***The pursuit of the man who murdered their life-long friend on the streets of London has forced Giles, Michael, Francis, and their newfound companion Vasily to the shores of far-off Brazil, an unfamiliar land to them. They are forced to rely on themselves only to traverse through dark paths to catch the mysterious fleeing criminal, Alikhan. Unbeknownst to them, they have become players in a global struggle among Illuminati-like forces, each striving to land the ultimate death blow to dominate the other. The mystery cargo transported south by Alikhan is one such terrorism operation that the three friends from London inadvertently have been dragged into. They are forced to confront many terrors as before they lay many crime networks that plague the region. They must find a way to capture Alikhan and stop his supporting gang from transporting the dangerous cargo across southern Brazil. Along their journey, they find themselves always behind their enemy, outgunned and outnumbered, always striving to anticipate the next move and purpose of the criminals. Constantly presented with the natural choice to quit and flee, the four muster their courage to continue, only to find that fortune sometimes smiles on them. They are rewarded with help found from new friends. Their quest stretches from the Atlantic Ocean coast and proceeds further from civilisation towards the sparsely inhabited regions in the interior where bandits reign supreme. As they race further west into Brazil’s interior, the scale and reach of destruction, pillaging and banditry shock and horrify the companions. Unknown to the outside world, long has this region suffered under the persecution of those who seek power and profit. They discover by accident hidden people who still hold out against the evildoers and share a common enemy. But the plans and machinations of the criminals are fast coming to fruition, and the friends are forced to divulge details of the conspiracy of the dangerous cargo they are pursuing. They are thrown into a last desperate war of life and death for the persecuted people of the region. Murder and destruction sweep the lands as the friends are scattered and pushed to oblivion. The search for peace, happiness, and redemption strains their relationship. He finds romance with an astute local woman, Elisabetta, who offers Giles the path to a new serene life.
