

First Grade Guided Reading Book List

Little Leveled Readers are not too easy or too hard-but just right! That's because they have been carefully evaluated by a reading specialist to correlate with Guided Reading Level C. Inside you'll find 75 storybooks (5 copies of 15 titles) on topics children love, which makes them perfect for group learning. Includes a mini-teaching guide.

*In this haunting and noirish novel by a leading author and critic, an Indian writer travels to Berlin and soon finds himself slipping into a fragmented, fuguelike state. An Indian writer has come to Berlin as a visiting professor. This is his second sojourn in the city, which seems strange, and also strangely familiar, to him. He is disoriented by its names, its immensity, and its history; he is worried that something may happen to him there. Faqrul, a friendly Bangladeshi poet living in exile, takes him up—then disappears. The visiting writer is increasingly adrift in a city that not long ago was two cities, each cut off from the other, much as the new unified city is cut off from the divided one of the past. It is the fall of 2005; every day it grows colder. The visitor is beginning to feel his middle age. To him, the new world of the twenty-first century, with its endless commodities from all over the place and no prospect of any sort of historical transformation, appears to exist in a state of amnesiac suspense. He gets involved with a woman, Birgit. He begins to miss his classes. He blacks out in the street. People are worried. “I’ve lost my bearings—not in the city; in its history,” he thinks. “The less sure I become of it, the more I know my way.” But does he? Amit Chaudhuri’s *Sojourn* is a dramatic and disconcerting work of fiction, a book about the present as it slips into the past, a picture of a city and of a troubled mind, a historical novel about an ostensibly post-historical time, a story of haunting. Here, as in his earlier work, Chaudhuri pries open fictional form to explore questions of public and private life in ways that are both bold and subtle.*

Sight words are common words that appear again and again in your children’s reading material. Knowing these words òby sightò is essential for reading fluency. This set provides practice at the beginning reading level, and introduces 30 of the most common and easy sight words. Our method makes the process of learning to recognize sight words very simple for the young reader. Consistent short vowels and simple stories mean children sound out (decode) the story, and learn only three sight words per book. With plenty of repetition and context clues, your young reader will quickly master early sight words with Bob Books Sight Words – Kindergarten. Inside this eBook you’ll find: – 10 easy-to-read, hilarious small books, 12 pages each – All stories told in three and four letter words, plus sight words – Consistent short vowels mean easy decoding in the rest of the story – Three new sight words introduced in each book

It’s the day of Emma’s big relay race, and Dixie’s come to watch! Emma tells Dixie that her job is to “sit, stay, and cheer.” Dixie is disappointed that she can’t race, too, but she’s determined to be good. But when Emma trips and falls before the finish line, will Dixie obey her best friend and stay where she is or rush in to help? Find out in this lovable I Can Read book, the fifth book starring Dixie!

Ready to Go Guided Reading: Summarize, Grades 1 – 2

The Reading Minilessons Book

Pairs of rhyming words are used in simple sentences to help beginning readers understand the use of words and phrases.

Jan Richardson’s highly anticipated update to the classic bestseller *The Next Step in Guided Reading* helps you and your students move forward.

Award-winning author Kathleen Krull takes an in-depth historical look at immigration in America—with remarkable stories of some of the immigrants who helped build this country. With its rich historical text, fascinating sidebars about many immigrants throughout time, an extensive source list and timeline, as well as captivating photos, *American Immigration* will become a go-to resource for every child, teacher, and librarian discussing the complex history of immigration. America is a nation of immigrants. People have come to the United States from around the world seeking a better life and more opportunities, and our country would not be what it is today without their contributions. From writers like Chimamanda Ngozi Adichie, to scientists like Albert Einstein, to innovators like Elon Musk, this book honors the immigrants who have changed the way we think, eat, and live. Their stories serve as powerful reminders of the progress we’ve made, and the work that is still left to be done.

Introduce a new generation to Michael Jordan with this cute board book for baby basketball fans! Before he was a legend, Michael Jordan was just a kid who loved to play basketball. Follow along as he dribbles, shoots, and scores his way to fame in this illustrated board book—armed with a determination that hasn’t been matched! Introduce little ones to the life of a true game changer in this adorable board book perfect for baby ballers!

