

Finding And Funding Great Deals The Hands On Guide To Acquiring Real Estate In Any Market

An engaging guide to excelling in today's venture capital arena Beginning in 2005, Brad Feld and Jason Mendelson, managing directors at Foundry Group, wrote a long series of blog posts describing all the parts of a typical venture capital Term Sheet: a document which outlines key financial and other terms of a proposed investment. Since this time, they've seen the series used as the basis for a number of college courses, and have been thanked by thousands of people who have used the information to gain a better understanding of the venture capital field. Drawn from the past work Feld and Mendelson have written about in their blog and augmented with newer material, Venture Capital Financings puts this discipline in perspective and lays out the strategies that allow entrepreneurs to excel in their start-up companies. Page by page, this book discusses all facets of the venture capital fundraising process. Along the way, Feld and Mendelson touch on everything from how valuations are set to what externalities venture capitalists face that factor into entrepreneurs' businesses. Includes a breakdown analysis of the mechanics of a Term Sheet and the tactics needed to negotiate Details the different stages of the venture capital process, from starting a venture and seeing it through to the later stages Explores the entire venture capital ecosystem including those who invest in venture capitalist Contain standard documents that are used in these transactions Written by two highly regarded experts in the world of venture capital The venture capital arena is a complex and competitive place, but with this book as your guide, you'll discover what it takes to make your way through it.

The federal government wastes your tax dollars worse than a drunken sailor on shore leave. The 1984 Grace Commission uncovered that the Department of Defense spent \$640 for a toilet seat and \$436 for a hammer. Twenty years later things weren't much better. In 2004, Congress spent a record-breaking \$22.9 billion dollars of your money on 10,656 of their pork-barrel projects. The war on terror has a lot to do with the record \$413 billion in deficit spending, but it's also the result of pork over the last 18 years the likes of: - \$50 million for an indoor rain forest in Iowa - \$102 million to study

screwworms which were long ago eradicated from American soil - \$273,000 to combat goth culture in Missouri - \$2.2 million to renovate the North Pole (Lucky for Santa!) - \$50,000 for a tattoo removal program in California - \$1 million for ornamental fish research Funny in some instances and jaw-droppingly stupid and wasteful in others, The Pig Book proves one thing about Capitol Hill: pork is king!

The first Encyclopedia of Commercial Real Estate The Encyclopedia of Commercial Real Estate Advice covers everything anyone would ever need to know on the subject. The over 300 entries inside not only have hard hitting advice, but many share enlightening stories from the authors experience working on hundreds of deals. Finding and Funding Great Deals

Scores of talented and dedicated people serve the forensic science community, performing vitally important work. However, they are often constrained by lack of adequate resources, sound policies, and national support. It is clear that change and advancements, both systematic and scientific, are needed in a number of forensic science disciplines to ensure the reliability of work, establish enforceable standards, and promote best practices with consistent application. Strengthening Forensic Science in the United States: A Path Forward provides a detailed plan for addressing these needs and suggests the creation of a new government entity, the National Institute of Forensic Science, to establish and enforce standards within the forensic science community. The benefits of improving and regulating the forensic science disciplines are clear: assisting law enforcement officials, enhancing homeland security, and reducing the risk of wrongful conviction and exoneration. Strengthening Forensic Science in the United States gives a full account of what is needed to advance the forensic science disciplines, including upgrading of systems and organizational structures, better training, widespread adoption of uniform and enforceable best practices, and mandatory certification and accreditation programs. While this book provides an essential call-to-action for congress and policy makers, it also serves as a vital tool for law enforcement agencies, criminal prosecutors and attorneys, and forensic science educators.

Getting bored with residential real estate? Do the exact same thing in the commercial space for ten times the profit-with no extra time, money, risk, or corporate red tape. Most commercial real estate books leave you with plenty of information but no idea where to start. That's why Commercial Real Estate Investing provides one simple, proven, step-by-step roadmap for doing your first commercial deal. FIND-Execute a proven marketing strategy to get motivated sellers calling you. FIGURE-Analyze properties to figure out how much you can pay for them. FUND-Structure an equity partnerships to fund your deal using other people's capital. FIX-Estimate the costs of repairs quickly and accurately. FILL-Secure world-class tenants with favorable lease agreements. FINANCIALS-Maximize financial performance by putting asset management systems in place. FREEDOM-Be able to analyze when you should refinance or sell to free up your capital and profit. Stop competing against rookies who watched an HGTV episode and decided they were house flippers. Step up to the big leagues with Commercial Real Estate Investing and cash your first seven-figure check. Everything you need to find and fund your first deal is right here.

