Libby/Libby/Short
wrote this text based
on their belief that the
subject of financial

Online Library

Financial

Accounting Libby

Accounting is inherently interesting, but financial accounting textbooks are often not. They believe most financial accounting textbooks fail to demonstrate that accounting is an exciting field of study and one that is important to future careers in business.

When writing this text,

Online Library

Financial

Accounting Libby

Answer Key

they considered career relevance as their guide when selecting material, and the need to engage the student as their guide to style, pedagogy, and design. Libby/Libby/Short is the only financial accounting text to successfully implement a real-world, single focus company approach in

Online Library

Financial

Accounting Libby

every chapter.

Students and

instructors have

responded very

favorably to the use of

focus companies and

the real-world financial

statements. The

companies chosen are

engaging and the

decision-making focus

shows the relevance of

financial accounting

regardless of whether
