is an easy parameter to qualify, greatness is more complicated because it is a combination of both the manufacturer's and the public's opinion. A car that is highly regarded by the public may not have been a commercial

Emotion may be  
considered to be an  
element of greatness  
in that the public's  
'love' for a car is a  
fantastic benefit for  
a manufacturer and  
must be treasured.
