception that remains implacably wedded to the thematic emblem of nature as moral alibi.

A Guide to Infinite Sexual Possibilities

A hilarious personal account of the life, times, and crippling anxiety of rising star comic, actress, writer, producer, and director Whitney Cummings, now in paperback. After getting her start as a stand-up comic and then breaking out with her wildly successful CBS sitcom *2 Broke Girls* (she's the creator, writer, and executive producer), Whitney Cummings has seen a few things and is turning to the written word to tell us all the stuff she doesn't say on stage. This book contains some delicious schadenfreude in which Whitney recalls such humiliating debacles as breaking her shoulder while trying to impress a guy, coming very close to spending her life in a Guatemalan prison, and having her lacerated ear sewn back on by a deaf guy after losing it in a torrid love affair. Full of intellect, anxiety,chutzpah, and profundity, *I'M FINE...AND OTHER LIES* is, in Whitney's words, like the internet if the internet were honest and didn't hate women. With her signature ball-busting edge and self-deprecation, Whitney comes clean about what has shaped her into the trailblazing comic that she is today. This intimate, no-holds-barred look at Whitney's life is a revelatory, profoundly astute, and most importantly, honest tale of what it means to be a woman in today's day and age and Twittersphere, with all of the insecurities and anxieties that come with that territory and with the most important takeaway being that, at the end of the day, no matter her situation, she's fine...and

other lies.

In the tradition of Octavia Butler, here is radical self-help, society-help, and planet-help to shape the futures we want. Change is constant. The world, our bodies, and our minds are in a constant state of flux. They are a stream of ever-mutating, emergent patterns. Rather than steel ourselves against such change, Emergent Strategy teaches us to map and assess the swirling structures and to read them as they happen, all the better to shape that which ultimately shapes us, personally and politically. A resolutely materialist spirituality based equally on science and science fiction: a wild feminist and afro-futurist ride! adrienne maree brown, co-editor of Octavia's Brood: Science Fiction from Social Justice Movements, is a social justice facilitator, healer, and doula living in Detroit.

A huge international corporation has developed a facility along the Juan de Fuca Ridge at the bottom of the Pacific Ocean to exploit geothermal power. They send a bio-engineered crew--people who have been altered to withstand the pressure and breathe the seawater--down to live and work in this weird, fertile undersea darkness. Unfortunately the only people suitable for long-term employment in these experimental power stations are crazy, some of them in unpleasant ways. How many of them can survive, or will be allowed to survive, while worldwide disaster approaches from below? Starfish, the first installment in Peter Watts' Rifters Trilogy At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The researcher who discovered the Great Pacific Garbage Patch—and remains one of today's key advocates for plastic pollution awareness—inspires a fundamental rethinking of the modern Plastic Age. In 1997, environmentalist Charles Moore discovered the world's largest collection of floating trash—the Great Pacific Garbage Patch ("GPGP")—while sailing from Hawaii to California. Moore was shocked by the level of pollution that he saw. And in the last 20 years, it's only gotten worse—a 2018 study has found that the vast dump of plastic waste swirling in the Pacific Ocean is now bigger than France, Germany, and Spain combined—far larger than previously feared. In Plastic Ocean, Moore recounts his ominous findings and unveils the secret life of plastics. From milk jugs and abandoned fishing gear to polymer molecules small enough to penetrate human skin and be unknowingly inhaled, plastic is now suspected of contributing to a host of ailments, including infertility, autism, thyroid dysfunction, and certain cancers. An urgent call to action, Plastic Ocean's sobering revelations have been embraced by activists, concerned parents, and anyone alarmed by the deadly impact and implications of this man-made environmental catastrophe.

