school business organizations.

Attention is focused on problems of cash flow, working capital, and causes of change in financial position of the general fund. This section develops budgetary accounting controls and financial reporting principles. The

Read Book Financial And Managerial Accounting For Mbas, 3rd Edition

second section, "Accounting Principles as Applied to the Various Funds Used in Financial Administration of School Systems," addresses each fund and account group individually, showing how a school's financial structure can be divided into manageable, effective

Read Book Financial And Managerial Accounting For Mbas 3rd Edition

segments. The section includes the general fund, special revenue funds, capital project funds, and debt service funds. Financial transactions typical of those used in each fund and account group of a school system are illustrated. Interim and annual financial