*This book reveals: * Where to find investors and the best approaches to win their support * What investors are really looking for but won't tell you * How to persuade banks, business angels, VCs and public funders * Insider tips for compiling material that satisfies investors * Little-known strategies that will boost your success*

NEW YORK TIMES BESTSELLER Following his explosive New York Times bestseller Red Notice, Bill Browder returns with another gripping thriller chronicling how he became Vladimir Putin's number one enemy by exposing Putin's campaign to steal and launder hundreds of billions of dollars and kill anyone who stands in his way. When Bill Browder's young Russian lawyer, Sergei Magnitsky, was beaten to death in

a Moscow jail, Browder made it his life's mission to go after his killers and make sure they faced justice. The first step of that mission was to uncover who was behind the \$230 million tax refund scheme that Magnitsky was killed over. As Browder and his team tracked the money as it flowed out of Russia through the Baltics and Cyprus and on to Western Europe and the Americas, they were shocked to discover that Vladimir Putin himself was a beneficiary of the crime. As law enforcement agencies began freezing the money, Putin retaliated. He and his cronies set up honey traps, hired process servers to chase Browder through cities, murdered more of his Russian allies, and enlisted some of the top lawyers and politicians in America to bring him down. Putin will stop at nothing to protect his money. As Freezing Order reveals, it was Browder's campaign to expose Putin's corruption that prompted Russia's intervention in the 2016 US presidential election. At once a financial caper, an international adventure, and a passionate plea for justice, Freezing Order is a stirring morality tale about how one man can take on one of the most ruthless villains in the world—and win.

This book is intended to be a roadmap for new real estate investors who are looking to scale their business by injecting more private capital (other people's money) into their real estate future. These are real estate investors who want to become a rainmaker in their business.

A True Story of Money Laundering, Murder, and Surviving Vladimir Putin's Wrath

Pathways to Health Equity

The Founder's Dilemmas examines how early decisions by entrepreneurs can make or break a startup and its team. Drawing on a decade of research, including quantitative data on almost ten thousand founders as well as inside stories of founders like Evan Williams of Twitter and Tim Westergren of Pandora, Noam Wasserman reveals the common pitfalls founders face and how to avoid them.

The anthrax incidents following the 9/11 terrorist attacks put the spotlight on the nation's public health agencies, placing it under an unprecedented scrutiny that added new dimensions to the complex issues considered in this report. The Future of the Public's Health in the 21st Century reaffirms the vision of Healthy People 2010, and outlines a systems approach to assuring the nation's health in practice, research, and policy. This approach focuses on joining the unique resources and perspectives of diverse sectors and entities and challenges these groups to work in a concerted, strategic way to promote and protect the public's health. Focusing on diverse partnerships as the framework for public health, the book discusses: The need for a

shift from an individual to a population-based approach in practice, research, policy, and community engagement. The status of the governmental public health infrastructure and what needs to be improved, including its interface with the health care delivery system. The roles nongovernment actors, such as academia, business, local communities and the media can play in creating a healthy nation. Providing an accessible analysis, this book will be important to public health policy-makers and practitioners, business and community leaders, health advocates, educators and journalists.

How Newbie Investors Can Use 5 Easy Steps to Get Their First Rental Property and Plan for an Early Retirement Building wealth and going into early retirement is something many people dream of but only a few achieve it. The reason could be that they know they want to get comfortable financially so they can retire early but they do not know how to get there. Is this your story? Have you always wanted a way out of the rat race but find yourself in circumstances that prevent you from leaving?? Well, I have been in a similarly bad situation. Having been honorably discharged from the Army two years after my first injury, I could barely find any well-paying jobs and life was difficult. Eventually, with the help of a mentor, I started real estate investing and it is one of the best decisions of my life. I have been able to go from struggling with my wife and three kids to living in abundance and I want to help you do the same In 5 Steps to Your First Rental Property: Real Estate Investing Guide for Beginners, you will learn: - How to overcome the limiting beliefs that have stopped you from investing in real estate. - The different ways to get funding for your real estate investment even if you have no money at all. - Different strategies for finding the right property at a great deal. - How to find the right property manager that will take the stress off you when dealing with tenants. - The after closing details that will help you get your rental property running and producing cash flow. - About a partnership opportunity with me, my mentor and his team who has a track record of bringing 20% ROI from their real estate investment. - And so much more If you want to make your dream of an early retirement using real estate investing a reality, then I will see you on the pages of this book. Click the "Add to Cart" button right now and let's get started.