Focused Assessments and Targeted Lessons for Helping Every Student Become a Better Reader

Matching Texts to Readers for Effective Teaching

Repetitive, predictable story lines and illustrations that match the text provide maximum support to the emergent reader. Engaging stories promote reading comprehension, and easy and fun activities on the inside back covers extend learning. Great for Reading First, Fluency, Vocabulary, Text Comprehension, and ESU/ELL!

Intended for K-3 classroom teachers, explains how to create a balanced literacy program based on guided reading and supported by reading aloud, shared reading, interactive writing, and other approaches.

“Engages students in inquiry that leads to the discovery and understanding of a general principle they can apply to their own independent reading” –

Sight words are common words that appear again and again in your children’s reading material. Knowing these words òby sightò is essential for reading fluency. Bob Books Sight Words – First Grade gradually adds more complexity as your beginning reader acquires 30 new sight words. It is a great companion book to Bob Books Sight Words – Kindergarten. Consistent short vowels in one syllable words of three, four or five letters, mean children can sound out (decode) the story.They learn three new sight words per book. While words and stories in Sight Words First Grade are slightly longer and more complex than Sight Words Kindergarten, they are still suitable for a beginning reader. Inside this eBook you’ll find: - 10 easy-to-read, hilarious small books, 12 pages each. - Slightly longer and more complex stories. - All stories told in one syllable, three-, four- and five-letter words, plus sight words. - Consistent short vowels mean easy decoding in the rest of the story. - Three new sight words introduced in each book. - Context clues and illustrations give sight word hints.

The Next Step in Guided Reading

I See, You Saw

Little Leveled Readers: Level C

Teachers facing the challenge of meeting the diverse reading needs of students will find the structure and tools they need in Jan Richardson’s powerful approach to guided reading. Richardson has identified the essential components of an effective guided reading lesson: targeted assessments, data analysis that pinpoints specific strategies students need, and the use of guided writing to support the reading process. Each chapter contains planning sheets to help teachers analyze assessments in order to group students and select a teaching focus Includes detailed, ready-to-go lesson plans for all stages of reading: emergent, early, and transitional.

Discusses the use of leveled texts in kindergarten through eighth-grade classrooms, examines the "text base" needed for effective language literacy instruction, provides guidelines for creating a high-quality leveled book collection and matching books to readers, and explains how to analyze and level books.

On the first day of first grade, there will be lots of fun! This is the perfect book to share with a kindergarten getting ready for the step up to "big kid" school! From choosing books to read to building things with clay to performing in a play, there are many exciting firsts to look forward to. Saying good-bye to mom and dad can be hard, but when the school bus pulls up, it’s time for some first-grade fun! This engaging, vibrant adaptation of “The Twelve Days of Christmas” helps show parents and children alike that there is no place cooler than a first-grade classroom. Tish Rabe, a seasoned children’s book author of over 160 books, puts a novel spin on a first-day-of-school classic with *On the First Day of First Grade*.

Is there too much emphasis on guided reading in primary classrooms? It’s a question that many educators, like kindergarten teacher and literacy coach Cathy Mere, are starting to ask. Guided reading provides opportunities to teach students the strategies they need to learn how to read increasingly challenging texts, but Cathy found that she needed to find other ways to help students gain independence. While maintaining guided reading as an important piece of their reading program, teachers need to offer students opportunities during the day to develop as readers, to learn to choose books, to find favorite genres and authors, and to talk about their reading. In *More Than Guided Reading*, Cathy shares her journey as she moved from focusing on guided reading as the center of her reading program to placing children at the heart of literacy learning—not only providing more time for students to discover their reading lives, but also shaping instruction to meet the needs of the diverse learners in her classroom. By changing the structure of the day, Cathy found she was better able to adjust the support she was providing students, allowing time for whole-class focus lessons, conferences, and opportunities to share ideas, as well as reading from self-selected texts using the strategies, skills, and understandings acquired in reader’s workshop. The focus lesson is the centerpiece of the workshop. It is often tied to a read-aloud and connected to learning from the previous day, helping to build skills, extend thinking, and develop independence over time. This thoroughly practical text offers numerous sample lessons, questions for conferences, and ideas for revamping guided reading groups. It will help teachers tweak the mix of instructional components in their reading workshops, and provoke school-wide conversations about the place of guided reading in a complete literacy curriculum.