Kirkus' Best Fiction of 2017 From New York Times bestselling author Cory Doctorow, an epic tale of revolution, love, post-scarcity, and the end of death. "Walkaway is now the best contemporary example I know of, its utopia glimpsed after fascinatingly-extrapolated revolutionary struggle." —William Gibson Hubert Vernon Rudolph Clayton Irving Wilson Alva Anton Jeff Harley Timothy Curtis Cleveland Cecil Ollie Edmund Eli Wiley Marvin Ellis Espinoza—known to his friends as Hubert, Etc—was too old to be at that Communist party. But after watching the breakdown of modern society, he really has no where left to be—except amongst the dregs of disaffected youth who party all night and heap scorn on the sheep they see on the morning commute. After falling in with Natalie, an ultra-rich heiress trying to escape the clutches of her repressive father, the two decide to give up fully on formal society—and walk away. After all, now that anyone can design and print the basic necessities of life—food, clothing, shelter—from a computer, there seems to be little reason to toil within the system. It's still a dangerous world out there, the empty lands wrecked by climate change, dead cities hollowed out by industrial flight, shadows hiding predators animal and human alike. Still, when the initial pioneer walkaways flourish, more people join them. Then the walkaways discover the one thing the ultra-rich have never been able to buy: how to beat death. Now it's war – a war that will turn the world upside down. Fascinating, moving, and darkly humorous, Walkaway is a multi-generation SF thriller about the wrenching changes of the next hundred years...and the very human people who will live their consequences. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

#1 NATIONAL BESTSELLER At twenty-two, Cheryl Strayed thought she had lost everything. In the wake of her mother's death, her family scattered and her own marriage was soon destroyed. Four years later, with nothing more to lose, she made the most impulsive decision of her life. With no experience or training, driven only by blind will, she would hike more than a thousand miles of the Pacific Crest Trail from the Mojave Desert through California and Oregon to Washington State—and she would do it alone. Told with suspense and style, sparkling with warmth and humor, Wild powerfully captures the terrors and pleasures of one young woman forging ahead against all odds on a journey that maddened, strengthened, and ultimately healed her. Oprah's Book Club 2.0 selection: This special eBook edition of Cheryl Strayed's national best seller, Wild, features exclusive content, including Oprah's personal notes highlighted within the text, and a reading group guide. One of the Best Books of the Year: NPR, The Boston Globe, Entertainment Weekly, Vogue, St. Louis Dispatch

One evening some friends were gathered at the home of one of our most celebrated writers. Having dined sumptuously, they were discussing murder—apropos of what, I no longer remember probably apropos of nothing. Only men were present: moralists, poets, philosophers and doctors—thus everyone could speak freely, according to his whim, his hobby or his idiosyncrasies, without fear of suddenly seeing that expression of horror and fear which the least startling idea traces upon the horrified face of a notary. I—say notary, much as I might have said lawyer or porter, not disdainfully, of course, but in order to define the average French mind. With a calmness of spirit as perfect as though he were expressing an opinion upon the merits of the cigar he was smoking, a member of the Academy of Moral and Political Sciences said: “Really—I honestly believe that murder is the greatest human preoccupation, and that all our acts stem from it.. “ We awaited the pronouncement of an involved theory, but he remained silent. “Absolutely!” said a Darwinian scientist, “and, my friend, you are voicing one of

those eternal truths such as the legendary Monsieur de La Palisse discovered every day: since murder is the very bedrock of our social institutions, and consequently the most imperious necessity of civilized life. If it no longer existed, there would be no governments of any kind, by virtue of the admirable fact that crime in general and murder in particular are not only their excuse, but their only reason for being. We should then live in complete anarchy, which is inconceivable. So, instead of seeking to eliminate murder, it is imperative that it be cultivated with intelligence and perseverance. I know no better culture medium than law.” Someone protested. “Here, here!” asked the savant, “aren't we alone, and speaking frankly?” “Please!” said the host, “let us profit thoroughly by the only occasion when we are free to express our personal ideas, for both I, in my books, and you in your turn, may present only lies to the public.” The scientist settled himself once more among the cushions of his armchair, stretched his legs, which were numb from being crossed too long and, his head thrown back, his arms hanging and his stomach soothed by good digestion, puffed smoke?rings at the ceiling: “Besides,” he continued, “murder is largely self?propagating. Actually, it is not the result of this or that passion, nor is it a pathological form of degeneracy. It is a vital instinct which is in us all—which is in all organized beings and dominates them, just as the genetic instinct. And most of the time it is especially true that these two instincts fuse so well, and are so totally interchangeable, that in some way or other they form a single and identical instinct, so that we no longer may tell which of the two urges us to give life, and which to take it—which is murder, and which love. I have been the confidant of an honorable assassin who killed women, not to rob them, but to ravish them. His trick was to manage things so that his sexual climax coincided exactly with the death?spasm of the woman: 'At those moments,' he told me, 'I imagined I was a God, creating a world!’”

