Transform dating and the often-fraught search for a fulfilling relationship into a fun, exciting adventure using mindfulness techniques and practices. Dating is a 2 billion dollar industry. Everyone, it seems, is looking for love but for so many it is an endless struggle. In Seeking Soulmate: Ditch the Dating Game and Find Real Connection, Brooklyn-based therapist Chamin Ajjan offers a fresh perspective to this universal pursuit. With a friendly, funny, and informative approach, Ajjan applies the evidence-based theories of Cognitive Behavior Therapy and mindfulness meditation practice to the negative behaviors, thoughts, and patterns that cause dating distress. Every stage of the dating process, from finding someone to date, to developing a relationship, has its own particular difficulties. Seeking Soulmate shares case vignettes, relatable characters, and personal experiences from Ajjan's clinical experience to illustrate how the personal insight gained with practicing mindfulness can transform the anxiety, negative thoughts, and overall hopelessness that accompanies the unsuccessful pursuit of love into fun, rewarding, exciting dating adventures. Ajjan provides an explanation for dating difficulties, a foundation for practice, and practical exercises to create real change. These methods are available to everyone, regardless of age, socioeconomic status, ethnic, cultural, or religious background, or sexual orientation. Seeking Soulmate will help you develop the most important benefit of mindful dating: the ability to let your genuine, most attractive self emerge. This is how real relationships with the actual staying power are formed.

Single women often feel left alone to find answers to their deep questions about love and intimacy. Some hang out and hook up, hoping for love. Others are afraid even to hope. At some point, every woman needs reassurance that she and her standards are not the problem. "How to Find Your Soulmate without Losing Your Soul" presents 21 strategies to help single women raise the bar, instead of sitting at it, waiting around for Mr. Wonderful.

Unlimited, unconditional, unending love. Is it fantasy or reality? In this extraordinary and fascinating book, bestselling author Jess Stearn reveals that perfect love does exist--that you can find it, experience it . . . and with it, change your life forever. Here are the inspiring stories of many real-life soulmates Stearn has met, the innermost secrets of celebrities like Shirley MacLaine, Susan Strasberg, Howard Hughes, and Joan Hackett, who have sought and found the ultimate love. Now you can share in the drama and ecstasy of fulfilling your deepest and most powerful yearnings and desires. You too can find your own true soulmate.

Dating Backwards is a fresh look at some old concepts along with some common sense ideas about dating. It is a path to discover the extraordinary person you are and who will best be your extraordinary partner in life. This book will help you identify the different types of love, introduce you to the concept of the Four Cornerstones of Relationships and show many of the mistakes people continually make as they search for and enter into relationships. The principles in this book are designed to help singles from 18 to 80 and beyond. The journey begins with determining what type of relationship you want and then you will be guided in developing your "Must Haves" list. This list is the discovery of characteristics which results in the best relationship for you. We help you uncover the "Deal Breakers" which guides you away from repeating the same mistakes over and over. You will learn to identify your personal Red Flags that are warnings signs which provide you protection and guidance in choosing a potential mate. You will find guidance to help you to determine and discover what qualities you have to offer to a potential mate and uncover any qualities you possess that may be "Deal Breakers" to others. We all carry baggage in life and into a relationship. What is packed in your bag? Do you bring family issues? Do you bring issues from past relationships? Common questions answered are: How soon should you date after a divorce? What about dating after the death of a spouse? Do you have children and what is the impact of dating on them? How do you prepare your family for you entering back into dating? Then there are the extended families. How do you and your potential mate get along with each other's extended family? What about exes and their extended families. How will all of these potential relationships affect your relationship with your soul mate? These questions are covered and more. Extraordinary communication is extremely important in a relationship. This book will help you with a basic understanding of verbal and non verbal communication. Open communications on topics that can be difficult to discuss are addressed. Topics like; How do you handle money? Physical intimacy, food, music, household chores, hobbies, spare time are just a few of the topics that require excellent communication. Finally, we discuss dating, where to look, and how to present or market yourself to find a potential mate. We also review Respect, One Sided Romance, Physical Intimacy and Loneliness among other situations that can occur while on your journey to seek your soul mate. This book is the culmination of many years of education (both formal and informal), observation, personal experience and prayer. God has blessed Rick and Penny by bringing them together to create this work. There is also some other very good information available and some of it we even recommend as additional resources to our readers. The key is to find what works for you. Hopefully you will gain some practical information that will help turn your unsuccessful dating and decision making habits into an extraordinary relationship. Our society has neglected, ignored and drifted away from the use of this practical information for more than 50 years. It is our grandest hope that this book will help at least some of our readers make better dating (and life) decisions and start Dating Backward.

