Figure Drawing for Fashion Design

Offers a topic-by-topic guide to mastering the rules of figure drawing and the techniques used in drawing specifically for fashion design and presentation.

Illustrate your children's wear project with ease, style, and accuracy! This book shows how to draw children's wear without having to learn figure drawing. The book includes all you need to get your project done. Use figure templates and sketching examples from the book to complete your project. Let's get started: - select a template from a variety of age groups and movements - place a paper over it and - sketch your children's wear idea. It is the most efficient way to have your project done! The book shows how to sketch on a figure and how to turn a sketch into a completed illustration. Choose a figure for your project from the selection of age groups and body movements. There are sets of ready-to-use figures for 0- 1, 1-3, 4-6, and 7-10 years old children. The templates in the book are designed to show apparel from any side with various poses and movements. The book combines visuals of garment details with basic terminology as written captions. Such a "visual dictionary" component enhances the book's usefulness as a designer's reference resource. All drawings in the book were illustrated with a simple pencil. Sketch illustrations show original roughness and spontaneity. This "sketchbook" style is instructive and visual. In every illustration, you can see traces of the creative

process. Some "step by step process" tutorials are included reinforcing the instructional value of the book. Fashion sketching with the book is less stressful and creates a smooth designer's workflow. Drawing children's fashion illustrations becomes fun and accurate when using the Children's Wear Fashion Illustration resource book by Irina V. Ivanova. This is a small sized vintage style sketchbook so fits in most purses, backpacks, and totes. Not too thick & not too thin, so it's a great size to throw in your purse or bag and sketch your fashion designs anywhere. This sketchbook is designed for all fashion lovers, fashion designers, fashion illustrators and students of fashion. There are more than 100 pages of figure templates suitable for fashion design and designers can easily draw their own designs on the pose that will be best to show their design. Sketching over 9 head proportioned fashion figures makes it easier for designers to draw proportionally. While using this book you can draw your own fashion design on the template and then you can color them. Each figure will be helpful for your sketches and they will encourage you to create your own style while drawing them. Fashionistas who like to design clothes will love woman figures with different posed templates without worrying about figure drawing skills.