A Parent’s Guide with Lessons and Activities to Support Your Child’s Learning (Math and Reading Skills)

Leveled Books (K-8)Matching Texts to Readers for Effective TeachingHeinemann Educational Books

Fun and engaging activity pages that reinforce the alphabet, reading, writing, phonics, math skills, and more, and prepare preschoolers for kindergarten! From the editors of *Weekly Reader*.

An award-winning scientist offers his unorthodox approach to childrearing: “Parentology is brilliant, jaw-droppingly funny, and full of wisdom...bound to change your thinking about parenting and its conventions” (Amy Chua, author of *Battle Hymn of the Tiger Mother*). If you’re like many parents, you might ask family and friends for advice when faced with important choices about how to raise your kids. You might turn to parenting books or simply rely on time-worn religious or cultural traditions. But when Dalton Conley, a dual-doctorate scientist and full-blown nerd, needed childrearing advice, he turned to scientific research to make the big decisions. In *Parentology*, Conley hilariously reports the results of those experiments, from bribing his kids to do math (since studies show conditional cash transfers improved educational and health outcomes for kids) to teaching them impulse control by giving them weird names (because evidence shows kids with unique names learn not to react when their peers tease them) to getting a vasectomy (because fewer kids in a family mean smarter kids). Conley encourages parents to draw on the latest data to rear children, if only because that level of engagement with kids will produce solid and happy ones. Ultimately these experiments are very loving, and the outcomes are redemptive—even when Conley’s sassy kids show him the limits of his profession. *Parentology* teaches you everything you need to know about the latest literature on parenting—with lessons that go down easy. You’ll be laughing and learning at the same time.

Newbery Medal Winner * Teachers’ Top 100 Books for Children * ALA Notable Children’s Book Beverly Cleary’s timeless Newbery Medal-winning book explores difficult topics like divorce, insecurity, and bullying through the thoughts and emotions of a sixth-grade boy as he writes to his favorite author, Boyd Henshaw. After his parents separate, Leigh Botts moves to a new town with his mother. Struggling to make friends and deal with his anger toward his absent father, Leigh loses himself in a class assignment in which he must write to his favorite author. When Mr. Henshaw responds, the two form an unexpected friendship that will change Leigh’s life forever. From the beloved author of the Henry Huggins, Ramona Quimby, and Ralph S. Mouse series comes an epistolary novel about how to navigate and heal from life’s growing pains.

Fly High, Fly Guy! (Fly Guy #5)

25 Irresistible Books That Are Just the Right Level for Beginning Readers

Good First Teaching for All Children

Leveled Books (K-8)

Gus Grows a Plant

Guided Reading

The fifth book in an award-winning, easy-to-read series about a boy and his pet fly, each book in the series has a fun foil cover! Mom and Dad won't let Fly Guy go along on the family road trip. They're afraid he'll get lost. But when Dad accidentally shuts him in the trunk, Fly Guy goes along for the ride! First, Fly Guy gets lost at the picnic site—but he shows up in the garbage can. Then he gets lost at the art museum, but he shows up as part of a modern painting. At the beach, he turns up in a shell, and at he amusement park, on Buzz's hot dog (yuck!). Zany illustrations and easy-to-read text make this a fun reading adventure for the beginner. The first book in the Fly Guy series is a Theodor Geisel honor book.

Guided Reading: Summarize for first and second grades enhances language arts lesson plans with 36 readers—six sets of two each for below-, on-, and above-level student readers. This resource book engages students with images as they learn about topics such as bees, firefighters, weather, and more. Ready to Go Guided Reading: Summarize offers the essentials for an effective, comprehensive language arts program for first and second grades. This book includes: -leveled readers that cover high-interest topics -prompts to encourage students to work with the text and text features -discussion guides -graphic organizers and an observation sheet The high-interest readers are separated into three readability levels and designed to keep students' attention. Various callout boxes direct students to apply guided reading strategies to the texts, such as scanning for meaning or word work. Each reader concludes with a writing prompt. The 12-book Ready to Go: Guided Reading series for grades 1-6 includes everything you need for your guided reading group. Each 80-page book is essentially a guided reading set, containing 36 total readers, six discussion guides, and three reproducible pages. Four books are included in each grade span—each focuses on the essential reading comprehension strategies: -Infer -Connect -Question -Summarize All readers contain short nonfiction texts and text features such as callout boxes, photographs, charts, and maps.

