But when scrawny,

# Access Free Families Can Be Together Forever

Together is an opposites attract, friends-to-lovers story, but it's slightly more complicated than that.

A family tree assignment leads an adopted girl to discover the different ways to be a family. When her teacher

# Access Free Families Can Be Together Forever

gives her class a simple family tree assignment, Ada is stumped. How can she make her family fit into this simple template? Ada is adopted. She can see where to put her parents on the tree, but what about her birth mom? Ada has a

biological sister, but her sister has different adoptive parents — where do they go on the tree? But with the help of her friends and family, Ada figures it out. She creates her family tree . . . and so much more. Loosely based on the author's own

experience, this  
moving story  
explores the different  
ways families are  
created and how the  
modern family is  
more diverse and  
welcoming than ever  
before.

many different ways and sizes, but all are equally important and special. When adopted son Calvin needs to tell about his family for a class assignment, he discovers his parents were praying for him long before they chose him. Not only

that, but God chose them for Calvin. It wasn't by chance and it wasn't an accident. It was according to His plan. We Chose You was written to communicate to all children, whether birthed or adopted, that they are chosen. That they are secure.

When journalist  
Josh Levs was  
denied fair  
parental leave by  
his employer after  
his child was born,  
he fought  
back—and won.  
Since then, he's  
become an  
advocate for  
modern families  
and working

Access Free  
Families Can Be  
Together Forever

fathers. In *All In*, he explores the changing face of fatherhood and what it means for our individual lives, families, workplaces, and society.

Fatherhood today is far different from previous generations. Stay-at-home dads are

Access Free  
Families Can Be  
Together Forever

increasingly  
common, and  
growing numbers  
of men are  
working part-time  
or flextime  
schedules to spend  
more time with  
their children.

Even the  
traditional  
breadwinner-dad is  
being transformed.

Dads today are

# Access Free Families Can Be Together Forever

more emotionally  
and physically  
involved on the  
home front. They  
are “all in”  
and—like  
mothers—they are  
struggling with  
work-life balance  
and doing it all.

Journalist and “dad  
columnist” Josh  
Levs explains that  
despite these

# Access Free Families Can Be Together Forever

unprecedented changes, our laws, corporate policies, and gender-based expectations in the workplace remain rigid. They are preventing both women and men from living out the equality we believe in—and hurting businesses in the process. Women

# Access Free Families Can Be Together Forever

have done a great  
job of speaking out  
about this,

Levs—whose fight  
for parental leave  
made front page  
news across the  
country—argues.  
It's now time for  
men to join in.

Combining Levs'  
personal  
experiences with  
investigative

frank

conversations with  
fathers about  
everything from

Soon to be a major motion picture coming to Netflix in 2021—the first two movies in the series are streaming now! Lara Jean is having the best senior year a girl could ever hope for. She is head over heels in love with her boyfriend, Peter; her dad's finally getting remarried to

their next door  
neighbor, Ms.  
Rothschild; and  
Margot's coming  
home for the summer  
just in time for the  
wedding. But change  
is looming on the  
horizon. And while  
Lara Jean is having  
fun and keeping busy  
helping plan her  
father's wedding, she  
can't ignore the big

college and leaving  
her family—and  
possibly the boy she  
loves—behind. When  
your heart and your  
head are saying two  
different things, which  
one should you listen  
to?

Stick and Stone are

In this endearing story about a father and his child, Longtail is always so much faster than Littletail. He's also so much cleverer. But that won't be forever, Longtail tells Littletail. At the end of a busy day, as Littletail curls

up in their nest,  
Longtail reminds her  
of the one thing that  
will stay the  
same--always and  
forever.

Critically acclaimed  
when it was first  
published, Tuck  
Everlasting has  
become a much-  
loved, well-studied  
modern-day classic.  
This anniversary

discovers a spring on her family's property whose waters grant immortality. Members of the Tuck family, having drunk from the spring, tell Winnie of their experiences watching life go by and never growing older. But then Winnie must decide whether or not to keep the Tucks' secret—and

whether or not to join  
them on their never-  
ending journey.