As a woman, your sexual confidence can actually make you more powerful, and can boost your ability to fulfill the goals that you want to attain. Understand that sexual confidence is not limited to bedroom matters. It involves the manner with which you interact with others, how you feel about yourself, and so much more more. Having this confidence can help you reach your full potential and go after things without hesitating or feeling embarrassed. Unfortunately, there could be certain issues that may be hindering you from achieving your goalsthese may also sometimes making you feel embarrassed, especially when it comes to discussing these things with a friend or doctor. The unsolved issues may eventually become a burden to you, leading to various insecurities and poor confidence. With this book, the aim is to help women gain back their sexual confidence. Here are some of the things it can teach you: It provides explanations regarding the different embarrassing issues that affect the sexual confidence of a woman. It tackles the causes of a specific issue as well as the reasons for its occurrence. It offers tips, suggestions, and other things that can help you deal with a particular women issue that you have. If you feel as if youve been lacking confidence lately and have had some trouble trying to gain it back, we hope that the contents of this book helps you overcome your issues.

Getting To 'I Do'

Tell Me Three Things

Tiernan grew up with wealth and privilege, but not love or guidance. After her parents' deaths, she goes to live with her father's stepbrother and his two sons. As the three of them take her under their wing, teach her to work and survive in the remote woods, she slowly finds her place among them. And she realizes that lines blur and rules become easy to break when no one is watching.

Come As You Are meets How to Date Men When You Hate Men in this sex handbook for the millennial feminist on how to own your body and sexuality, and use that confidence to take charge of your life "This bold, sex-positive book delivers on its promise." —Publishers Weekly Stop Apologizing for Your Sexuality and Take Charge of Your Life If you've ever wished you had a big sister or older cousin who could show you all the ropes of womanhood, look no further: Gigi Engle has done it all and is here to tell you all about it in All the F*cking Mistakes, a practical handbook for all the slutty and wanna-be-slutty women out there. It is the ultimate sex-talk book, demystifying female sexuality without any of the awkwardness of "the talk." From learning how to take back your confidence in a world full of slut shaming, to discovering and owning your sexual empowerment through masturbation, to demanding the love you really deserve, this book is an ode to the women of the world who deserve to be empowered, sexually and otherwise, without guilt. Offering bite-sized lessons that incorporate Gigi's own special brand of no-nonsense advice to provide clarity and guidance on all things slutty, sexually normative and non-normative, and everything that falls between the cracks of these brackets, this book is your how-to guide to living your sexy AF, fabulous life.

The gay community has been hit hard by the AIDS epidemic in the United States and in much of Europe; as a result, the gay and lesbian community has been forced to examine existing notions of what it means to be gay and to belong to a community based on sexual orientation. This book explores gay and lesbian sexual behaviour, personal identity and community membership from diverse perspectives. Chapters report the authors' own AIDS-related research and include discussions of AIDS in both large urban centres, such as New York and San Francisco, and in less populated settings outside the AIDS epicentres. Contributors also examine issues related to public policy, volunteerism and long-term survival.

A classic work on how women think about sex, from the New York Times–bestselling author of My Secret Garden and My Mother/Myself. Nancy Friday's groundbreaking books such as Forbidden Flowers offered an unprecedented honest look at the inner fantasy lives of ordinary women. In Women on Top, Friday returns to this topic, collecting detailed sexual fantasies from over 150 contemporary women from diverse backgrounds. Based on intimate personal interviews and letters, this book updates the conversation started in her earlier works on women's sexual fantasies, detailing how women's erotic lives have changed—and remained the same. "This absorbing, titillating and empowering feminist book is also a ribald bedside companion." —Publishers Weekly

