

Farm Sermons Messages Preached To Country Congregations

Farm Sermons by Charles Spurgeon Haddon, first published in 1882, is a rare manuscript, the original residing in one of the great libraries of the world. This book is a reproduction of that original, which has been scanned and cleaned by state-of-the-art publishing tools for better readability and enhanced appreciation. Restoration Editors' mission is to bring long out of print manuscripts back to life. Some smudges, annotations or unclear text may still exist, due to permanent damage to the original work. We believe the literary significance of the text justifies offering this reproduction, allowing a new generation to appreciate it.

This volume covers chapters 1:1 - 16:12 of Matthew. What if you could study the Psalms with your favorite Bible scholars from across the ages? With The Preacher's Outline & Sermon Bible, you can! This unique resource is designed to empower pastors and leaders to effectively preach and teach God's Word. This is much more than a commentary - it takes the best scholarly works available and combines them in a single resource. Inside each volume of The Preacher's Outline & Sermon Bible, you'll find: - A verse-by-verse outline alongside each passage of Scripture that draws out key concepts. - In-depth commentary synthesized from hundreds of trusted sources, including Matthew Henry, John MacArthur, Charles Spurgeon...and many more. - Thoughts designed to provide practical application of Scripture for your congregation. - Deeper studies that expand on original Greek sources, provide historical background, and explain key points. - An Outline & Subject Index designed for topical study - perfect for quickly creating messages on a particular theme. There's a volume of The Preacher's Outline & Sermon Bible series for nearly any sermon you can imagine. Explore the full series on our website at lmw.org

Farmer's Advocate and Home Magazine

The Eternal Joys of God's Presence. A Sermon Preach'd at the Temple-Church Upon All-Saints Day. Printed at the Request of the Treasurers and Benchers of Those Two Honourable Societies

Forty Minutes Advice to every country farmer. Delivered in a sermon, etc. [By - Harrison, of Gloucester?]

Preaching, Sermon and Cultural Change in the Long Eighteenth Century

Preaching to a Shifting Culture

This book explores the role narrative can play to renew preaching in Ghanaian congregations. It does this by describing and classifying models of preaching in North America and applies those models to the Ghanaian situation carefully guarding against assuming that a western model can be adapted without question.

A Comprehensive Resource for Today's Christian Communicators. This extensive encyclopedia is the most complete and practical work ever published on the art and craft of biblical preaching. Its 11 major sections contain nearly 200 articles, comprehensively covering topics on preaching and methodology, including: Sermon structure and "the big idea." The art of introductions, transitions, and conclusions. Methods for sermon prep, from outlining to exercising. Approaches to different types of preaching: topical, expository, evangelistic, and more. Best practices for sermon delivery, speaking with authority, and using humor. Leveraging effective illustrations and stories. Understanding audience. and much more. Entries are characterized by intensely practical and vivid writing designed to help preachers deepen their understanding and sharpen their communication skills. The contributors include a virtual Who's Who of preaching from a cross section of denominations and traditions, such as Dallas Willard, John Ortberg, Rick Warren, Warren Wiersbe, Alice Mathews, John Piper, Andy Stanley, and many others. Haddon Robinson and Craig Brian Larson—two of today's most respected voices in preaching—provide editorial oversight. Includes audio CD with preaching technique examples from the book.

Recovering Storytelling for Ghanaian Preaching

Michigan Farmer

Showing that good sermons are really local theology and folk art, Princeton's Leonora Tubbs Tisdale tells how to analyze a congregation to fit a sermon to the audience. The book then gives practical help for preparing and delivering sermons that are meaningful and appropriate. Tisdale draws from contextual theology and congregational studies.

Why is preaching so often bad? Why is worship so often dull? Why do Sunday mornings so often fail to help the folks in the pews live a faithful life from week to week? And what can be done about it? Many will tell us that there are easy and purchasable fixes. More technology. Less tradition. Virtual worship. Thinking big. The land and the farm model for us a different path. As Mark Rigg shows in this concise introduction to Wendell Berry, the themes that have illuminated the Kentucky farmer's essays, fiction, and poetry for fifty years have a great deal to say to the church. They offer an agrarian model of church where the focus is on the local, the tangible, and the communal. Out of such a model emerges a new approach to preaching. Both congregation members and preachers themselves will find themselves called to turn away from sermons that echo the promises of an individualistic consumer culture and to proclaim instead Jesus Christ in the midst of the local community.

Wendell Berry and the Agrarian Sermon

Preacher, Sermon and Audience in the Middle Ages outlines the state of sermon studies research and points to new areas of investigation. Subjects include a consideration of audience composition, heretical preaching, rhetoric, sermon genres, and the use of art in medieval preaching.

Originally published in 1983, Fundamentals of Preaching is a comprehensive textbook on preaching, guiding the novice from the first steps of conceiving the sermon through the actual construction and delivery. In this new, revised edition, Killinger enhances the outstanding, practical qualities of the text with much input from recent homiletical studies and the preaching of women.

12 Perspectives on Communicating that Connects

An Old Story of My Farming Days is a novel by Fritz Reuter, originally published in three volumes between 1862 and 1864, that portrays life in rural Mecklenburg in the 1840s in the context of the Revolutions of 1848. The novel was autobiographically-inspired as Reuter had himself worked as an apprentice farmer during the era. The story was one of Reuter's most successful works and has been adapted into other media a number of times. Although not the main character, the genial land inspector "Onkel" Zacharias Bräsig became the most well-known and his role was often emphasized in adaptations of the story.

What if you could study 1 Thessalonians, 2 Thessalonians, 1 Timothy, 2 Timothy, Titus, and Philemon with your favorite Bible scholars from across the ages? Preaching in Place

A Comprehensive Resource for Today's Communicators

A Treatise on Homiletics

Throughout history, there have been certain figures who have stood the test of time and had an enduring impact on the church at large. One such person was the famed Welsh preacher Dr. Martyn Lloyd-Jones. In this carefully curated collection of sermons, contemporary readers are introduced to one of the most influential pastors of the 20th century. Each sermon in this volume is preceded by a unique introduction detailing when it was preached, what Lloyd-Jones was doing at the time, why the historical context gave rise to the sermon, and how its message relates to the modern world. Compiled and expertly edited by his daughter and grandson, this powerful anthology will help Christians learn from Lloyd-Jones's prophetic preaching—even today.

Throughout the Reformation period, England's most important public pulpit was Paul's Cross, which stood in the churchyard of St Paul's Cathedral in London. This book offers a detailed history of the Paul's Cross sermons from the reign of Elizabeth I until the destruction of the pulpit under Charles I. It explains the arrangement for the sermons' delivery and the tensions between the different authorities (the royal government, the bishops of London, and the Corporation of London) who controlled them. The increasing role that the Paul's Cross sermons played in London's civic culture after the Reformation is discussed, and an account is given of the narrowing of the sermons' audience in the years preceding the English Civil War. This book explores early modern English homiletics, so that preachers' adaptation of sermon genres to suit sermons on religious controversies or on political anniversaries (such as 5 November) can be described.