Examines the science behind choosing a mate and reveals actionable tips for finding love, in an exploration that draws on research from such fields as demography, sociology, and psychology.

The #1 New York Times Bestseller "An engaging look at the often head-scratching, frequently infuriating mating behaviors that shape our love lives." —Refinery 29 A hilarious, thoughtful, and in-depth exploration of the pleasures and perils of modern romance from Aziz Ansari, the star of Master of None and one of this generation's sharpest comedic voices At some point, every one of us embarks on a journey to find love. We meet people, date, get into and out of relationships, all with the hope of finding someone with whom we share a deep connection. This seems standard now, but it's wildly different from what people did even just decades ago. Single people today have more romantic options than at any point in human history. With technology, our abilities to connect with and sort through these options are staggering. So why are so many people frustrated? Some of our problems are unique to our time. "Why did this guy just text me an emoji of a pizza?" "Should I go out with this girl even though she listed Combos as one of her favorite snack foods? Combos?!" "My girlfriend just got a message from some dude named Nathan. Who's Nathan? Did he just send her a photo of his penis? Should I check just to be sure?" But the transformation of our romantic lives can't be explained by technology alone. In a short period of time, the whole culture of finding love has changed dramatically. A few decades ago, people would find a decent person who lived in their neighborhood. Their families would meet and, after deciding neither party seemed like a murderer, they would get married and soon have a kid, all by the time they were twenty-four. Today, people marry later than ever and spend years of their lives on a quest to find the perfect person, a soul mate. For years, Aziz Ansari has been aiming his comic insight at modern romance, but for Modern Romance, the book, he decided he needed to take things to another level. He teamed up with NYU sociologist Eric Klinenberg and designed a massive research project, including hundreds of interviews and focus groups conducted everywhere from Tokyo to Buenos Aires to Wichita. They analyzed behavioral data and surveys and created their own online research forum on Reddit, which drew thousands of messages. They enlisted the world's leading social scientists, including Andrew Cherlin, Eli Finkel, Helen Fisher, Sheena Iyengar, Barry Schwartz, Sherry Turkle, and Robb Willer. The result is unlike any social science or humor book we've seen before. In Modern Romance, Ansari combines his irreverent humor with cutting-edge social science to give us an unforgettable tour of our new romantic world.

Is it really possible to find true love on the internet dating sites? Yes, it is. With this comprehensive and informative pocket book as your secret weapon you will gain valuable insight on how to win the online dating game. With plenty of tips and hints on how to make these sites work for "you", you will discover what it is you really want, find it and keep it. An absolute essential buy if you are serious about finding your true love online.

While navigating through the dating scene, every woman begins to wonder: How do I know when a guy really loves me? Am I being too picky? Do I even deserve love? Is my relationship worth keeping? Is love worth the risk? Are any decent guys left? Single women often feel left alone to find answers to their deep questions about love and intimacy. Some hang out and hook up, hoping for love. Others are afraid even to hope. At some point, every woman needs reassurance that she—and her standards—are not the problem. In How to Find Your Soulmate without Losing Your Soul, you'll discover twenty-one strategies to help you raise the bar, instead of sitting at it, waiting around for Mr. Wonderful. Isn't it time that you discovered a love that helps you to become yourself?

Many of us are born into this world with the feeling and knowing of what being loved by another person should feel and be like, but we lack the feeling and knowing of how to fulfill this desire in the highest and best way. The desire for a soul mate is the ancient need to become the divine couple whose union breathes new life into the world. Seen from this context, finding your soul mate has deeper ramifications than a purely romantic desire; the union of a soul mate is about the creation of an energy that is a candle to bring illumination to the world. The content of this book is designed for spiritually romantic people who have not lost the faith that there is someone out there that has a divine understanding of us, and that two people are brought together for a divine plan that will contribute towards a higher purpose. Based on Vianna Stibal's own experience of finding her soul mate, this book will reaffirm your belief in true love and will explain how, using ThetaHealing®, you can bring your soul mate into your life.