GET THE DEALS NOW Get Houses With Lots Of Equity In 7 Days Or Less Discover How To Acquire Houses Quickly and Make More Money In One Month Than Most People Make In A Year Do you have all the wholesale deals that you want or need? Have you ever wasted time trying to get a seller to sell his/her house cheap enough? If your answer to either one of those questions is Yes, then you're

not alone and we can help you. We will show you exactly how to get wholesale deals with lots of equity in seven days or less. You won't be mailing letters to a motivated seller list and hoping they call you back. There's no need to get an REO list and then twist the bank's arm into selling it for pennies on the dollar. In other words, you won't be wasting precious time. We will teach you how to master the process of finding deals with lots of equity and finding them very quickly. No postcards, no letters, you go directly to the source to get awesome deals very quickly. The focus is on you and how I can help you become successful by taking the headache out of this business and helping you make more money. You're the average of the 5 people you spend the most time with. These are the people that you network with; in other words, they're your Circle of Influence. How much money is your Circle of Influence making? If it's not what you're looking for or what you deserve, I suggest you start networking with a different group of people. A group of people that is playing on a different level and hitting on all cylinders. When you master these techniques, you will: Find great deals in 7 days or less Know how to find wholesalers and how to structure deals to maximize your profits Work with experienced private lenders that have deep pockets and are eager to work with you Structure big repairs for big gains while minimizing risk Find vacant or burned out properties without driving around wasting valuable time Know how to reposition a property to force the value up resulting in well over \$100,000 in equity Implement the technique to sell your house lightning fast Learn how and when to use a Land Trust to protect your assets And so much more You learn how to start off the right way if you're a beginning real estate investor or how to take an existing business and exponentially increase its annual revenue. This technique teaches you how to find deals quickly and how to take your business to a whole new level. You're not wasting three or four months trying to find good deals, they can start coming to you. Imagine having access to many private lenders throughout the country and all the cash you need to fund your deals. Find the deals and the money will follow. It's been said that you make your money in real estate when you buy the house correctly. When you combine buying houses with lots of equity with our method of selling, you can see profits really quick. After 27 years in the business, Tyrus has mastered the process of finding great deals quickly, funding them quickly and selling them for maximum profit. How many deals would you do if it only took a week to find and fund one deal? What would you do with the extra money? I look forward to working with you Tyrus Gross

Dale Carnegie (1888-1955) was an American writer and lecturer and the developer of famous courses in self-improvement, salesmanship, corporate training, public speaking, and interpersonal skills. Born into

poverty on a farm in Missouri, he was the author of *How to Win Friends and Influence People* (1936), a massive bestseller that remains popular today. **_x000D_**

Finding and Funding Great Deals
The Hands-On Guide to Acquiring Real Estate in Any Market
Biggerpockets Publishing, LLC

