Wyoming author Jami Rogers brings you six romantic stories of what happens when love never comes with a warning. From enemies to lovers, office romance, friends to lovers, and second chances, this new adult romance series has everything you love to read. JUST ONE KISS Kelsey He kissed me. I slapped him. That's the last time I thought about Ethan. Now he's back, and screw him—he isn't allowed to break my

heart and then show up years later looking like July in a fireman's calendar and ruining my chances at running the Black Alcove bar. Nope. I have plans and they don't include him. Ethan I tried to forget her. I failed. The moment I saw Kelsey again I knew I was doomed. I have one task while I'm here, and having her one breath away makes me forget how to be the responsible man I've worked so hard to become. JUST ONE NIGHT Sara Love has horrible timing. We're finally on the same page and want the same things. Being hundreds of miles apart won't ruin anything ... will it? Logan She was never just my friend. Then that night happened and everything changed. Now, it's changing again and this time, I'm going to fight. JUST ONE TOUCH Alexis I have a secret. I haven't told anyone because I'm not ready. Conner makes me feel ready. He makes me feel ... things. Telling him should be simple, so why isn't it? Conner I hate liars. I just want honesty, and I finally found it with Alexis. Then again, maybe I didn't. She came to Wind Valley for a reason, a huge reason, and she didn't trust me enough to tell me. Why would I hand her my heart, if she can't do the same? JUST ONE MOMENT Skylar Start over and don't draw attention. So much for that—I just witnessed vandalism and now he thinks I did it. If stubborn men aren't supposed to be sexy, this one didn't get the memo. Luke I have no money—now I have to spend last years salary to put the store back together and deal with her. She's a vandal and a liar. Not thinking about her should be easy. Her ass. Her lips. Her eyes. Yes, I'll forget about her ... any moment now. JUST ONE SPARK Beth I just

wanted to have no-strings-attached sex to celebrate my new job. Not meet a new coworker, not gain competition, and definitely not Maverick Mitchell. I don't care how gorgeous his grin is, he isn't getting in my way. Maverick I screwed up. So what. It was a mistake. I shouldn't have to keep proving myself over and over because of it. Especially when the result comes with two choices. And one of them doesn't include Beth. JUST ONE LOVE Abby My entire life is a lie. He launched my salty reputation. Yet, here I am, doing him another favor so he can get what he wants—maybe then I can dislodge him from my heart. Tyler There's an emptiness in my life. Yet I have everything I need, or at least, I thought I did. It was supposed to be a simple deal between friends. Friends? Yeah, right. I should have known we're too volatile for that. Buried in a small Yosemite town, he's now a fry cook at a fast-food joint. And he doesn't need a woman with stars in her eyes opening all his old wounds and guilt. Game of Thrones meets The Princess Bride in this hilarious new series, combining romance and high fantasy, by New York Times and USA Today bestselling author Kerrelyn Sparks. Raised in isolation on the magic-shrouded Isle of the Moon, five girls became five sisters. Now women, they are ready to claim their places in the world, perhaps change it forever . . . FLAME AND FORTUNE Sorcha knew the mission was

dangerous. Leaving the safe grounds of her brother's kingdom and parlaying with elves across their border . . . well, treachery seemed at least as likely as true peace to support her sister, Sorcha would brave far more than the underhanded ways of elves. Or so she thought, before she was taken hostage. Of course, her captors could count on her particular abilities—or on the help of the Woodsman, the mysterious man who made his home in the forest. He saw the battle from the trees, saw the soldiers attacking against incredible odds to save a comrade—and then saw the valiant fighter revealed as Princess Sorcha of Norveshka. He can't tell if he wants to kidnap her or her. But despite Sorcha's stubbornness, his inconvenient honor, and a rebellion on the cusp of full war, something burns between them that neither can let go . . . "Spicing up the crafting of distinct kingdoms and fantasy races is the strongest part of the series' adventurous fantasy romp." —Kirkus Reviews "Satisfying chemistry, a playful sense of adventure, and the threat of more danger to come keep the pages turning. Readers will revel in this fun, fast-paced fantasy romance." —Publishers Weekly

For fans of USA Today bestselling authors Christina Lauren and Sally Thorne comes a hilarious romantic comedy about finding your family, finding yourself, and maybe finding love along the way. Being adopted never made Jane Smith feel unloved, just unlike the rest of her family. As her twenty-fifth birthday approaches, she is struck by an overwhelming longing to finally find her place in the world. So in a very un-Jane-like move, she books a last-minute ticket to Greece to find her birth father and the real Jane. All she knows about him is it that he was a tour guide named Dimitri. Armed with this knowledge and several surprise boxes of condoms from her mom (not embarrassing at all), Jane takes off. Within minutes of landing she makes two important discoveries. First, everyone in Greece is named Dimitri, and second, fate might be playing a sick joke on her when a sexy tour guide called Dimitri comes to fetch her from the airport. He offers to help Jane with her search---if she'll go on an adventure with him. Stable Jane would never risk a steamy vacation romance. But real Jane might finally be ready to listen to her heart. Will Jane find her biological father, or will she end up finding something else entirely? "Top Pick! Almost a Bride put a smile on my face more than once. The dialogue was witty, the words were well-written and the heroine was one-of-a-kind." -- Harlequin Junkie