How To Find Your Soulmate without Losing Your Soul21 Secrets for WomenTotus Tuus Press

The New York Times bestselling author of The Unhoneymooners returns with a witty and effervescent novel about what happens when two people with everything on the line are thrown together by science—or is it fate? Perfect for fans of The Rosie Project and One Plus One. Single mom Jess Davis is a data and statistics wizard, but no amount of number crunching can convince her to step back into the dating world. Raised by her grandparents—who now help raise her seven-year-old daughter, Juno—Jess has been left behind too often to feel comfortable letting anyone in. After all, her father’s never been around, her hard-partying mother disappeared when she was six, and her ex decided he wasn’t “father material” before Juno was even born. Jess holds her loved ones close, but working constantly to stay afloat is hard...and lonely. But then Jess hears about Genetically, a buzzy new DNA-based matchmaking company that’s predicted to change dating forever. Finding a soulmate through DNA? The reliability of numbers: This Jess understands. At least she thought she did, until her test shows an unheard-of 98% compatibility with another subject in the database: Genetically’s founder, Dr. River Pena. This is one number she can’t wrap her head around, because she already knows Dr. Pena. The stuck-up, stubborn man is without a doubt not her soulmate. But Genetically has a proposition: Get to know him and we’ll pay you. Jess—who is barely making ends meet—is in no position to turn it down, despite her skepticism about the project and her dislike for River. As the pair are dragged from one event to the next as the “Diamond” pairing that could make Genetically a mint in stock prices, Jess begins to realize that there might be more to the scientist—and the science behind a soulmate—than she thought. Funny, warm, and full of heart, The Soulmate Equation proves that the delicate balance between fate and choice can never be calculated.

“Amy Webb found her true love after a search that’s both charmingly romantic and relentlessly data-driven. Anyone who uses online dating sites must read her funny, fascinating book.”—Gretchen Rubin, #1 New York Times bestselling author of The Happiness Project After yet another disastrous date, Amy Webb was preparing to cancel her JDate membership when epiphany struck: her standards weren’t too high, she just wasn’t approaching the process the right way. Using her gift for data strategy, she found which keywords were digital-man magnets, analyzed photos, and then adjusted her (female) profile to make the most of that intel. Then began the deluge—dozens of men who actually met her own stringent requirements wanted to meet her. Among them: her future husband, now the father of her child.

As a professional psychic counselor for over 20 years who specializes in love and life issues, I see how hard it is for my clients to find true love. For most people, it might not be difficult to get dates or be in short-term relationships, but it’s incredibly hard to find “the one.” First dates may go along wonderfully but never turn into anything long-term or new relationships that seemed to have so much hope simply crash and burn, joining the wreckage of our past. Others find it almost impossible to even attract potential dates and spend months, years, even decades being alone, hoping and praying that their soulmate will find them at long last. Still, others have completely given up on ever finding true love and have simply decided to stay in a cold or dysfunctional relationship or remain alone. Obviously, there’s no shortage of people on the planet, so why is it so hard to find true love? This is why I wrote *Is He The One? Finding and Keeping Your Soulmate*. It covers the many pitfalls and obstacles we face while on the path to finding our soulmate, and ways you can overcome anything and everything that’s stopping you from enjoying the relationship you’ve always dreamed of. I’ll show you how to blast through your barriers and ultimately find and keep your Mr. Right.

Are you tired of being lonely and alone? Do you wish you had someone to enjoy the weekends with? Whether you want to (1) know how to create the perfect online dating profile, (2) send messages that get enthusiastic responses, or (3) find the love of your life, this book will teach you everything you need to know. Learn how to safely and successfully navigate the world of online dating. No, you do not have to reveal everything about yourself on your profile! Such a revelation in a public forum would not be wise. It is not untruthful, however, to withhold information. There are things that are only right to keep to yourself, even after the third date. However, you do want to present yourself and your personality truthfully. I can help you with that. In this book I will walk you through the process of developing an accurate profile that sets you up to meet people who are most likely to appreciate you for who you are. Discover how to keep your foot out of your mouth. The online world is highly competitive, that is why it is so important for you to know all the things that you should and should not do in order to be successful! Men and women respond differently; what is intriguing to a man may be a turn-off to a woman, and vice versa. Often the other gender’s preferences will appear completely counter-intuitive. I’ve been careful throughout this book to include both male and female perspectives and offer positive suggestions while warning you away from instinctive choices that would not further your cause. Hugely increase your chances of success! With the huge surge in popularity of online dating over the past few years, there has never been a better time than today to learn the secrets that can help you experience success with online dating. Learn which sites will work the best for you; discover what you have that the opposite sex will find most attractive. Create a profile that will set you up to meet other like-minded people, post the sort of photographs that potential dates will find most attractive, and master the art of the first message. I will walk you through what toe do and what not to do in your first face-to-face encounter and discuss how to conduct yourself on the first three dates, both for your safety and to help you make a great first impression. Discover how to progress to a more serious relationship. There is more to be learned about each other than can be discovered in just a few dates. If the friendship is viable beyond the third date or so, you can begin to open the door to even deeper conversations. If love is in the air, it is all the more important that this getting-to-know-you phase goes well. Even if romance is not immediately apparent, the friendship will require nurturing. I have saved some my best advice for this part of the book; it is my desire that all your relationships will flourish, grow and be strong and healthy. What will you learn about online dating? Which online dating websites are the best. How to create an appealing user name and incredible headline. How to create a user profile that gets results! What to say in your first few messages to really get some positive attention. How to choose the best profile pictures and which pictures to avoid. Start having fun with online dating. How You Can Find Your Own Soulmate

