Feng Shui For The Soul How To Create A Harmonious Environment That Will Nurture And Sustain You Denise Linn

*For the first time, Dr Sha teaches readers how to increase their longevity, attain wealth and prevent illness through a fusion of Eastern and Western medicine and philosophy that will revolutionize their understanding of healing. Through his internationally acclaimed principles and techniques, Dr Sha provides a simple answer to the age-old question: what is the real secret to healing? Heal the soul first, and the mind and body will follow. This third book in his bestselling Soul Power series dives deep into spiritual mysteries and reveals ancient secrets and lessons that readers can apply to every area of the daily routine, clearing up negative energy, blockages and discovering their capacity for unconditional love and forgiveness.*

*In Feng Shui Simply, Cheryl Grace digs deep into the principles of feng shui to present an exciting new view of this age-old concept and shows that feng shui isn't just about rearranging your furniture or painting your walls; it goes much deeper. She opens your eyes to how feng shui can be used to balance the energy of every part of your life—both in your external and internal environments. Grace shows that bringing your focus to both of these worlds is a powerful way to design the life you're meant to live. In these pages, Grace takes you on a journey to design your living spaces using the classic Bagua map—a chart separating physical spaces into nine areas, each representing a different aspect of life, such as wealth, family, and career. But perhaps more importantly, she goes one step further, teaching you the inner work of feng shui using her own Inner Wisdom Bagua map, which correlates the characteristics, beliefs, and attitudes that will help you flourish in each area of your life. Sharing anecdotes from her own experience switching careers from her own experience switching careers from her own consultant, as well as her clients' success stories, Grace walks you through each area of the standard and Inner Wisdom Bagua maps to create unique solutions for your life. She teaches you to harness the power of your intuition to determine what's true and important for you. And she offers practical tools based on concepts such as Yin and Yang, the Five Elements, and the Magical Day, to help you figure out which enhancements will be the most effective in transforming your life. By celebrating key principles like universal gratitude, a positive outlook, and living in the present moment, she shows you how to manage life on a day-to-day basis and points you toward your life's true purpose.*

*Feng shui, the ancient Chinese art and science of finding harmony with nature, has become widely adopted in the West. Like Buddhism, which migrated from India eastward, feng shui is recognized by Eastern scholars as having originated not in China but in India, where it is referred to as Vastu Shastra, or the science of architecture. In Vastu Living, Kathleen Cox introduces readers to the art, science, and practice of vastu. Cox explains vastu's origins in the Vedas, its relationship to the Hindu gods, its principles and guidelines, and its traditional uses. Vastu Living shows readers how to practice vastu at home and in the workplace—from understanding its teachings on room layout and furniture placement to bringing the divine into every dimension of one's environment.*

*In this revised and updated edition of her classic, bestselling book, Karen Kingston draws on her wealth of experience as a clutter clearing, space-clearing, and feng shui practitioner to show you how to transform your life by letting go of clutter. Her unique approach lies in understanding that clutter is stuck energy that has far-reaching physical, mental, emotional, and spiritual effects. You'll be motivated to clutter clear as never before when you realize just how much your junk has been holding you back! You will learn: - Why people keep clutter - How clutter causes stagnation in your life - How to clear clutter quickly and effectively - How to live clutter-free*

*“Author and feng shui expert Laura Benko shares her tips for giving your space—and ultimately your whole self—good healing energy.” —Architectural Digest The Holistic Home is based on an original lifestyle concept focused on creating a dynamic, healthy, and thoughtful space within yourself and your home by combining three planes of action—mind, body, and spirit—that result in profound change. The condition of the mind affects the psychology of how you dwell: subconscious influences, decorating with intention, and allowing your emotional issues and challenges to manifest in your space. The physical aspects of your design space, such as furniture positioning, design elements, sustainability, wellness, and organization, are representative of your relationship with your body. And finally, the spirit refers to all the invisible energies within you and your home—feng shui, atmosphere, and the soul of your home. Years ago, author and holistic feng shui expert Laura Benko was diagnosed with a rare cancer. Around that time, a book serendipitously fell on her head. She took this as a much-needed sign to devote the next decade of her life to research and hundreds of transformative holistic design consultations. Her clients' real-life, inspiring stories, along with specific actions and tips, have become the foundation for The Holistic Home. Chapter by chapter, you'll learn how to holistically tackle it all—relationships, clutter, health, communities, inner balance, and more—by looking within your immediate environment to make direct connections in your life. “Laura connects the dots between how we dwell in our homes and the challenges in our lives in an enlightening and groundbreaking way.” —Mallika Chopra, founder and CEO of Intent.com*

Miracles can occur in your life, easily and effortlessly. It’s simply a matter of remembering who you are—and to do this it’s necessary to clear the blockages that stand between you and your soul. Almost all of these obstacles have their roots in your distant past, so it’s valuable to travel back in time to release them. However, most of us are so caught up in limiting beliefs about who we are that it’s almost impossible to take that journey. In this book, you’ll learn how to travel back to your previous incarnations to release buried obstructions so you can create the miracles in your life that you deserve! It’s safe, easy, and fun . . . and anyone can do it! You’ll learn how to discover your past lives without ever doing a regression, remove limitations regarding your relationships, abundance, and health that came from your past lives, uncover the symptoms of past-life traumas and how to clear them, even if you don’t believe in reincarnation, understand the roles that loved ones played in your previous incarnations, find your personal guides, spirit guardians, and angels and receive their help . . .and much, much more!