When your nemesis also happens to be your fiancé, happily ever after becomes a lot more complicated in this wickedly funny, lovers-to-enemies-to-lovers romantic comedy debut. Naomi Westfield has the perfect fiancé: Nicholas Rose holds doors open for her, remembers her restaurant orders, and comes from the kind of upstanding society family any bride would love to be a part of. They never fight. They're preparing for their lavish wedding that's three months away. And she is miserably and utterly sick of him. Naomi wants out, but there's a catch: whoever ends the engagement will have to foot the nonrefundable wedding bill. When Naomi discovers that Nicholas, too, has been feigning contentment,

the two of them go head-to-head in a battle of pranks, sabotage, and all-out emotional warfare. But with the countdown looming to the wedding that may or may not come to pass, Naomi finds her resolve slipping. Because now that they have nothing to lose, they're finally being themselves—and having fun with the last person they expect: each other.

One ambush. Four soldiers. Coming home to the healing power of love. The Soldier's Wedding After returning from Afghanistan, Special Forces veteran Dan has only one mission: to persuade Jo to become his wife. Can he prove to his best friend that they can create a love story for the ages? Jo has only thought of Dan romantically once; the night before a surgery that changed her life. Friendship is all she has to offer as she struggles to care for her grandmother and save her business. Except the new way he sees her is becoming dangerously addictive... Desert Island Keeper—Allaboutromance The Rescue Mission Viv Jansen's creative solutions work well as an international costume designer, not so well as her family's black sheep. But she's going to save the day—if only her brother's military buddy Ross will move his disapproving Alpha-ness out of the way and help! Chaos theory has always been her modus operandi but falling for the enemy—a guy whose friends call him Iceman—could be the most dangerous thing she's ever done. Bring Him Home When Nate discovers Claire can't forgive her late husband for breaking a crucial promise, he sees his path to salvation. He'll be his buddy's advocate and secure Steve's place in his wife's memory. The last thing he intends is to find himself in a love triangle with his dead best friend. A Book Club pick at SmartBitchesLovesTrashyBooks. A Prior Engagement After eighteen months as a POW presumed dead, Lee Davis is finally going home. Back to his family, friends and... fiancée? Except that the night before his last deployment, Juliet Browne rejected his proposal. Which makes the sight of her playing the grieving almost-wife beyond infuriating. Feigning amnesia, Lee puts Jules's commitment to the test. Romantic Book of the Year (RuBY) finalist Australia.

She closed her eyes. Think with your head. Your heart can't be trusted. Life is not a fairytale... Single mum Rory doesn't believe in love. She's got far too many real problems to deal with. She's just bought a tumbledown house. Her mother is generally behaving like a wicked witch, insisting on calling her Aurora, and generally interfering in her (admittedly pitiful lack of) love life. And her 16-year-old daughter has finally grown out of Disney princesses and discovered dating... But Rory's adamant that she doesn't need saving. In fact, the only thing she's wishing on a star for is a bit of practical help. However, when she meets a builder whose name is John Prince and who seems to be in the habit of rescuing her (right down to finding her lost shoe one evening) she might have to face a truth as uncomfortable as hobbling home barefoot - that maybe there's something enchanted in the air. Her mother, daughter and friends are convinced her prince has come, but Rory just wishes everyone could let it go. Especially when she hears a story that

She hired him from Rent for Your 'Rents, a company specializing in providing fake boyfriends trained to impress even the most traditional Asian parents. Drew Chan's passion is art, but after his parents cut him off for dropping out of college to pursue his dreams, he became a Rent for Your 'Rents operative to keep a roof over his head. Luckily, learning protocols like 'Type C parents prefer quiet, kind, zero-PDA gestures' comes naturally to him. Goodreads Reviewer, [REDACTED] Twenty-eight-year-old Zoe really doesn't want to end up being a crazy old cat lady. As a chef, she's used to sharp knives and getting burned, but she didn't realise that being single was just as dangerous. There are some dates even an extra-large glass of wine can't fix. There was the guy who turned up drunk, face planted on the floor, and smelt like he was 90% tequila. He deserves a special mention because she's sure she spotted an ankle tag beneath his trousers. Plus the duller guy in the universe whose idea of sexy talk was droning on about pensions and 'prudent financial planning'. Not to mention the one who didn't even bother to show, leaving her sitting all alone in a bar, staring into her empty glass and dying a bit inside. After Zoe says 'thank you, next' to every dud, her friend Robbie has an idea. He's a dating machine and he bets that if she takes his love-life advice, her luck will change. Will there ever be a guy who makes her say, 'thank you, yes'? Or should Zoe just admit defeat and start stockpiling cats? A feel-good, fresh and fabulous page-turner for anyone who has torn their hair out over their love life, drank their weight in wine to survive an awful date, or stared at their phone, willing it to ring.