Have you ever wondered what it takes to find the love of your life? Is it your dream to find a life partner who will love, cherish, and adore you? The Soulmate Secret will show you how to take control of your romantic destiny by using the Law of Attraction. Translated into more than twenty languages, The Soulmate Secret has become an international phenomenon. Now with a new preface and a new chapter filled with book-inspired success stories, this book shows finding true love is possible for anyone at any age if you are willing to prepare yourself, on all levels, to become a magnet for love. Arielle Ford knows this from experience. She used the techniques in this book to bring her soulmate into her life at age forty-four. They were engaged three weeks later. This ancient formula reveals that our universe is set up to deliver the people and things into our lives that are consistent with our personal belief system. If you don’t believe you will ever find the One, then guess what? You probably won’t. If, however, you learn to believe that the One is not only out there but is also looking for you, then true love can be yours. Using a series of processes called feelingizations—feeling in every cell of your being the outcome you want to create—Ford reveals how to manifest the man or woman of your dreams. The techniques, rituals, and projects found within these pages will allow you to prepare your home, body, mind, and spirit for the lover your heart truly desires.

Ready to find your soulmate? The blueprint to how to find your soulmate, even if your current dating life sucks or died years ago, lays just a click away- so keep reading... "According to eharmony(R), a new study found that the chance of finding love on a given day is just 1 in 562 if you leave it entirely to fate." Leaving love to fate is what most people do, and they never find love. They spend the last years of their lives alone and loveless. If you spend money on books that preach that you can manifest love by merely "thinking" better thoughts, according to eharmony, you have a 1 in 562 chance of finding love. What if you want to increase your odds of finding love significantly? Just imagine a blueprint that shows you how to shortcut the line to love so that you find love in the next 3 to 6 months. Would you be interested in such a roadmap to finding your soulmate? There are actionable steps to finding your soulmate that most books leave out. Well, in 'Finding Your Soulmate, ' I give you the roadmap, the blueprint, the step-by-step actions you must take to find your soulmate. This system also speeds up the soulmate finding process by also showing you how to position your life so that your soulmate can find you.

