If he kisses me right now, I'll drown. Every sip of air is shallow and burning, because in the arms of my best friend's brother, I'm the closest I've ever been to sin. His eyes flick to my lips, and I remember the first time I tasted him, seven years ago before I left this town and vowed never to return. His hands grip my waist, and I remember the pain when he rejected me, when my entire world crashed down at his command. His jaw clenches, and my senses come alive with one stinging reminder.I'm not his to kiss, and he's not mine. I tried to stay away from Tyler Wagner, putting an entire country between us. But when his sister's wedding brings us back to the same town, to the same house, I can't avoid him, no matter how hard I try. He's always there, his dark eyes bewitching, luring me into their depths. The memory of us pulls me under like a rip current, and when he flashes that smile, I lose my breath, along with my will, unable to escape his grip and find the surface. Now, hours before our plus ones arrive for the wedding, I'm in his arms, begging him to make me hate him, knowing he never could. If he kisses me right now, I'll drown. When I found an eviction notice taped on my apartment door, I had two options: find a comfortable cardboard box to call home, or move in with Tucker Jameson. Seeing that cardboard makes me feel itchy, I chose the latter. Which shouldn't be that big of a deal since Tucker is one of my good friends. And because he's still pining after his ex-girlfriend and I'm trying to finish my nursing degree, there is nothing to worry about in the romance department, making my last semester an easy one to conquer. Boy, was I wrong. Rules are set, dinners are made, conversations are had, and a shirtless, swoony roommate walks around in nothing but a pair of black briefs, ruining me for every other man. Before I know it, I turn into a panting, lust-filled woman begging for Tucker to kiss me, touch me, and show me exactly what is hiding under those briefs. But with great orgasms, comes great consequences. Tucker might be my friend and roommate but he's also my best friend's ex-boyfriend, making him completely off-limits. At least that's what my brain is telling me, my heart is speaking an entirely different language.

Here's what you, the brave reader, need to know. Fire Down Below has a sequel. I know; everyone's super surprised that Amazon allowed me to keep the poop-your-pants book up all this time. In Fire in the Hole, Dove's sausage-loving neighbor has realized he's wildly in love with her lurchingly awkward butt. Johnson is the pharmacist of her dreams until he tells her over Twitter-goddamn-it that he has plans with an ex-girlfriend. Duke scrapes Dove off her apartment floor and takes her to his cousin's wedding. As Pissboy and Cross-eyed Knockers tie the knot, Duke could just kick himself in the balls when he sees Johnson and Beth at the same venue driving Dove insane with jealousy. Will Dove give up everything, even her self-esteem, to get Johnson's johnson between her legs? Or will the scent of spiced meat inspire Dove to rip off Duke's sausage-and-egg underwear forever? Yup. How hard can it be?That was the question rolling around Larissa Mason's mind just before she asked Hollis Hudson to be her fake boyfriend. It was only supposed to be for five minutes, after all. Granted, that was also before she felt his hand on the small of her back as he

charmed the heck out of her family. And it was definitely before she saw the football god shirtless. Otherwise, she would've had an idea of just how hard some things could be. It turns out that pretending to be in love with a crazily handsome, somewhat enigmatic, and absolutely unforgettable tight end (that has an amazing tight end) is easy. Reminding herself that just because opposites attract doesn't mean they're forever is much harder. What they have isn't love-it's a relationship pact. Right? And then, his time's up.He can try to change the rules, but here's the truth: he can't win if he's playing the wrong game.The Wrong Game is a stand-alone, angsty, enemies-to-lovers sports romance.

Set on You

Have you ever hit rock bottom? I embarrassingly have.It's why I'm wearing my girl's decorative scarf over my head, clutching her lady drink to my chest, and singing ever so softly to Joni Mitchell while swaying back and forth. This is what therapists refer to as LOSING IT. Oldest story in the book: boy meets girl, boy falls for girl, boy screws up MASSIVELY, girl tells boy to suffocate in the fruits of his very own unborn children. Heard it before? I'm sure you have.So what's so different about this story? Well, it's about me, The Modern Gentleman, New York City's top advice columnist, and my rather ungraceful downfall from my pristinely polished pedestal.It's about a girl I met who threw all my proven theories to the wind and left me awkward, needy, and absolutely head-over-wingtipped shoes in love.This is a story about June Lacy and how she single-handedly dismantled The Modern Gentleman.
