A Novel

From Jill Robinson, the author of *Past Forgetting*, comes a true story, coauthored with her husband, the English writer Stuart Shaw, about finding love when they both thought they were through with romance. When Stuart and Jill first met, neither felt like a poster child for serious love. Stuart was recovering from the alcoholism that had wrecked his marriage and ravaged his career. Jill was recovering from a second failed marriage and believed she was done with love forever. But then, in a crowded Connecticut diner, at about midnight, Jill caught Stuart's eye and shot him a look that said, I'm designed for you. Immediately drawn to Jill, Stuart asked, Would you like to come to my place for a cup of tea sometime? What follows is a journey toward commitment. You hear it from both points of view: his and hers. If you've ever felt that your opportunity for love was gone, here's the

lively story of the creation of a passionate marriage that will fill your heart with joy and hope.

There is an old myth that says if one dreams of falling and goes all the way to the sudden end, this one will never wake up. For writer Charlee Jacob that form of dream death never came. She'd strike rocks and get up again. However, in other nightmares she's died almost every conceivable (and inconceivable) way, including being murdered. A child of relentless bullying, family violence, and stonings in the street...wife of starvation, psychological degradation, and abandonment, she put her fury and pain into writing. Her horrific fiction is extreme, often as lyrical as it is monstrous. Having written for nearly twenty years, illness completely disabled her. The Myth Of Falling is a collection of frequently gruesome fiction, cruelty, sexual deviance, and essays of living with horror. She's fallen, hit bottom, and got up again. The Myth of Falling

The second and concluding volume of Ian Watson's extraordinary epic, The Book of Mana. Kaleva is Earth's first and only interstellar colony, discovered by Lucky Sariola who was transported there by an Ukko, a mysterious asteriod-like entity that

responds to stories told to it - in Lucky's case, those of her Finnish grandmother. Now Queen Lucky, half-mad and newly widowed, is obsessed by relocating that Ukko - but this is potentially disastrous, as the snakelike alien Isi are also on its trail as part of their design to enslave humans. Understanding this, one of Lucky's daughters (with obsessions of her own) crowns herself rival queen. A summer turns into unseasonable winter and elysian peace turns to bitter civil war and Ukko, once more, has a role to play in the history of Kaleva.

It was only meant to be a one-night thing. I work hard and party harder. Women come and go and I'm happy to show them the door when their time is up. The moment my eyes land on her I'm captivated. There's only one place she's spending this New Year's Eve, in my bed. But what if she's not like all the others, what if one night isn't enough? I'm falling for a woman a stranger who's too young for me but I can't resist a taste. Falling For Daniel is a hot and steamy older man younger woman standalone novella from her Falling series world.