Feng Shui, the art of Wind and Water, emerged 3,000 years ago in China and gradually evolved over time as new theories and new models were introduced. While its development was driven by the primary needs of survival and defence, it would later be enhanced with concepts relating to culture, philosophy, the climate and the territory. Thanks to the work of Pierfrancesco Ros’ Accademia Italiana di Architettura Feng Shui, Feng Shui has been further expanded with ancient and modern knowledge relating to environmental well-being. Feng Shui Architecture offers the reader project guidelines for use in town planning, architecture, interior design and ecodesign. The first volume examines the key issues of the earth way and the sky way. The second and final volume, produced with the contribution of the Accademia di Psico Architettura, looks at the man way, establishing a global approach to various types of environmental analysis and design for a complete understanding of Holistic Architecture.

"Our homes are mirrors of ourselves. Through them we can interface with the universe." Everything in the universe is composed of constantly changing energy, including your home and its contents. This energy can profoundly influence your ability to be healthy, loving, creative and abundant. By clearing and enhancing this energy you can transform your home into a sanctuary which radiates positive energy in ever-expanding circles. In this fascinating and unusual book, Denise Linn shows you how you can dramatically change your life by changing the environment in your home or office. She combines information from her own Native American heritage with material she has personally collected from native traditions around the world to bring you practical, easy-to-use exercises for balancing the physical, emotional and spiritual energies in your home, including how to: • Diagnose and solve problems with stagnant home energies. • Use sacred sound, spirit smoke, mystic symbols and purifying fire for clearing home energy. • Discover the personal numerology of your home. • Use the ancient art of Feng Shui for the placement of objects in your home. • Call house angels and other protective spirits. • Use rituals to rid your home of unwanted spirits. • Instantly uplift the energy in your home. Your home can resonate, sing and pulse with Light energy that can touch the lives of everyone around you. Your home can become Sacred Space.

The Dance of Heart and Home

The ancient Chinese art of Feng-Shui, the basis of man's relationship with the land, has practitioners and followers throughout the Western world, from rural communities to big cities. Not just an Eastern practice any more, Feng-Shui can be found around the globe. Feng-Shui is an art that stresses the importance of living in harmony with nature. The Chinese believe that the earth has channels of energy known as 'dragon-lines', comparable with the meridians of the human body. Buildings, towns and rooms should be designed and constructed so as not to obstruct these channels. According to the principles of Feng-Shui, living in harmony with the earth's field of energy will promote prosperity, peace and happiness. Living Earth Feng Shui is a fascinating book which outlines how Feng-Shui can be applied on a small or large scale, in the busiest cities or the smallest room. Author Stephen Skinner outlines its history and philosophy, clearly showing how it can be used to determine the site and arrangement of dwelling places in order to enhance the quality of life of the inhabitants. This is the perfect book for those new to Feng-Shui or someone who is interested in expanding their knowledge.

Four Acts of Personal Power

Make your home an intimate retreat that will please your senses and nourish your soul. Here's how to make your home a sacred space... a sanctuary for mind, body, and soul. HOME SANCTUARIES gives you an easy-to-follow, seven-stage process for building personal retreats, altars, and shrines within your home. You will learn how to identify a location, cleanse and sanctify the area, evaluate the balance of energy, assemble materials, and energize your intentions. Specific chapters are devoted to communal rooms, intimate spaces, zones of creativity, and contemplative environments. Hundreds of practical tips and suggestions, insightful stories, and life lessons provide just the guidance you need to implement the ancient principles of feng shui right where you live. Readers who love the books of Denise Linn, Karen Kingston, Nancy SantoPietro, Xorin Balbes, and Tsh Oxenreider will find this book a great companion of equal value. The Alchemy of Intention (From the Introduction) Where intention goes, energy flows. Because of how energy functions, we are each engaged in co-creation with the life force. If you want your life to be sacred, you need to set the intention for it to be so. Setting an intention is like speaking to the Divine through a megaphone: It gets the message across more clearly. This is the true secret behind creating a home sanctuary. Altars and shrines are incredible spiritual tools because they anchor our feelings and thoughts so we become very clear and specific about what we want. Ultimately, whatever we focus on appears in the material world. Creating a sacred space in your home is an opportunity to connect your intimate environment with the realm of the Divine so that your soul is supported and nourished and has freedom to express and flourish.

In Feng Shui, the gold fish has long been associated with powerful soul mate and abundance energy. I painted these series of gold fish in pairs with this in mind. I wanted to surround myself with positive love energy. And with this book, I share this with you.

Pamela Woods' approach to garden design teaches you how to create a garden that reflects your spiritual beliefs and inner emotions. She invokes the power and beauty of ancient symbols such as Celtic wheels and spirals with Eastern practices such as feng shui to create gardens that are relaxing, meditative and, above all, beautiful. This book contains discussions about what makes a garden spiritual and how to analyse and channel energies in the garden. It also looks at ancient symbols and systems, such as the Tree of Life, the Medicine Wheel, spirals and labyrinths, and shows how to incorporate them into your own outdoor space.

The ancient art of space clearing is now being recognized by a growing number of people as a simple and effective way to heal many aspects of their lives. In this practical and beautifully illustrated book, Denise Linn, author of the international bestseller Sacred Space, explains the four key steps to space clearing and the different methods involved -- from using bells, drums, and rattles to feathers, smoke, and sacred dance. She also offers simple guidelines on preserving the atmosphere after a clearing, including special blessings and prayers.
