Can you help Peter find the perfect place to pray? Peter is used to seeing his mom pray in her special prayer room, and now you can help him search for his own place to pray—Peter's perfect prayer place. Is it under his bed? Up in his treehouse? Between the pots and pans? Where can God hear him best? There's lots of fun as Peter looks and looks, but in the end, he learns that although it's great to have a special place to be alone with God and pray, God hears you no matter where you are—under, up, or in between! This companion book to the movie *War Room* will teach young readers an important lesson about talking to God.

Trapped by fear and insecurity, and feeling totally alone, Jennifer cried out to God: What am I doing wrong? Why is this happening to us? *Find freedom and healing from painful memories and relational struggles and learn how your past has uniquely prepared you to experience more joy. Tragedy and pain inevitably touch our lives in some way. We long to feel whole, but more often than not, the way we've learned to deal with our wounds pushes us away from the very restoration we need most. Renowned psychologist Dr. Dan Allender and counselor and teacher Cathy Loerzel present a life-changing process of true connection and healing with ourselves, God, and others. With a clear, biblically trustworthy method, Allender and Loerzel walk you through a journey of profound inner transformation--from the shame and hurt of old emotional wounds to true freedom and healing. Drawn from modern research and their pioneering work at The Allender Center, they will help you identify your core trauma in one of the three outcast archetypes--the widow, orphan, or stranger--and chart your path of growth into the God-given roles of priest, prophet, or leader. This book will help you learn: What to do about feeling out-of-place and directionless How your coping mechanisms create a false sense of health How to embrace your divine calling and find lasting reconciliation How your heart wounds are your unique invitation to true strength and purpose. Marie Claire • Bloomberg • Parade • “Untamed will liberate women—emotionally, spiritually, and physically. It is phenomenal.”—Elizabeth Gilbert, author of *City of Girls* and *Eat Pray Love* This is how you find yourself. There is a voice of longing inside each woman. We strive so mightily to be good: good partners, daughters, mothers, employees, and friends. We hope all this striving will make us feel alive. Instead, it leaves us feeling weary, stuck, overwhelmed, and underwhelmed. We look at our lives and wonder: Wasn't it all supposed to be more beautiful than this? We quickly silence that question, telling ourselves to be grateful, hiding our discontent—even from ourselves. For many years, Glennon Doyle denied her own discontent. Then, while speaking at a conference, she looked at a woman across the room and fell instantly in love. Three words flooded her mind: *There She Is*. At first, Glennon assumed these words came to her from on high. But she soon realized they had come to her from within. This was her own voice—the one she had buried beneath decades of numbing addictions, cultural conditioning, and institutional allegiances. This was the voice of the girl she had been before the world told her who to be. Glennon decided to quit abandoning herself and to instead abandon the world's expectations of her. She quit being good so she could be free. She quit pleasing and started living. Soulful and uproarious, forceful

and tender, *Untamed* is both an intimate memoir and a galvanizing wake-up call. It is the story of how one woman learned that a responsible mother is not one who slowly dies for her children, but one who shows them how to fully live. It is the story of navigating divorce, forming a new blended family, and discovering that the brokenness or wholeness of a family depends not on its structure but on each member's ability to bring her full self to the table. And it is the story of how each of us can begin to trust ourselves enough to set boundaries, make peace with our bodies, honor our anger and heartbreak, and unleash our truest, wildest instincts so that we become women who can finally look at ourselves and say: *There She Is*. *Untamed* shows us how to be brave. As Glennon insists: The braver we are, the luckier we get.