This book is designed to provide an overview of early-stage angel investing from both the investors' and the entrepreneurs' perspectives. While both parties are coming at the deal for different purposes, each shares the common goal of making money. In our humble opinion, it is critically important for both parties to understand the needs, triggers, and expectations of the other in order to be successful. The 100 rules we discuss in the book are not, by any means, the only rules or guidelines for early-stage investing. There are thousands of rules that are constantly changing around the world and even from one region of the country to another. The truth is, with a little experience and luck, you will know very quickly if investing or raising money in this class of investment is something you enjoy doing and something where you can make money. **FROM THE INVESTORS PERSPECTIVE** Imagine sitting down in your favorite chair and looking out the window admiring your perfectly manicured lawn and realizing that you don't have a care in the world. Why not? You've been successful and you should be proud of it. You've managed your money well and can pretty much do what you want, when you want. But then again, something appears to be missing. You don't feel as productive as you once were. You want to do something exciting again. You want to feel needed. Well, there is a whole world out there made up of wannabe entrepreneurs with dreams and visions, but no way of funding it. That's where you may be the perfect fit. You have money, you have great business acumen, and all you are missing is finding the perfect ride with a team of start-up junkies ready to build a company. If you find it, why not take your money and start investing as an angel? Yes, it can be hard. Yes, it can be risky. But, it can also make you and the entrepreneur you are backing a lot of money. As you can imagine, finding your first deal and stepping up to the plate for the first time can be both exhilarating and daunting. Hopefully, you took the advice of your friends and joined a professionally-managed angel group, or, at the very least, decided to co-invest with other accredited investors in order to share due diligence and mitigate some of the risk. As a first-timer, it's easy to become enamored by the entrepreneur sitting across the table from you with big plans and an unbelievable technology. The most experienced investors will tell you stories about amazing products that defied the laws of physics. But use caution, reality is much different than a

concept. It's tough to take something on paper and turn it into a viable product in a market where real customers are willing to pay real money. FROM THE ENTREPRENEURS PERSPECTIVE There are thousands of entrepreneurs with great ideas and an ability to see markets before they develop. Unfortunately, there are only a few entrepreneurs who have the ability to get the funding in place to make those ideas a reality. That's why it is critically important to understand, as an entrepreneur, what investors are looking for. While many books will tell you to focus on showing an investor how your company can get from zero to \$50 million in sales, the best and brightest early-stage investors know that such a trajectory isn't probable. As you will discover from reading this book, building a great company to create a great return takes a team effort. Make sure your investors want to be a part of your team and let them help you from day one. Remember, there are many more entrepreneurs than investors, so be prepared to have to work at finding one who is willing and able to support your vision.

Discover the (surprising) secret to lifelong financial freedom with real estate investing. Real estate has always been a powerful tool for investing, and many people believe that a single-family home investment strategy will help them achieve their goals. However, the true path to financial freedom using real estate is found in apartment buildings. Real estate investing expert and author Michael Blank learned that once investors did their first deal, the curious "Law of the First Deal" led to the second and third deals in rapid succession. Most were able to quit their jobs within 3-5 years of getting started. Of course, when most people hear "apartment buildings" they immediately assume they need years of investing experience and money saved up to be able get into the game. This simply isn't true. Michael has compiled the results of his research into his new book, *Financial Freedom with Real Estate Investing: The Blueprint to Quitting Your Job with Real Estate - Even without Experience or Cash*. He's outlined the "Financial Freedom Blueprint" that guides you through your first multifamily deal, even if you have no prior experience or your own cash.

Every day, thousands of farmworkers harvested the food that ended up on kitchen tables all over the country. But at the end of the day, when the workers sat down to eat, there were only beans on their own tables. Then Dolores Huerta and Cesar Chavez teamed up. Together they motivated the workers to fight for their rights and, in the process, changed history. Award-winning author Monica Brown and acclaimed

illustrator Joe Cepeda join together to create this stunning tribute to two of the most influential people of the twentieth century. Todos los días, miles de campesinos cosechaban los alimentos que se servían en los hogares de todo el país. Pero al terminar la jornada, cuando los campesinos se sentaban a comer, lo Único que había en sus propias mesas era frijoles. Entonces, Dolores Huerta y César Chávez se unieron para motivar a los trabajadores a luchar por sus derechos y en el proceso, cambiaron el curso de la historia. La premiada autora Monica Brown y el aclamado ilustrador Joe Cepeda se unen para crear Éste impresionante tributo a dos de las personas más influyentes del siglo veinte.

