The study of classic ragtime guitar is very challenging. For this set of lessons for the intermediate and advanced guitarist we have picked four ever-popular rags. You have the advantage in this series of learning from three different teachers, each with his own individual approach. 32 page tab/music book with three compact discs. LESSON ONE: The classic rag that started the "ragtime revival" was The Entertainer. This was used in the soundtrack for the film The Sting. It is a lyrical four part classic rag written by Scott Joplin. This lesson is taught by Stefan Grossman. LESSON TWO: One of the most popular classic rags written by Scott Joplin was his Maple Leaf Rag. Duck Baker teaches his arrangement to this highly syncopated and energetic classic rag. This is followed by Silver Swan. Stefan Grossman is your teacher for this beautiful classic rag. LESSON THREE: Our last lesson is a tour de force in ragtime arranging and playing. It is James Scott's Hilarity Rag. This is a four part classic rag taught by Leo Wijnkamp Jr.

*Bill Broonzy, or Mississippi John Hurt, studying the basic techniques presented in this program is the first step toward being able to capture the essence of their traditional styles. In this book, Woody Mann shows you practical ways to develop fundamental technique and offers you insights into the musical logic of blues guitar. Woody walks you through each song, explaining the chord positions and picking techniques. He teaches blues in the keys of D, G, C, E, and A, presenting a wide selection of classic blues songs and instrumentals from the masters of blues guitar. Included in this program are the basics of the Delta blues of Robert Johnson, the ragtime style of Blind Blake (the man with the piano-playing guitar), and the music of Big Bill Broonzy, Memphis Minnie, Willie Walker, and Willie Moore. Each song illustrates how solo players approach the guitar like a piano, playing melodies and bass lines simultaneously. Developing this independent two-line picking technique enables you to get the feel, syncopation, and subtleties of the music. The songs in themselves are studies in acoustic blues technique and present the authentic elements of the acoustic blues sound and style including blues technique and ways to "play off" of the chords and improvise within a song. This program is recommended for beginning acoustic blues guitarists as well as electric guitarists and acoustic fingerstyle guitarists of all levels who would like to go beyond "pattern" picking and develop a more dynamic and syncopated sound. Woody Mann had his first schooling as a teenager in the living room of Rev. Gary Davis, the now legendary gospel and ragtime guitarist. Mann soon went on to perform and record with blues masters Son House and Bukka White as well as contemporary innovators including John Fahey. He has recorded extensively, performed throughout the world, and is widely recognized as one of the world's leading teachers and transcribers of acoustic blues music, having taught countless guitarists through his popular books and videos. If you've been inspired to begin playing fingerstyle guitar or are an experienced player wanting to enhance your knowledge, this book is the perfect place to start. Using standard music notation and TAB, the examples guide you through basic chord theory, modes, drop-D tuning, alternating bass and more. The CD demonstrates all the examples in the book. 96 pages.*

*A collection of 20 different 4-bar patterns and 10 original solo compositions by one of Europe's finest guitarists. Designed for the serious fingerstyle guitar student, this book presents rhythm patterns in a wide range of moods written in standard notation and tablature, along with new concepts about blues and jazz. In the solos, beautiful and impressive melodies are paired with alternate and walking basses. an accompanying audio CD includes a demonstration of each concept and a performance of each solo.*

(Guitar Method). A complete collection of all three Acoustic Guitar Method books in one volume! Learn how to play guitar with the only beginning method based on traditional American music that teaches you authentic techniques and songs. Beginning with a few basic chords and strums, you'll start right in learning real music drawn from blues, folk, country and bluegrass traditions. You'll learn how to find notes on the fingerboard, expand your collection of chords by learning songs in various keys, and learn different kinds of picking patterns. When you're done with this method series, you'll know dozens of the tunes that form the backbone of American music, using a variety of flatpicking and fingerpicking techniques. Songs include: Bury Me Beneath the Willow \* Delia \* Frankie and Johnny \* The Girl I Left Behind Me \* House of the Rising Sun \* Ida Red \* In the Pines \* Little Sadie \* Man of Constant Sorrow \* Sally Goodin \* Scarborough Fair \* Will the Circle Be Unbroken? \* and many more. Accompanying audio examples are all available for download!

Ragtime fingerstyle guitar is one of the most satisfying ways of playing. If you love the challenge and want to try some syncopated rhythms, or move away from the normal arpeggiated fingerstyle of picking, then the tunes in this volume are just for you. There's a mix of classic tunes that I have arranged by players such as Big Bill Broonzy or Rev. Garry Davis, and a whole bunch of ditties that I've written in the ragtime style. Some tunes are more difficult than others, but well worth the effort if you want to improve your picking style and build on your repertoire. So, put on your dancing fingers and let's get stuck into some great tunes. Audio is available if you follow the links. Also, most pieces are supported by video.