Award-winning Rachel Hartman's newest YA is a tour de force and an exquisite fantasy for the #metoo movement. "Tess of the Road is astonishing and perfect. It's the most compassionate book I've read since George Eliot's Middlemarch." --NPR In the medieval kingdom of Goredd, women are expected to be ladies, men are their protectors, and dragons can be whomever they choose. Tess is none of these things. Tess is. . . different. She speaks out of turn, has wild ideas, and can't seem to keep out of trouble. Then Tess goes too far. What she's done is so disgraceful, she can't even allow herself to think of it. Unfortunately, the past cannot be ignored. So Tess's family decide the only path for her is a nunnery. But on the day she is to join the nuns, Tess chooses a different path for herself. She cuts her hair, pulls on her boots, and sets out on a journey. She's not running away, she's running towards something. What that something is, she doesn't know. Tess just knows that the open road is a map to somewhere else--a life where she might belong. Returning to the spellbinding world of the Southlands she created in the award-winning, New York Times bestselling novel Seraphina, Rachel Hartman explores self-reliance and redemption in this wholly original fantasy. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR * BOSTON GLOBE * The Chicago Public Library * KIRKUS REVIEWS Four starred reviews! "The world building is gorgeous, the creatures are vivid and Hartman is a masterful storyteller. Pick up this novel, and savor every page." --Paste Magazine

Two decades ago, this book (and its companion volume, The New Bottoming Book) began teaching tens of thousands of people the joyous arts of BDSM topping and bottoming - not just "how-to," but "why-to"... the insider details of emotional support and ethical interaction during kinky play. Since then, the growing popularity of BDSM, and the blossoming of the Internet as a source of information and connection, have created a whole new universe of possibilities for players. Now, the completely updated revised New Topping Book gives even more insights and ideas, updated for a new millennium, about how to be a successful, popular player! "Easton and Hardy tackle the Top... and bring that elusive critter down neatly and with a certain flair. This is good stuff, important stuff... an excellent guide to topping, both for the rank novice and for the player who just wants words to put to all the thoughts and feelings that have resisted categorization." - Laura Antoniou, Sandmutopian Guardian

A smart, actionable guide to help women take control of their sexual health and learn about vital information in a pro-pleasure, safety-first, and sex-positive way from a leader in sexual education for the GirlBoss generation. Women are suffering—especially in the eighteen to thirty age range. They're suffering from misinformation, fear, intimidation. They're worried about the side effects of birth control, confused about consent, sexuality, and cheating, and don't know when or always even where to seek medical attention. Women need answers from someone they trust, from a partner. And Get on Top is that partner. Written by the creator of the Get On Top national campaign, cofounder of Sustain all-natural sexual wellness products, and daughter of the founder of the billion-dollar green company, Seventh Generation, this book helps women access all the facts they need to make smart, healthy, and safe choices when it comes to sex by continuing the conversation, by answering questions, and by providing the information in a relatable and totally normal way. Meika answers questions similar to those she receives every day from the thousands of readers and listeners of the GetOnTop campaign and fans of the green brands, Sustain and Seventh Generation. It's a chance to give conversational advice to readers. Chapters include topics such as birth control, STDs, sex, masturbation, and what PH is and why it's important. Meika answers all of the questions women have about sex in an unselfconscious, straightforward, real, and enlightening way. Not sexed up, not sleazy. Just smart, actionable information for any and all sexual questions. Not only will it teach women everything they need to know about their bodies, Get on Top will also change the way women think about sexual health.

An elegy for the dream of a radical queer community, and the mythical city that was supposed to nurture it.

Torture Garden

Shaping Change, Changing Worlds

Being Sexually Explorative and Self-Confident in a World That's Screwed

How Porn Liberated Me from Hollywood

Includes an excerpt from *What to say next*.