Praise for **NONPROFIT SUSTAINABILITY** "This is much more than a financial how-to book. It's a nonprofit's guide to empowerment. It demystifies mission impact and financial viability using The Matrix Map to provide strategic options for any organization. A must-read for every nonprofit CEO, CFO, and board member." —Julia A. McClendon, chief executive officer, YWCA Elgin, Illinois "This book should stay within easy reaching distance and end up completely dog-eared because it walks the reader through a practical but sometimes revelatory process of choosing the right mix of programs for mission impact and financial sustainability. Its use is a practice in which every nonprofit should engage its board once a year." —Ruth McCambridge, editor in chief, The Nonprofit Quarterly "Up until a few years ago, funding and managing a nonprofit was a bit like undertaking an ocean voyage. Now, it's akin to windsurfing—you must be nimble, prepared to maximize even the slightest breeze, and open to modifying your course at a moment's notice. Innovative executive directors or bold board members who want their organization to be able to ride the big waves of the new American economy must read this book." —Robert L. E. Egger, president, DC Central Kitchen/Campus Kitchens Project/V3 Campaign "Most nonprofits struggle to find a long-term sustainable business model that will enable them to deliver impact on their mission. Thanks to Jeanne Bell, Jan Masaoka, and Steve Zimmerman help is now in sight. This book offers practical, concrete steps you can take to develop your own unique path to sustainability without compromising your mission." —Heather McLeod Grant, consultant, Monitor Institute, and author, Forces for Good: The Six Practices of High-Impact Nonprofits "At last! An urgently needed framework to prepare leaders to meet head-on the persistent twin challenges of impact and sustainability. This is a practical tool based on good business principles that can bring boards and staff members together to lead their organizations to sustainable futures." —Nora Silver, adjunct professor and director, Center for Nonprofit and Public Leadership, Haas School of Business, University of California, Berkeley "Together, Jeanne Bell, Jan Masaoka, and Steve Zimmerman equal wisdom, experience, and know-how on sustainability and lots of other things. Buy, read, and learn from this terrific book!" —Clara Miller, president and CEO, Nonprofit Finance Fund "Wisdom, experience, and know-how. Buy, read, and learn from this terrific book!" —Clara Miller, president and CEO, Nonprofit Finance Fund

In the United States, some populations suffer from far greater disparities in health than others. Those disparities are caused not only by fundamental differences in health status across segments of the population, but also because of inequities in factors that impact health status, so-called determinants of health. Only part of an individual's health status depends on his or her behavior and choice; community-wide problems like poverty, unemployment, poor education, inadequate housing, poor public transportation, interpersonal violence, and decaying neighborhoods also contribute to health inequities, as well as the historic and ongoing interplay of structures, policies, and norms that shape lives. When these factors are not optimal in a community, it does not mean they are intractable: such inequities can be mitigated by social policies that can shape health in powerful ways. Communities in Action: Pathways to Health Equity seeks to delineate the causes of and the solutions to health inequities in the United States. This report focuses on what communities can do to promote health equity, what actions are needed by the many and varied stakeholders that are part of communities or support them, as well as the root causes and structural barriers that need to be overcome.

This real estate investment manual will teach you how to make more money and increase your net worth in a short period of time—all while using other people ' s money. Dale L. Berne, Ed.D., a longtime real estate investor, shares his tricks of the trade investing in residential and commercial rental properties. He reveals a hundred names and contact points of people and places that you can reach to find, fund, sell, and protect properties. The author writes in a clear, concise, and understandable manner to help you: flip and sell houses in all kinds of markets; hold your properties as long-term investments; evaluate foreclosures, vacant houses, physically-distressed properties, and upscale houses and business sites; and manage and preserve hard-earned assets. While investing in real estate won ' t make you rich overnight, the strategies, methods, procedures, techniques, and knowledge in this manual—applied over time—will put you on the pathway to earning massive wealth. Great financing is the holy grail of real estate--with the power to make or break the deal. Whether you are brokering your first deal or your fiftieth, finding the right financing for that specific situation can be the most important challenge you face. But there is good news! If you know where to look, you can find nearly unlimited supplies of funding for all your real estate deals. And The Inside Guide to Funding Real Estate Investments shows you exactly where to look! This all-encompassing guide introduces readers to the range of options available--from traditional mortgages and asset-based loans to crowdfunding and private money--and provides an inside look into the loan process as a whole and how lenders think through different scenarios. Learn all there is to know about:

- What lenders are looking for
- How to close with confidence
- How to maintain sufficient liquidity
- How to protect your credit position for future deals
- What to do when deals go

south • And more! Whether you're planning to fix and flip or buy and hold, with this thoroughly researched resource that has considered every financing scenario by your side, you can rest confidently that you are in prime position to not only avoid costly borrowing mistakes but also be set up for real estate success beyond what you thought possible.