"Each book features simple text, decodable words, strong picture cues, and one to six lines of text per page to promote reading confidence and success!"-

A can, a fly, a seesaw, a bee.Two jaunty cats see it all as they spend the day playing their own version of I Spy.Soon enough, their play grows into boisterous fun where wordplay is the name of the game, and the ingenious concept behind this My First I Can Read Book. "Clever and bright." –Kirkus Reviews

New York Times bestselling author and artist James Dean brings young readers along on a groovy train ride with Pete the Cat! Pete can't wait to visit Grandma, especially because he gets to take a train ride to see her! The conductor gives Pete a tour of the train, and Pete gets to see the engine and honk the horn. Pete even makes new friends and plays games on board. What a cool ride! Pete the Cat's Train Trip is a My First I Can Read Book, which means it's perfect for shared reading with a child. Fans of Pete the Cat will delight as Pete takes the grooviest train trip in this hilarious I Can Read adventure.

Posey is really nervous about starting first grade. Instead of getting walked to her classroom, her mom has to drop her off at the Kiss-and-Go Lane. Then she'll have to walk into school and face the Monster of the Blue Hall all by herself. Worst of all, she has to do it without the one thing that always makes her feel brave and special: the tutu that turns her into the Pink Princess. But when Posey inspires her new teacher to throw a first-day parade in which all the kids are invited to wear whatever makes them feel the most comfortable, first grade starts to look a lot more promising. Posey will charm readers just graduating from easy-to-reads (and from kindergarten). Make reading sparkle with all of the Princess Posey chapter books!

Weekly Reader: Summer Express (Between Grades Prek & K) Workbook

Much has been written on the topic of guided reading over the last twenty years, but no other leaders in literacy education have championed the topic with such depth and breadth as Irene Fountas and Gay Su Pinnell. In the highly anticipated second edition of *Guided Reading*, Fountas and Pinnell remind you of guided reading's critical value within a comprehensive literacy system, and the reflective, responsive teaching required to realize its full potential. Now with *Guided Reading, Second Edition*, (r)discover the essential elements of guided reading through a wider and more comprehensive look at its place within a coherent literacy system a refined and deeper understanding of its complexity an examination of the steps in implementation—from observing and assessing literacy behaviors, to grouping in a thoughtful and dynamic way, to analyzing texts, to teaching the lesson the teaching for systems of strategic actions a rich text base that can support and extend student learning the re-emerging role of shared reading as a way to lead guided and independent reading forward the development of managed independent learning across the grades an in-depth exploration of responsive teaching the role of facilitative language in supporting change over time in students' processing systems the identification of high-priority shifts in learning to focus on at each text level the creation of a learning environment within which literacy and language can flourish. Through guided reading, students learn how to engage in every facet of the reading process and apply their reading power to all literacy contexts. Also check out our new on-demand mini-course: *Introducing Texts Effectively in Guided Reading Lessons*

A seemingly ordinary village participates in a yearly lottery to determine a sacrificial victim.

A whimsical collection of iconic scenes from the Final Fantasy series, cheerfully realized by miniature photographer Tatsuya Tanaka! Cloud and Sephiroth reenact their fateful showdown—an open beer can standing in for Nibel Reactor cooling tower. Setzer steers his airship BlackJack, mischievously recreated from corn on the cob. A chocobo flits and frolics across a field of . . . tennis balls. Tatsuya Tanaka's vibrant miniature photography is showcased side-by-side with concept art that details the process of each photo's creation. This tome catalogs fan-favorite moments captured from across the Final Fantasy series, followed by a long-form interview with Tatsuya Tanaka himself. Dark Horse Books and Square Enix present Miniature Final Fantasy: No Adventure Too Large—Tatsuya Tanaka's miniature Final Fantasy scenes from his memorable Miniature Calendar series. This joyous collaboration celebrates the Final Fantasy series from a wholly unique perspective.
