the professional as a quick reference or refresher.

This conveniently sized guide is an invaluable point of reference for all who travel and take part in outdoor, wilderness and mountain activities.

Written by doctors with a wealth of wilderness specific experience, it provides a comprehensive summary

Download Ebook First Aid Pocket Guide

of wilderness first aid and medicine - that is, managing accident or illness in remote locations without immediate access to help - giving you confidence in your ability to deal with any situation that may arise. All topics are clearly referenced and easy to find, with chapters covering preparation, prevention,

Download Ebook First Aid Pocket Guide

accident protocol, diagnosis, treatment and evacuation. From life-threatening emergencies to broken bones and sprains, infectious diseases, food poisoning, envenomation and respiratory problems, the book sets out all the crucial protocol and procedures to follow. It covers a wide range of different environments,