OPRAH'S BOOK CLUB PICK • A HARPER'S BAZAAR BEST BOOK OF 2022 • A PARADE MOST ANTICIPATED BOOK • A MARIE CLAIRE MOST ANTICIPATED BOOK "It's clear from the first page that Davis is going to serve a more intimate, unpolished account than is typical of the average (often ghost-written) celebrity memoir; Finding Me reads like Davis is sitting you down for a one-on-one conversation about her life, warts and all." —USA Today "[A] fulfilling narrative of struggle and success... Her gorgeous storytelling will inspire anyone wishing to shed old labels." —Los Angeles Times In my book, you will meet a little girl named Viola who ran from her past until she made a life-changing decision to stop running forever. This is my story, from a crumbling apartment in Central Falls, Rhode Island, to the stage in New York City, and beyond. This is the path I took to finding my purpose but also my voice in a world that didn't always see me. As I wrote Finding Me, my eyes were open to the truth of how our stories are often not given close examination. We are forced to reinvent them to fit into a crazy, competitive, judgmental world. So I wrote this for anyone running through life untethered, desperate and clawing their way through murky memories, trying to get to some form of self-love. For anyone who needs reminding that a life worth living can only be born from radical honesty and the courage to shed facades and be... you. Finding Me is a deep reflection, a promise, and a love letter of sorts to self. My hope is that my story will inspire you to light up your own life with creative expression and rediscover who you were before the world put a label on you.

THE HOUSE-FLIPPING HOW-TO THAT TURNS EVERYDAY PEOPLE INTO ENTREPRENEURS Everyone likes the idea of turning the ugliest house on the block to the best house on the block and making a profit. Until now a system has not been shared on how to successfully complete this task on time and budget without getting your hands dirty. This book not only cracks the code but shares the proven path and system to have a systems based rehab business that makes consistent profits for ordinary everyday people. The Real Estate Rehab Investing Bible reveals the lucrative seven-stage system that allows author Paul Esajian, and his students all across North America, to manage multiple rehab projects at once, while staying on time and under budget to build and grow their wealth. No experience? No problem. You'll learn strategies to find the right properties, negotiate the right offer, identify the right licensed and insured contractor for the job, and get the property sold to a happy homeowner for a profit. No capital? No problem. You'll learn how you can use other people's money to fund your deals and the IRS guidelines that help you keep more of the money you make. By learning and leveraging the principals of rehabbing and real estate, you'll start thinking like a business owner rather than a consumer. Breaking into residential real estate provides an amazing opportunity for those with little, or no experience, and using other people's money. This book gives you the information, education, and systems every investor needs to start flipping and rehabbing houses without doing the work yourself, and without losing your shirt to contractors and bad investing decisions. Find Deals: where and how to find deals, analyzing deals, and

estimating repairs in minutes to acquire a rehab Fund Deals:where and how to borrow money, creative financing, and the finance request template to present to asset based lenders and private lenders to fund your deal Fix Deals:how to run a rehab with a proven system without lifting a hammer, identify A+ licensed and insured contractors at wholesale pricing, and what to focus on to maximize your profit Flip Deals:how to properly price, stage, and add the sizzle features to get properties sold within weeks of listing the property by properly analyzing comparables and staging the rehab properly The proven techniques Paul shares work in any location, in any market. If you're ready to get in the game, The Real Estate Rehab Investing Bible teaches you how to play.

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

Have you ever considered getting involved in real estate investing but weren't sure how to do it? Do you want to know how to attract private capital from investors who will be happy to let you use their cash and credit to fund your deals? Do you want to know how to find properties and what to do next? Do you want to know a fantastic and simple strategy that lets you earn money with real estate even if you don't own the asset? Then this ebook is for you!Written by an insider in the world of STRs (short-term rental properties), this book is a tell-all that gives you all you need to know to start earning a good income from your efforts in creating killer STRs quickly. You can earn cashflow to the tune of hundreds and even thousands a month, depending on how many STRs you create. This book breaks down your fears about jumping into the real estate investing game in a fun way. The author coaches and mentors real estate entrepreneurs and loves doing it. The book is written in an easy-to-digest way that makes learning the new strategies supported by slice-of-life stories from the author's own world as the owner of 4+ STRs and counting, you'll see she is 100% real. Not some high-level "guru" asking you to plop down thousands of dollars for the same training and information found in this book.