This blueprint takes a two-step approach: Position your life so that you can find your soulmate Position your life so that your soulmate can find you When you have BOTH systems working for you daily, your chances of experiencing soulmate love will dramatically increase in the next 3 to 6 months. You should get this blueprint if you have an active dating life, but mediocrity always finds you and never true love; or if you suffer a nonexistent dating life and you need a plan to jumpstart things. Why should you listen to me at all? Unlike most books, this blueprint is NOT offering you some love story about how one person found love. This blueprint isn NOT some 'woo-woo' thing, and love will 'pop out of your closet' book. I've compiled the soulmate finding strategies used successfully by hundreds of couples, and I'm handing you these strategies in an easy-to-read format. After you finish goign through this blueprint, your life will change in the following ways: You will finally believe that love wants you to experience its fullness You will not feel clueless about how to meet Mr/Miss 'right' At last, you will have a step-by-step plan to follow daily to find love Finding love will be fun and not stressful Your life will be full of dating options because several people will compete for your love No longer will you go to bed at night stressed about lonely weekends or holidays You can start making early plans to bring in New Years with your soulmate ...and much more Even if you've gained weight, lost your hair, experienced multiple divorces, or haven't kissed someone in years, the strategies in this blueprint can help you find your soulmate quickly. Even if you live in a small town of a few hundred people, you can find a soulmate once you use this blueprint. Internationally bestselling author and relationship expert Arielle Ford offers the keys to re-discovering love, passion, respect, and renewed commitment, years after the simple act of falling in love and getting married. It’s one thing to fall in love and get married. It is quite another thing to have a marriage you love. This is the true purpose of Turn Your Mate Into Your Soulmate. Author of the international bestseller The Soulmate Secret, Arielle Ford unlocks the wisdom learned in her own marriage along with expertise gleaned from friends and experts such as Harville Hendrix, John Gray, Dr. Helen Fisher, Neale Donald Walsch, and Marianne Williamson, to help readers find a happy middle ground between the rare, precious, and unattainable romantic notion of love, and the reality that happens when restlessness, anger, or disappointment set in and act as a stubborn barrier to happiness and fulfillment. Turn Your Mate into Your Soulmate explores and reveals: What love really is and is not, and how to infuse your life with richer, fulfilling love. Why we yearn to be connected to another person; Our soul and our sacred contracts around love. Why giving up perfectionism is the key to happiness. The purpose and benefits of marriage. Components of a healthy relationship. Moving beyond ourselves to infuse our relationships with God/Spirit/devotion. Breathing new life into old love by kick-starting the fun; Why changing partners may not be the answer and why re-envisioning the partner you have can be the path to happiness. Arielle lays the groundwork for the purpose and work needed for a healthy relationship, proving that marriage is not as simple as Happily Ever After—but that real love can be even better.

In The 5 Love Languages, you will discover the secret that has transformed millions of relationships worldwide. Whether your relationship is flourishing or failing, Dr. Gary Chapman s proven approach to showing and receiving love will help you experience deeper and richer levels of intimacy with your partner starting today.

Based on years of research and 121 real-life first dates, relationship expert Wendy Newman dishes up practical wisdom for navigating the online dating trenches with grace, efficiency, and a strong dose of humor. Wendy Newman has made every imaginable dating mistake so you don't have to. Part guidebook, part personal tell-all, 121 First Dates chronicles Wendy's funny, real-life misadventures and the practical wisdom she gained from them. Her dating tales will find you laughing, commiserating, and nodding your head as you learn how to stay in the dating game until you find the right man, just like Wendy did. This book busts myths, answers age-old questions, and examines pitfalls that make you want to give up on dating altogether. Just when you're about to submit to a lifetime at home with a pint of Haagen-Dazs and sitcom reruns, 121 First Dates will inspire you to keep stepping out. Wendy discusses how to date successfully and efficiently, avoid the most common dating pitfalls, have an amazing first date with anyone, end uncomfortable situations with grace, and much, much more. She offers up realistic Dos and Don'ts as well as tips for making the most of any situation you find yourself in—whether you want to run or you think he's the one. Brimming with humor, hope, and authenticity, 121 First Dates will give every woman the tools, confidence, and determination to be and stay real when dating. How else will you find the best match for you?

One in five relationships starts on an online dating site, but little straightforward guidance exists for users. Enter digital dating whisperer Laurie Davis . . . In a world where we communicate as much via texts as we do through body language, this book empowers readers to log on and double click for love, taking them through the journey all online daters face—from choosing the right site, creating a profile, and navigating dates, to logging off with their perfect match. Love @ First Click is every online dater’s guide to exploring the web with no-fail techniques. For example, uploading the right photos can attract someone who might otherwise pass you over. Setting a time limit on the first meet-up can leave your date excited to see you again. And the phrasing in your date’s thank-you text after dinner can uncover how your click mate really feels about you. Whether you’re a digital dating vet or virgin, this is the ultimate guide to online dating that will take your online crush to offline love.

Elena Murzello cannot imagine going to the grocery store without a list. As she strolls through the aisles, she relies on her list to make sure she gets her must-haves and to help keep her from grabbing items she does not need. It was with this theory in mind that, at age twenty-one, she created a list of characteristics for a potential lifelong mate that still guides her love choices to this day. In The Love List, Elena shares her real- life experiences as well as information gathered from more than a hundred single, divorced, and married men and women about the qualities they look for in a life partner. Abstracting details from her interviews she created a process that anyone can use to create his or her own lists. Along with introspective questions to ponder, Elena includes sample lists of characteristics, the top three traits both men and women seek in a partner, an exploration of different types of relationships, and ways to diversify a portfolio of suitors. The Love List provides practical tips and personal stories to encourage single people to look deep within, take risks, and learn to rely on their own unique lists while searching for the perfect mate.