Now a New York Times bestseller and from the author of *The Psychopath Test*, a captivating and brilliant exploration of one of the most underappreciated forces: shame. 'It's about the terror, isn't it?' 'The terror of what?' I said. 'The terror of being found out.' Three years, Jon Ronson has travelled the world meeting recipients of high-profile public shamings. The shamed are people like you and me, who, say, made a joke on social media that came out badly, or made a mistake at work. Once their transgression is revealed, they are circled with the force of a hurricane and the next thing they know they're being torn apart by an angry mob, jeered at, demoted, or even fired from their job. A great renaissance of public shaming is sweeping our land. Justice has been democratized. The silenced are getting a voice. But what are we doing with our voice? We are mercilessly finding people's faults. We are defining the boundaries of acceptable behavior by ruining the lives of those outside it. We are using shame as a form of social control. Simultaneously powerful and hilarious, *So You've Been Publicly Shamed* is a deeply honest book about modern life, full of eye-opening truths about the war on human flaws - and the very scary part we all play in it.

David Mamet's new Oval Office satire depicts one day in the life of a beleaguered American commander-in-chief. It's November, Presidential election year, and incumbent Charles Smith's chances for reelection are looking grim. Approval ratings are down, his support is running out, and nuclear war might be imminent. Though his staff has thrown in the towel and his wife has begun to prepare for the White House life, Chuck isn't ready to give up just yet. Amidst the biggest fight of his political career, the President has to find time to save a couple of turkeys — saving them from the slaughter before Thanksgiving — and this simple PR event inspires Smith to risk it all to win back public support. With Mamet's characteristic no-holds-barred style, *November* is a scathingly hilarious take on the state of the world and the lengths to which people will go to win.

A Guide to Infinite Sexual Possibilities, Beyond the often unrealistic ideal of lifetime, monogamy lies an uncharted jungle of delight. Everything from committed multi-partner relationships to friendly sex, casual sex, group sex, and more. In this groundbreaking volume, *"Bottoming Book"* and *"Topping Book"* authors provide a road map for exploring this sometimes difficult, often rewarding territory. Warm, informative details about how to get your needs met, manage your jealousy, make agreements that...

An Edgy and Empowering Romantic Comedy Dating Memoir

Age is just a number... Lolito is an unconventional love story about a fifteen-year-old boy who finds solace in the arms of a middle-aged woman on the Internet. Fifteen-year-old Etgar Allison is spending spring break alone in an empty house, when he inadvertently learns that his girlfriend has cheated on him with another boy. Heartbroken and lonely, without parental supervision, he turns to alcohol. Unable to cope with his grief, he looks to the Internet for comfort and lands in an adult chatroom. There he meets Macy, a bored but attractive housewife; flirtatious IMs escalate into cybersex chats and soon Etgar is raiding his savings account for a romantic rendezvous in London. . . What could possibly go wrong? Ben Brooks's Lolito is an uncompromising look at the turbulent emotional life of teenage boys, a funny and poignant story that injects raw honesty—and even a little tenderness—into its portrait of a taboo relationship.

Eugene W. Holland provides an excellent introduction to Gilles Deleuze and Felix Guattari's Anti-Oedipus which is widely recognized as one of the most influential texts in philosophy to have appeared in the last thirty years. He lucidly presents the theoretical concerns behind Anti-Oedipus and explores with clarity the diverse influences of Marx, Freud, Nietzsche and Kant on the development of Deleuze & Guattari's thinking. He also examines the wider implications of their work in revitalizing Marxism, environmentalism, feminism and cultural studies.

In Rebel Love, Dr. Chris Donaghue, PhD (The Amber Rose Show with Dr. Chris), reveals how traditional dating "rules" are toxic, why everything you've learned about dating and relationships are wrong, and how to have the best sex of your life. Dr. Chris is the sex expert you've been waiting for. He refuses to pathologize those whose sexuality doesn't fit in a neat little box and he doesn't just pay lip service to the pro-sex, feminist, and body-positive mores of the day -- he demands them. Rebel Love welcomes all sexualities and identities no matter where you fall on the spectrum and empowers people to be authentically who they are both in and out of the bedroom. Dr. Chris's prescription for hotter, healthier sex -- the two go hand in hand -- encourages you to stop participating in patriarchal stereotypes, broaden your sexual horizons, and have amazing sex. Best of all, he shows you how with real-world examples and

inspirational case studies.