ENTIRELY REVISED AND UPDATED! Over 40,000 first edition copies sold. How much does it really cost to renovate your investment property? Learn detailed tips, tricks, and tactics to accurately budget nearly any house flipping project and investment property renovation from expert real estate investor and fix-and-flipper J Scott. Discover the tried-and-tested steps of his proven framework and methodology for precisely evaluating renovation costs in hundreds of his own successful rehab projects. Determine to accurately estimate all the costs you are likely to face during renovation--and get all of your rehab questions answered in one place! Whether you are preparing to walk through your very first rehab project or you're an experienced home flipper, this handbook will be your guide to identifying renovation projects, creating a scope of work, and staying on budget to ensure a timely profitable project. You will learn how to: -Inspect every aspect of a property to create your renovation scope -Decide which upgrade options provide the biggest bang for your buck -Identify the 150+ most common renovations you'll likely encounter -See big problems (like mold and termites!) and quickly fix them -Assign accurate prices to every rehab task to build a detailed budget -Determine which contractor is best for certain repairs or projects -Break down the top 25 basic components of a renovation -And so much more! You don't need to be a contractor to flip houses, but you do need to know the fundamentals of budgeting and pricing your renovation--including everything from cosmetic renovations to complex installations and upgrades. This book gives you the estimation tools needed to produce the income you desire on your first--or next--investment deal!

INSTANT INTERNATIONAL BESTSELLER * NEW YORK TIMES BESTSELLER * #1 SUNDAY TIMES BESTSELLER The first, intimate, epic and true story of the Duke and Duchess of Sussex's life together, finally revealing why they chose to pursue a more independent path and the reasons behind their unprecedented decision to step away from their royal lives, from two top royal reporters who have been behind the scenes since the couple first met. Finding Freedom is complete with full color photographs from Harry and Meghan's courtship, wedding, Archie's milestones, and many more unforgettable moments. When news of the budding romance between the beloved English prince and an American actress broke, it captured the world's attention and sparked an international media frenzy. But while the Duke and Duchess of Sussex have continued to make headlines—from their engagement, wedding, and birth of their son Archie to their unprecedented decision to step back from their royal lives—few know the true story of Harry and Meghan. For the first time, Finding Freedom goes beyond the headlines to reveal unknown details of Harry and Meghan's life together, dispelling many rumors and misconceptions that plague the couple on both sides of the pond. As members of the select group of reporters who cover the British Royal Family and their engagements, Omid Scobie and Carolyn Durand have witnessed the young couple's lives from a few outsiders can. With unique access and written with the participation of those closest to the couple, Finding Freedom is an up-close, and disarming portrait of a confident, influential, and forward-thinking couple who are unafraid to break with tradition. They are determined to create a new path away from the spotlight, and dedicated to building a humanitarian legacy that will make a positive difference in the world.

Although we have been successful in our careers, they have not turned out quite as we expected. We both have changed positions several times-for all the right reasons-but there are no pension plans vesting on our behalf. Our retirement funds are growing

through our individual contributions. Michael and I have a wonderful marriage with three great children. As I write this, two are in college and one is just beginning high school. We have spent a fortune making sure our children have received the best education available. One day in 1996, one of my children came home disillusioned with school. He was bored and tired of studying. "Why do I put time into studying subjects I will never use in real life?" he protested. Without thinking, I responded, "Because if you don't get good grades, you won't get into college." "Regardless of whether I go to college," he replied, "I'm going to be rich."

Everyone does research. Some just do it better than others. In this chaotic world of information and misinformation, referred to as "information fog," university students, in particular, need to learn how to conduct research effectively. Good research is about a quest to discover more, about a burning desire to solve society's problems and make a better world. Ultimately, research is a way forward to a resolution of life's greatest difficulties. In this seventh edition of Research Strategies: Finding Your Way through the Information Fog, author William Badke walks you step by step through the entire research process—from choosing a topic, to writing the final project, and everything in between. A seasoned researcher and educator, Badke offers tried-and-true tips, tricks, and strategies to help you identify a problem, acquire pertinent information, and use that information to address the problem. Employing a host of examples and humor, Research Strategies: Finding Your Way through the Information Fog shows how research can be exciting and fun.
